EXECUTIVE ORDER 141. Relating to Increased Utilization of Renewable Fuels in Vehicles Owned and Operated by the State of Wisconsin.

WHEREAS, the United States is now dependent on foreign oil imports, thereby posing a serious threat to the energy security of Wisconsin and our nation; and

WHEREAS, the major oil companies have dramatically increased the price of a tank of gas this year, driving up the cost of operating gasoline fueled vehicles; and

WHEREAS, the increased use of agricultural renewable fuels such as ethanol and biodiesel will reduce our dependence on imported oil, will reduce the vulnerability of the State of Wisconsin and Wisconsin's middle class and working families to the pricing vagaries of the major oil companies, and will create high paying and family supporting jobs in Wisconsin; and

WHEREAS, there are available in ever increasing volumes cleaner-burning, sustainable alternatives to conventional fuels that can be produced domestically; and

WHEREAS, the burning of conventional transportation fuels such as gasoline and diesel by motor vehicles contributes to air pollution, health problems and increased carbon emissions that have been linked to global climate change; and

WHEREAS, there are numerous other important economic development benefits resulting from the use of renewable fuels, including but not limited to strengthening our agricultural and forestry sectors, improving net farm income, improving our rural economies, and creating new renewable fuels industry related jobs; and

WHEREAS, there are currently at least 25 public, government and private renewable fuel refueling facilities in Wisconsin; and

WHEREAS, transportation fuel costs represent a substantial operating expense for state government and Wisconsin taxpayers; and

WHEREAS, Wisconsin state government should "lead by example" in using renewable fuels to the maximum extent feasible so as to encourage individuals, businesses and other levels of government to do the same;

NOW, THEREFORE, I, JIM DOYLE, Governor of the State of Wisconsin, by virtue of the authority vested in me by the Constitution and laws of the State of Wisconsin, do hereby:

1. Direct the Department of Administration to require, through its fleet management policy, that all state agencies reduce the use of petroleum-based gasoline in state-owned vehicles by twenty percent (20%) by 2010 and by fifty percent (50%) by 2015, and reduce the use of

petroleum-based diesel fuel by those vehicles ten percent (10%) by 2010 and twenty five percent (25%) by 2015; and

2. Direct the Department of Administration to develop an awareness plan designed to facilitate usage of renewable fuels in the State's flex fuel vehicle fleet. This program shall ensure:

- a. All flex fuel vehicles in the State's fleet shall be identifiable; and

- b. All state employees driving flex fuel vehicles shall be made aware of the renewable fuel refueling stations in the location of their destination; and

- c. All state employees shall strive to use renewable fuels when operating flex fuel and diesel powered vehicles in the fleet, whenever practical and cost effective; and

3. Direct the Secretaries of the Department of Administration and the Department of Agriculture, Trade and Consumer Protection to actively pursue the establishment of additional renewable fuel refueling facilities at public retail outlets.

History: Signed, March 1, 2006.

EXECUTIVE ORDER 142. Relating to a Proclamation that the Flag of the United States and the Flag of the State of Wisconsin be Flown at Half-Staff as a Mark of Respect for Lance Corporal Adam Vanalstine of the United States Marine Corps Who Lost His Life During Operation Iraqi Freedom.

EXECUTIVE ORDER 143. Relating to the Governor's Homeland Security Council.

EXECUTIVE ORDER 144. Relating to a Proclamation that the Flag of the United States and the Flag of the State of Wisconsin be Flown at Half-Staff as a Mark of Respect for Lance Corporal Nicholas Anderson of the United States Marine Corps Who Lost His Life During Operation Iraqi Freedom.

EXECUTIVE ORDER 145. Relating to Conserve Wisconsin and the Creation of High Performance Green Building Standards and Energy Conservation for State Facilities and Operations.

WHEREAS, the State of Wisconsin has a responsibility to save taxpayer dollars and promote economic development while improving the environment and health of Wisconsin citizens and future generations by incorporating high performance green building standards into the design, construction and operations processes of state buildings; and

WHEREAS, Wisconsin has a proud tradition of national leadership in conservation, energy and public health that provides a high quality of life for Wisconsin residents and businesses; and

WHEREAS, the State of Wisconsin owns over 6,200 facilities with a total replacement value in excess of \$9.5 billion, costing more than \$125 million dollars annually in utility costs alone to operate; and

WHEREAS, high performance green building practices can substantially cut costs of operating and maintaining state buildings over the life of the building such that a small investment in green building design yields long-term financial benefits of more than ten times the initial investment while conserving energy, water, materials and land, and improving worker health and productivity; and

WHEREAS, the adoption of high performance green building standards in new and existing buildings will help protect the health and well-being of our children, students, employees and citizens; and

WHEREAS, Wisconsin state agencies, through their practices and through public/private partnerships, can have quantifiable, positive environmental and economic impacts; and

WHEREAS, Wisconsin is dedicated to the environmental health and safety of its employees, and to efficient and effective work environments in state-owned facilities; and

WHEREAS, the State of Wisconsin enjoys a unique and timely opportunity to design, construct, and renovate buildings for the twenty-first century that will serve the needs of our citizens and employees for years to come and that will incorporate a building's life cycle and reduced operating costs; and

WHEREAS, it is in the best interests of the people of Wisconsin that all state buildings constructed, expanded, or

renovated shall be modern facilities of the twenty-first century, combining energy-efficient design, environmentally sustainable systems, and maximum access and benefit to employees and the public;

NOW, THEREFORE, I, JIM DOYLE, Governor of the State of Wisconsin by the authority vested in me by the Constitution and the Laws of this State do hereby:

1. Direct the Department of Administration, in consultation with state agencies and the UW System, to set energy efficiency goals for state facilities, office buildings or complexes, and campuses for FY07, FY08, and FY09 by July 30th 2006. The goals should reduce overall actual energy usage per square foot by at least 10% by FY08 from the FY05 state energy report baseline adjusted for weather and 20% by 2010. I further direct the Department of Administration and state agencies to use all existing statutory authority in implementing measures to achieve these energy goals; and
2. Direct the Department of Administration, in consultation with state agencies and the UW System, to establish programs for energy analysis of state-owned buildings and identify reduced energy use under section 16.858 of the Wisconsin Statutes. In addition, any state agency responsible for state-owned facilities will examine the feasibility for a performance contract for energy and operational cost savings under section 16.858 of the Wisconsin Statutes. The Department of Administration will provide centralized reporting and coordination of comprehensive capital energy improvements; and
3. Direct the Department of Administration to work with the Building Commission and the Energy Center of Wisconsin to ensure that new state facilities are constructed to be 30% more energy efficient than commercial code; and
4. Direct the Department of Administration, in consultation with state agencies and UW System, to ensure better oversight and management of energy purchasing through measures such as utility billing audits, consolidation of accounts and utility bills, and proactive elimination of unnecessary utility accounts; and
5. Direct the Department of Administration to establish sustainable building operation guidelines (for owned and leased properties), which shall be adopted by the Division of State Facilities within six (6) months following the date of this order, based on the Leadership in Energy and Environmental Design (LEED[™]) Green Building Rating System for New Construction and Existing Buildings and other comparable sustainable guidelines and rating systems. The State guidelines will recognize the use of wood-based materials and products from the Forest Stewardship Council (FSC), American Tree Farm System (ATFS), and Sustainable Forest Initiative (SFI) certification programs. For certification, LEED[™] and other comparable sustainable guidelines and rating systems may be pursued and the Department of Administration will support projects that request certification as part of the initial project request. In addition, the State will give credit for the use of wood-based products and materials from FSC, ATFS and SFI certification programs when LEED[™] certification is pursued. These guidelines will apply to the operations and construction of all new buildings, additions and retrofit projects, including planning, siting, budgeting, design, construction and deconstruction. In addition, these guidelines will address sustainable operation and maintenance, including green cleaning, green purchasing waste reduction and recycling, pollution prevention, energy and water efficiency, and light pollution in existing buildings. The guidelines should include identifying performance data that will be measured to assess the effectiveness of the efforts and for benchmarking purposes. Progress and Outcomes will be reported annually to the Governor's office as well as the State of Wisconsin Building Commission; and

6. Direct that the Department of Administration, at a minimum, shall ensure that on each project the following approaches are implemented; an integrated design process including high performance green goal-setting charrettes; energy modeling used as a design tool and then truthed at the phase of construction documents on buildings more than 20,000SF or Advanced Building Guidelines for those up to 80,000SF; commissioning and retrocommissioning; review at completion of Schematic Design, Design Development documents and Construction Documents that the design intent of the green goals are incorporated into the documents and are being met; minimum indoor air quality approaches to construction; and, minimal ventilation requirements for indoor environmental quality that meet the current version of ASHRAE, now ASHRAE 62.1- 2004 Ventilation for Acceptable Indoor Air Quality. Further, the Department of Administration shall provide performance information on a project-by-project basis as part of a statewide building performance database; and
7. Direct the Department of Administration to pursue demonstration projects at state facilities, including the Capitol and Executive Residence, generate electricity and use alternative fuels for heating and cooling; and
8. Direct that each state agency and the UW System assign a lead person to work with the Department of Administration in the development of the sustainability and energy efficiency goals, the budget and management review, the purchasing of renewable energy, and the implementation of the sustainable building guidelines.

EXECUTIVE ORDER 146. Relating to a Proclamation that the Flag of the United States and the Flag of the State of Wisconsin be Flown at Half-Staff as a Mark of Respect for Lance Corporal Eric Palmisano of the United States Marine Corps Who Lost His Life During Operation Iraqi Freedom.

EXECUTIVE ORDER 147. Relating to Wisconsin's Leadership Role in the Development of Stem Cell Technology and Jobs.

EXECUTIVE ORDER 148. Relating to Department of Natural Resources Discretion of Administering Piers and Wharves Regulation in the State of Wisconsin.

WHEREAS, waterfront property owners deserve, to the greatest extent possible, certainty about their rights to place piers and wharves in the waters of the State; and

WHEREAS, the Wisconsin Legislature passed 2003 Wisconsin Act 118 which revised regulations in chapter 30 of the Wisconsin Statutes related to piers and similar structures, and I signed 2003 Wisconsin Act 118 into law on February 6, 2004; and

WHEREAS, Act 118 contemplated further action in order to create general categories of permissible pre-existing piers and wharves and permissible new piers and wharves; and

WHEREAS, my administration has successfully worked closely for more than 18 months with a broadly representative stakeholder group to develop mutually acceptable standards for permissible piers and wharves that reasonably balance the rights of waterfront property owners and of the public to access and enjoyment of the waters of the State; and

WHEREAS, the Department of Natural Resources has authority to administer the laws governing placement of piers and wharves in the waters of the State, including the ability to exercise enforcement discretion in administering those laws; and

WHEREAS, the 2006 boating season is quickly approaching;

NOW, THEREFORE, I, JIM DOYLE, Governor of the State of Wisconsin, by virtue of the authority vested in me by the Constitution and laws of the State of Wisconsin, do hereby:

1. Take this action to provide waterfront property owners certainty, to the fullest extent possible, as to their rights to place piers and wharves;
2. Direct the Department of Natural Resources to do the following:

EXECUTIVE OFFICE

- a. Not seek removal or modification of any pier or wharf originally placed by the waterfront property owner before February 6, 2004, provided that:
 - i. The pier or wharf does not exceed 8 feet in width;
 - ii. Does not have a wider loading platform at the waterward end of the pier that is more than 200 square feet or more than 300 square feet if it is no more than 10 feet wide;
 - iii. That the pier or wharf does not interfere with the rights of other waterfront property owners; and
 - iv. That the pier or wharf was not the subject of enforcement action initiated by the Department before February 6, 2004;
 - b. Continue to allow minor reconfigurations or relocations of any pier or wharf originally placed by the waterfront property owner before February 6, 2004, provided that the size of the pier or wharf is not increased;
 - c. Continue to recognize the terms of any existing permit or other written authorization for a pier or wharf provided that the pier or wharf is in compliance with the conditions of the permit or authorization;
 - d. Not seek removal or modification of any pier or wharf originally placed by the waterfront property owner on or after February 6, 2004, provided that:
 - i. The pier or wharf does not harm the public interest;
 - ii. The pier or wharf is no more than 6 feet wide except that a pier may have a loading platform at the waterward end that is not more than 8 feet wide and which is perpendicular to the pier; and
 - iii. The pier or wharf meets existing length and boat slip density standards;
 - e. Continue to implement the terms of s. NR 326.04 (1) with respect to pier length by allowing piers to extend the greater of the three foot depth contour or to the point where there is adequate depth for mooring a boat or using a boat hoist or boat lift in common use on the waterway;
 - f. Grant an individual permit for new piers or wharves on lakes 50 acres or more, for a property on which there are three (3) or more dwelling units or commercial structures, provided that the standards in s. 30.12 (3m), Stats., are met, and provided that the piers or wharves are not located in an area of special natural resource interest, and provided that the piers or wharves do not have more than the following number of boat slips, whichever is smaller:
 - i. Four (4) boat slips for the first 50 feet of the property's shoreline footage and no more than two (2) boat slips for each additional 50 feet of the property's shoreline footage; or
 - ii. One boat slip for each dwelling unit, plus an additional number of boat slips if the additional slips are open to the public and the use of the additional slips is limited to the transient docking of boats for less than 24 hours.
 - g. Continue to accept and review individual permit applications for any new or existing pier or wharf;
 - h. Continue its practice of refraining from ordering the removal of any pier or wharf or from denying a permit for any pier or wharf unless all reasonable alternatives are considered.
3. General Provisions.
- a. Nothing in this Executive Order creates any right, benefit, or trust responsibility, substantive or procedural, enforceable at law by a person against the State of Wisconsin, its agencies, or any person.
 - b. Nothing in this Executive Order shall require the Department of Natural Resources to violate or ignore any laws, rules, directives or other legal requirements or obligations imposed by state or federal law.
 - c. This Executive Order does not limit any person's rights or obligations otherwise provided by law.

EXECUTIVE ORDER 189. Relating to the Creation of the Commission on Reducing Racial Disparities in the Wisconsin Justice System.

WHEREAS, disparate treatment of people of color occurs across the spectrum of the criminal justice system throughout the nation; and

WHEREAS, African-Americans and Hispanics constitute a disproportionate percentage of incarcerated populations in Wisconsin; and

WHEREAS, in January 2007, the National Council on Crime and Delinquency reported that young African-Americans in Wisconsin are imprisoned at 18.4 times the rate of white youth and that young Hispanics in Wisconsin are imprisoned at 3.9 times the rate of white youth; and

WHEREAS, disproportionate minority contact has been an area of interest for the Wisconsin Sentencing commission, the Governor's Juvenile Justice Commission, and the Legislature's Black and Hispanic Caucus; and

WHEREAS, Wisconsin's leaders – from business, government, the justice system, and community groups – must be smarter and must work harder to help prevent people of color from entering the criminal justice system; and

WHEREAS, Wisconsin residents can benefit from a comprehensive and coordinated strategy to reduce racial disparities within the criminal justice system;

NOW, THEREFORE, I, JIM DOYLE, Governor of the State of Wisconsin, by the authority vested in me by the Constitution and the Laws of this State, and specifically by Wis. Stat. Section 14.019, do hereby:

1. Create the Commission on Reducing Racial Disparities in the Wisconsin Justice System (the "Commission");
2. Direct the Commission to:
 - a. Determine whether discrimination is built into the criminal justice system at each stage of the criminal justice continuum of arrest through parole; and
 - b. Recommend strategies and solutions to reduce the racial disparity in the Wisconsin criminal justice system;
3. Provide that members of the Commission shall be appointed by the Governor to serve at the pleasure of the Governor;
4. Provide that the members of the Commission will be comprised of no more than 24 members of stakeholders including representatives from law enforcement, the financial industry, the legislature, the legal profession, the clergy, the judiciary, and the criminal justice system;

EXECUTIVE OFFICE

5. Provide that there will be two (2) co-chairpersons of the Commission and that these co-chairpersons shall be designated by the Governor from among the Commission's membership;
6. Direct the Office of Justice Assistance to provide basic staff support to the Commission, and all state agencies to provide information and assistance to the Commission at its request; and
7. Direct the Commission to submit a final report on its findings and recommendations to the Governor by October 1, 2007, and that the Commission shall dissolve when its final report is accepted by the Governor

EXECUTIVE ORDER 190. Relating to a Proclamation that the Flag of the United States and the Flag of the State of Wisconsin be Flown at Half-Staff as a Mark of Respect for Lance Corporal Harry Timberman of the United States Marine Corps Who Lost His Life During Operation Iraqi Freedom.

EXECUTIVE ORDER 191. Relating to the Creation of the Governor's Task Force on Global Warming.

WHEREAS, a recent study by over 600 scientists from 40 countries reported the level of greenhouse gases in the world's atmosphere, such as carbon dioxide, are at their highest levels in over 650,000 years and world temperatures are estimated to increase by as much as 11.5 degrees Fahrenheit by the end of the century; and

WHEREAS, according to the National Academy of Sciences, today's temperatures are the highest they have been in over 2,000 years; and

WHEREAS, greenhouse gas emissions grew by 20 percent in the United States and by 26 percent in Wisconsin over the last decade; and

WHEREAS, there is broad scientific consensus on the need to reduce greenhouse gas emissions by 60 to 80 percent by 2050 in order to stabilize the climate and avoid the most serious effects of global warming; and

WHEREAS, failure to reduce greenhouse gas emissions could raise Wisconsin temperatures, increase the severity of droughts, further reduce water levels in Lake Michigan, destroy wetlands, harm croplands and forests, and harm public health, among other damaging effects; and

WHEREAS, many private businesses, individuals and municipalities throughout the United States are taking steps to reduce greenhouse gas emissions, improve energy efficiency and increase the use of renewable fuels; and

WHEREAS, the reduction of greenhouse gases along with increases in energy efficiency and the use of renewable energy will create new jobs and save Wisconsin citizens and businesses millions of dollars while significantly improving our quality of life;

NOW, THEREFORE, I, JIM DOYLE, Governor of the State of Wisconsin, by the authority vested in me by the Constitution and the Laws of this State, and specifically by Wis. Stat. Section 14.019, do hereby:

1. Establish the Governor's Task Force on Global Warming (the "Task Force"); and
2. Direct the Department of Natural Resources, with the assistance of the Public Service Commission, to lead an effort to establish an inventory of greenhouse gas emissions by sector and source type in Wisconsin along with an estimate of the same emissions for the year 1990; and
3. Provide that the Task Force will include up to 29 members of stakeholders including representatives from the farm, forestry, pulp and paper industry, automotive industry, electric utilities, environmental organizations, the university research community and other critical sectors; and
4. Provide that members of the Task Force shall be appointed by the Governor to serve at the pleasure of the Governor; and

5. Provide that there will be two (2) co-chairpersons of the Task Force and that these co-chairpersons shall be designated by the Governor from among the Task Force's membership; and
6. Provide that members of the Task Force may serve on the Task Force through designees; and
7. Provide that the Task Force shall have the following mission:
 - a. Present viable, actionable policy recommendations to the Governor to reduce greenhouse gas emissions in Wisconsin and make Wisconsin a leader in implementation of global warming solutions; and
 - b. Advise the Governor on ongoing opportunities to address global warming locally while growing our state's economy, creating new jobs, and utilizing an appropriate mix of fuels and technologies in Wisconsin's energy and transportation portfolios; and
 - c. Identify specific short term and long term goals for reductions in greenhouse gas emissions in Wisconsin that are, at a minimum consistent with the Wisconsin's proportionate share of the reductions that are needed to occur worldwide to minimize the impacts of global warming;
8. Require the Task Force to submit a final report on its findings and recommendations to the Governor on or before December 31, 2007, and that the Task Force shall dissolve when its final report is accepted by the Governor.

History: Signed, April 5, 2007.

EXECUTIVE ORDER 192. Relating to the Creation of the Office of Energy Independence.

WHEREAS, the state of Wisconsin has a long history of being a national leader in energy efficiency and renewable energy; and

WHEREAS, success in advancing the economy of renewable power, renewable fuels and bio-products will reduce Wisconsin citizens' and business' dependence on imported petroleum; and

WHEREAS, the Governor's Consortium on Bio-based Industry identified the bio-industry as one of Wisconsin's greatest opportunities to become a national industry leader, and in doing so, create good jobs, new sources of revenue for farmers and woodland owners, overall economic growth and environmental benefits, all at the same time; and

WHEREAS, the "Energy Independence" goals of obtaining 25 percent of our energy and fuel needs by 2025 from renewable sources, and becoming the market share leaders in renewable and green technologies, can be achieved by maximizing our state's unique agricultural and forestry assets, robust manufacturing sector and world class university and technical college systems; and

WHEREAS, meeting the 25 percent renewable energy and fuels goals and capturing 10 percent of the emerging renewable energy and bio-industry market would generate over 17,000 new, good-paying jobs and add over \$13.5 billion to Wisconsin's economy; and

WHEREAS, it is the policy of this Administration to provide consistent and strong leadership and a favorable policy environment that promotes innovation, entrepreneurship, technology development and business growth within both existing and new businesses; and

WHEREAS, meeting the "Energy Independence" goals will require a coordinated commitment and effort from Wisconsin state agencies in partnership with private citizens, industries and organizations;

NOW, THEREFORE, I, JIM DOYLE, Governor of the State of Wisconsin, by the authority vested in me by the Constitution and the Laws of this State, and specifically by Wis. Stat. Section 14.019, do hereby:

1. Establish the Office of Energy Independence (the "Office"), which shall have the following mission:
 - a. Advancing Wisconsin's vision for energy independence by generating 25 percent of our power and 25 percent of our transportation fuels from renewable resources by 2025;

WISCONSIN ADMINISTRATIVE CODE — EXECUTIVE ORDERS

- b. Capturing 10 percent of the emerging bio–industry and renewable energy market by 2030; and
- c. Becoming a national leader in groundbreaking research that will make alternative energies more affordable and create new, good–paying jobs in Wisconsin;
- 2. Direct that the Office be staffed by an Executive Director and sufficient staff to carry out the following tasks:
 - a. Ensure and facilitate the implementation of Wisconsin’s energy independence initiatives;
 - b. Serve as a single–point of contact to assist businesses, local units of government and NGOs that are pursuing bio–development, energy efficiency and energy independence;
 - c. Identify barriers to implementation of the Wisconsin’s energy independence initiatives;
 - d. Develop energy independence policy options for consideration by the Governor and state agencies;
 - e. Identify federal funding opportunities and facilitate applications for funding by both state/local government and private entities; and
 - f. Serve as the State Energy Office and perform duties necessary to maintain federal designation and federal funding.
- 3. Request the Public Service Commission to explore a multi–utility effort to build an integrated gasification combined cycle electric generation facility; and
- 4. Provide that an “Energy Independence Team” consisting of the Secretaries of Agriculture, Trade and Consumer Protection; Natural Resources; Administration; Commerce; and Financial Institutions, and the Chair of the Public Service Commission work to cooperatively guide Wisconsin’s bio–industry development strategies; and
- 5. Direct the Team agencies to provide additional staffing support to the Office of Energy Independence as necessary in consultation with the Executive Director; and
- 6. Measure success over the next four years as follows: increased renewable fuel production and consumption; increased renewable electricity production; decreased reliance on fossil fuels; increased renewable energy job growth and economic activity; increased private and federal funding for research, development and commercialization; and, increased use of bio–feed stocks as a replacement for petroleum.

EXECUTIVE ORDER 196. Relating to the Creation of the Governor’s Task Force on Campus Safety.

EXECUTIVE ORDER 197. Relating to the Creation of the Capital Area Regional Planning Commission.

WHEREAS, Wisconsin identified the need to address land use, water quality, transportation and environmental issues on a regional basis more than 40 years ago by authorizing the creation of regional planning commissions; and

WHEREAS, the Dane County Regional Planning Commission was created in 1970 by Governor Warren Knowles’ Executive Order # 22, and was dissolved in 2002 by Governor Scott McCallum’s Executive Order # 52; and

WHEREAS, local governments need to work together to meet challenges that transcend municipal boundaries and effectively protect the natural resources and beauty of the capital area, as well

as promote economic growth and sound land development practices; and

WHEREAS, Wis. Stat. s. 66.0309 (2) (b) allows governing bodies of local units of government to petition the State of Wisconsin requesting the creation of a regional planning commission; and

WHEREAS, governing bodies from local units of government in Dane County representing well in excess of 50% of the population of Dane County and well in excess of 50% of the equalized assessed valuation in Dane County have petitioned Governor Doyle by resolution to create the Capital Area Regional Planning Commission; and

WHEREAS, certified copies of the resolutions were filed with the Office of the Governor and have been found to be in proper form; and

WHEREAS, an agreement was reached by local governments in Dane County that represents an excellent example of local cooperation to protect and restore water quality and minimize water quality degradation while promoting economic development and sound land development practices; and

WHEREAS, the resolutions requesting the creation of the Capital Area Regional Planning Commission embody an agreement between the local units of government in Dane County that provides for an agency that is capable of developing effective water quality plans for Dane County; establishes a membership plan for the Commission that provides an equitable voice for all Dane County local governments; charges the Commission to develop a Water Quality Plan that will define areas to be protected from development, areas that can be developed with measures to protect, restore or minimize degradation of water quality; and establishes a Budget and Personnel Panel; and

WHEREAS, a hearing was held in Madison on the petitions from the governing bodies on December 20, 2006; and

WHEREAS, those citizens that provided public comments at the hearing or in conjunction with the hearing overwhelmingly endorsed the creation of the Capital Area Regional Planning Commission;

NOW, THEREFORE, I, JIM DOYLE, Governor of the State of Wisconsin, by the authority vested in me by the Constitution and the Laws of this State, and specifically by Wis. Stat. Section 66.0309, do hereby:

- 1. Create, effective immediately, consistent with Wis. Stat. s. 66.0309 (2), a regional planning commission to be known as the Capital Area Regional Planning Commission, which shall have jurisdiction in Dane County, as well as the cities of Edgerton, Fitchburg, Madison, Middleton, Monona, Stoughton, Sun Prairie and Verona; the villages of Belleville, Black Earth, Blue Mounds, Brooklyn, Cambridge, Cottage Grove, Cross Plains, Dane, Deerfield, DeForest, Maple Bluff, Marshall, Mazomanie, McFarland, Mount Horeb, Oregon, Rockdale, Shorewood Hills, Waunakee; and the towns of Albion, Berry, Black Earth, Blooming Grove, Blue Mounds, Bristol, Burke, Christiana, Cottage Grove, Cross Plains, Dane, Deerfield, Dunkirk, Dunn, Madison, Mazomanie, Medina, Middleton, Montrose, Oregon, Perry, Pleasant Springs, Primrose, Roxbury, Rutland, Springdale, Springfield, Sun Prairie, Vermont, Verona, Vienna, Westport, Windsor, and York;
- 2. Direct that, consistent with Wis. Stat. s. 66.0309 (3) (b), the membership of the Capital Area Regional Planning Commission shall be in accordance with the resolutions approved by the governing bodies of a majority of the local units of government within Dane County, including the membership plan as it is proposed within the referenced resolutions; and
- 3. Provide that nothing in this Executive Order shall be construed to contravene any applicable state or federal law
