Ins 6.01 Foreign company to operate 2 years before admission. Experience has demonstrated that until a company has engaged in the business of insurance for at least 2 years there is not a sufficient basis upon which to form a judgment as to whether its methods and practices in the conduct of its business are such as to safeguard the interests of its policyholders and the people of this state. Therefore, no application of a foreign insurance company or mutual benefit society for a license to transact business in Wisconsin will be considered until it has continuously transacted the business of insurance for at least 2 years immediately prior to the making of such application for license.

Ins 6.02 Company to transact a kind of insurance 2 years before admission. (1) Experience has demonstrated that until a company has engaged in a kind of insurance or in another kind of insurance of the same class for at least 2 years, there is not a sufficient basis upon which to form a judgment as to whether its methods and practices in the conduct of its business in such kind of insurance or another kind in the same class of insurance, are such as to safeguard the interests of its policyholders and the people of this state. Therefore, no application of a foreign insurance company or mutual benefit society for a license to transact a kind of insurance business in Wisconsin will be considered until it has continuously transacted that kind of insurance, or another kind of insurance in the same class of insurance as that for which it makes such application for at least 2 years immediately prior to making such application. For the purposes hereof, insurance is divided into kinds of insurance according to the provisions of s. Ins 6.75, each subsection setting forth a separate kind, and into classes of insurance upon the basis of and including the said kinds as follows:

- (a) Fire insurance includes the kinds in s. Ins 6.75 (2) (a).
- (b) Life insurance includes the kinds in s. Ins 6.75 (1) (a) and (b) but excluding all insurance on the health of persons other than that authorized in s. 627.06, Stats., and s. Ins 6.70.

(c) Casualty insurance includes the kinds in s. Ins 6.75 (2) (c) through (n).

(2) Provided, however, that nothing herein shall preclude consideration of an application to transact the kind of insurance in s. Ins 6.75 (1) (c) or (2) (c) if the applicant company has transacted any of the kinds of insurance in s. Ins 6.75 (1) (a) and (b) or (2) (d), (e), (k) and (n) continuously for 2 years immediately prior to the making of application for license to transact the kind of insurance in s. Ins 6.75 (1) (c) or (2) (c).

Ins 6.07 Insurance policy language simplification.

(1) **PURPOSE.** The purpose of this rule is to establish minimum standards for legibility, coherence and understandability in consumer insurance policies delivered or issued for delivery in the state of Wisconsin on or after the effective dates stipulated in sub. (8). Sections of statutes interpreted or implemented by this rule are ss. 631.20 (2) (a) and 631.22, Stats.

(2) **SCOPE.** This rule shall apply to “consumer insurance policies” as defined in sub. (3) and not exempted under sub. (5).

(3) **DEFINITIONS.** (a) In this section “consumer insurance policy” means a life, disability, property or casualty insurance policy, or a certificate or a substitute for a certificate for group life, disability, property or casualty insurance coverage, which is issued to a person for personal, family or household purpose and a copy of which is customarily, in the insurance industry, delivered or is required by law, rule or agreement to be delivered to the person obtaining insurance coverage.

(b) The term “text” as used in this section shall include all printed or electronic matter except the following:

1. The name and address of the insurer; the name, number or title of the consumer insurance policy; the table of contents or index; captions and subcaptions; specification pages, schedules or tables; and

2. Any such form language that is drafted to conform to the requirements of any federal law, regulation or agency interpretation; any form language required by any collectively bargained agreement; any medical terminology; any words which are defined in the form; and any form language required by state law or regulation; provided, however, the insurer identifies the language or terminology excepted by this subdivision and certifies, in writing to the commissioner, that the language or terminology is entitled to be excepted by this subdivision.

(4) **MINIMUM STANDARDS.** (a) In addition to any other requirements of law, no consumer insurance policy, unless excepted under sub. (5), shall be delivered or issued for delivery in this state on or after the dates such forms must be approved under this section, unless:

1. The text achieves a minimum score on the Flesch reading ease test as described in par. (b) or an equivalent score on any other

comparable test as provided in par. (c) unless a lower score is authorized under sub. (7) as follows:

a. For consumer insurance policies except consumer insurance policies that are described in s. 601.58 (2) (k), Stats., or property and casualty insurance policies, a minimum Flesch score of 50.

b. For all other policies included under this rule a minimum Flesch score of 40.

2. The form to be delivered to the consumer is an electronic form or printed form. The form shall comply with either of the following:

a. If the form is printed, it shall be in not less than 10-point type, one point leaded, except for specification pages, schedule and tables.

b. If the form is in electronic form, it shall appear as it will in final form and in not less than a 10-point font, except for specification pages, schedules and tables.

3. It is appropriately divided and captioned, presented in a meaningful sequence, and the style, arrangement and overall appearance of the policy enhance its understandability;

4. It contains a table of contents or an index of the principal sections of the policy if the policy contains more than 3,000 words or if the policy has more than 3 pages;

5. It contains a section listing exclusions and limitations, and if the exclusions and limitations also appear within the form the exclusions and limitations are given at least equal prominence;

6. It defines words and expressions which are not commonly understood, or whose commonly understood meaning is not intended;

7. Cross-referencing between sections of the policy is maintained at a minimum.

8. It contains words and phrases written in active voice.

(b) For the purpose of this section, a Flesch reading ease test score shall be measured by the following method:

1. For consumer insurance policies containing 10,000 words or less of text, the entire form shall be analyzed. For such forms containing more than 10,000 words, the readability of two 200-word samples per page may be analyzed instead of the entire form. The samples shall be separated by at least 20 printed lines.

2. The number of words and sentences in the text shall be counted and the total number of words divided by the total number of sentences. The figure obtained shall be multiplied by a factor of 1.015.

3. The total number of syllables shall be counted and divided by the total number of words. The figure obtained shall be multiplied by a factor of 84.6.

4. The sum of the figures computed under subds. 2. and 3. subtracted from 206.835 equals the Flesch reading ease score for the consumer insurance policy.

5. For purposes of subds. 2., 3., and 4., the following procedures shall be used:

a. A contraction, hyphenated word, or numbers and letters, when separated by spaces, shall be counted as one word;

b. A unit of words ending with a period, semicolon, or colon, but excluding headings and captions, shall be counted as a sentence; and

c. A syllable means a unit of spoken language consisting of one or more letters of a word as divided by an accepted dictionary. Where the dictionary shows 2 or more equally acceptable pronunciations of a word, the pronunciation containing fewer syllables may be used.

6. The title or name of a state or federal government organization or regulatory entity that is required to be used within the policy form may be excluded from the Flesch readability score.

(c) Any other reading test may be approved by the commissioner for use as an alternative to the Flesch reading ease test if it is comparable in result to the Flesch reading ease test.

(d) Paragraph (a) 5. and 8., do not apply to any policy otherwise excepted under sub. (5) or to a policy described in s. 601.58 (2) (k), Stats., or a property and casualty insurance policy as described in sub. (3) (a).

(5) EXEMPTIONS. This section does not apply to:

(a) Any policy that is a security subject to federal jurisdiction;

(b) Any group policy; however, this shall not exempt any certificate issued pursuant to a group policy delivered or issued for delivery in this state;

(c) Any group annuity contract that serves as a funding vehicle for pension, profit-sharing or deferred compensation plans;

(d) Renewal policies whose terms are not altered in any way. Changes in premium, monetary limits or language required by federal and state laws and regulations adopted after the effective date of this rule are not alterations under this section.

(e) Any form used in exchange, pursuant to a contractual provision, for an individual life policy delivered or issued for delivery on a form approved prior to the date that the form must be approved under this section.

(6) CERTIFICATION. Filings subject to this section shall be accompanied by a certificate signed by an officer of the insurer stating that it meets the minimum reading ease score or stating that the score is lower than the minimum required but should be approved in accordance with sub. (7). The actual readability score for each form shall be stated in the cover letter or as a data element in an electronic filing and the insurer shall fully identify the method or computer program used to determine the readability score. To confirm the accuracy of any certification, the commissioner may require the submission of further information to verify the certification in question.

(7) POWERS OF THE COMMISSIONER. The commissioner may authorize a lower score than the Flesch reading ease score required in sub. (4) (a) 1., whenever, at the sole discretion of the commissioner, it is found that a lower score: will provide a more accurate reflection of the understandability of a consumer insurance policy; is warranted by the nature of a particular form or type or class of such forms; or is caused by certain language which is drafted to conform to the requirements of any state law, rule or commissioner's interpretation.

(8) EFFECTIVE DATE. (a) This section shall apply to the following consumer insurance policies no later than 6 months after December 1, 1980:

1. Private passenger automobile.
2. Homeowners,
3. Dwelling fire,
4. Individual disability excluding disability income,
5. Medicare supplement,

(d) Any consumer insurance policy that has been approved prior to the effective date of this rule and meets the standards set

by this rule need not be refiled for approval but may continue to be lawfully delivered or issued for delivery in this state upon the filing with the commissioner of a list of the forms and accompanied by a certificate for each form in the manner provided in sub. (6).

(e) The dates in pars. (a), (b), (c) and (d) may be extended at the commissioner's sole discretion, but not beyond May 8th, 1982.

(9) POLICY ISSUANCE AND RENEWAL. (a) *Web site information.* Insurers authorized to offer consumer insurance policies shall provide information on its Web site describing how an insured may request or access a paper or an electronic copy of their in force consumer insurance policy. (b) *Printed or electronic copy access.* Unless otherwise excepted under sub. (5) or par. (c), insurers subject to this section on each renewal shall advise each policyholder that a printed or electronic copy of the complete in force consumer insurance policy with all modifications, amendments, riders and amendatory endorsements attached as filed with the commissioner since the issuance of the policy will be provided to the policyholder either in an electronic format within 5 business days upon receipt of the request or for a paper copy to be mailed within 10 business days upon receipt of the request.

Ins 6.08 Claimant representatives. (1) **PURPOSE.** This section provides limited regulatory guidelines concerning the activities of claimant representatives. This section also protects insurance consumers from practices that the commissioner finds to be unfair trade practices. The commissioner finds as unfair trade practices those practices in which a claimant representative requires property to be repaired by a specified repair facility or contractor for repairs, receives compensation for the referral of business to a repair facility or contractor for repairs, operates as a repair facility or contractor for repairs, participates in the insurance claim payments to a repair facility or contractor for repairs, fails to disclose to the consumer the method of compensation and fails to provide the consumer with copies of contracts entered into between the claimant representative and consumer. This section requires a claimant representative to disclose his or her method and manner of compensation to the consumer and prohibits a claimant representative from engaging in practices that create potential conflicts of interest. This section implements and interprets s. 628.34 (11) and (12), Stats. This section is in addition to, and does not affect, s. 757.30, Stats.

(2) **SCOPE.** This section applies to all claimant representatives transacting business in this state.

(3) **DEFINITIONS.** As used in this section:

(a) "Contractor for repairs" means the person, firm or corporation performing the repair work or furnishing the materials for the repair work, or both, for a building, dwelling or structure.

(b) "Claimant representative" means any person, except an attorney licensed to practice law in the state, who receives compensation from a claimant in exchange for representing or advising the claimant in negotiations for the settlement of a claim against an insurer arising out of the coverage provided by an insurance policy. A claimant representative does not include a person whose sole service to the claimant is to provide to the claimant an estimate or appraisal for repairs.

(c) "Repair facility" means the person, firm or corporation performing the repair work or furnishing the materials for the repair work, or both, for tangible personal property other than a building, dwelling or structure.

(4) **DISCLOSURE REQUIREMENTS.** (a) No claimant representative may accept compensation for performing services for or otherwise assisting a claimant with an insurance claim unless, prior to performing any services and prior to the claimant's assuming any obligation to pay for adjusting services, the claimant representative clearly and conspicuously discloses and explains to the claimant in writing the method and manner of receiving and accounting for compensation for services performed.

(b) A claimant representative shall submit to the claimant a copy of any written contract entered into between the claimant representative and claimant within 5 working days after the contract is signed by the claimant. A claimant representative shall commit to writing any oral agreement entered into between the claimant representative and claimant and shall submit a copy of the writing to the claimant within 10 working days after the agreement is made.

(5) **PROHIBITED PRACTICES.** (a) No claimant representative may require that repairs of property be performed by a specific repair facility or contractor for repairs.

(b) No claimant representative may receive any compensation from a repair facility or contractor for repairs for referring business to the repair facility or contractor for repairs.

(c) No claimant representative may operate as a repair facility or contractor for repairs or participate in any manner in the insurance claim payments to a repair facility or contractor for repairs.

Ins 6.09 Prohibited acts by captive agents of lending institutions and others. (1) **PURPOSE.** This rule implements and interprets applicable statutes, including but not limited to ch. 628, Stats., prohibiting concerted acts of boycott, coercion, or intimidation resulting in or tending to result in unreasonable restraint of the business of insurance as unfair methods of competition and as unfair or deceptive acts or practices in the business of insurance.

(2) **DEFINITIONS.** (a) *Agent.* A natural person, other than a captive agent, holding a valid and current certificate of registration as an insurance agent and one or more valid and current licenses to represent one or more admitted insurers in the solicitation and sale of policies of insurance in this state.

(c) *Captive agent.* An agent who is a director, officer, or employee of the lending institution which, in connection with a loan transaction, holds or acquires a security interest in real or personal property of a borrower.

(d) *Lending institution.* Any person, firm, association, or corporation, whether or not licensed or chartered by any agency of

government, which in the regular course of business lends money or credit to a borrower on the security of real or personal property in return for the borrower's promise to repay the consideration at a time subsequent.

(e) *Policy of insurance.* Any policy, certificate or memorandum of insurance affording in whole or in part any one or more of the kinds of insurance described, respectively, in any paragraph of s. Ins 6.75 (2).

(3) DECLARATION OF POLICY. (a) Every borrower in this state should be afforded a reasonable opportunity to purchase any policy of insurance, the form, content, and provisions of which have previously been approved by the office of the commissioner of insurance for use in this state, for the purpose of providing insurance coverage on real or personal property required by a lending institution to be placed in force by the borrower at the borrower's expense to protect its security interest in such real or personal property.

(b) Every borrower in this state should be afforded a reasonable opportunity to purchase a policy of insurance, from any insurer and through any agent currently licensed by the office of the commissioner of insurance to issue or sell in this state, which is designed to protect and which affords protection for security interests in real or personal property and which is required by a lending institution to be placed in force by the borrower at the borrower's expense for such purpose.

(c) At the minimum, every borrower in this state should be afforded the opportunity at any time within 30 days following initial inception of coverage and at any time within 30 days prior to any annual anniversary date of any existing policy to substitute for an existing policy insuring real or personal property of the borrower in which the lending institution has a security interest any other policy affording adequate limits of insurance with respect to such property provided that such replacement policy has been approved for use in this state, and the insurer currently licensed by the office of the commissioner of insurance.

(4) PROHIBITED ACTS. Each of the following acts is declared to constitute the commission, by concerted action, of an act of boycott, coercion, or intimidation resulting in or tending to result in unreasonable restraint of the business of insurance and is prohibited:

(a) *Refusal to accept policy.* 1. The solicitation or sale by a captive agent of any policy of insurance to a borrower or to a lending institution for the account of any borrower under which coverage is afforded for the security interest of such captive agent's lending institution in real or personal property of the borrower if such lending institution has refused or then refuses to accept for such purpose the policy of any insurer licensed in this state, the form, content, and provisions of which have previously been approved as appropriate for the insurance of such security interest on the property of such borrower by the office of the commissioner of insurance for use in this state.

2. The solicitation or sale by an agent of any policy of insurance to a borrower or to a lending institution for the account of any borrower under which coverage is afforded for the security interest of any lending institution in real or personal property of such borrower if such agent knows or in the exercise of reasonable care should have known that such lending institution has refused or then refuses to accept for such purpose the policy of any insurer licensed in this state, the form, content, and provisions of which have previously been approved as appropriate for the insurance of such security interest on the property of such borrower by the office of the commissioner of insurance for use in this state.

(b) *Restriction on replacement of existing policy.* 1. The solicitation or sale by a captive agent of any policy of insurance to a borrower or to a lending institution for the account of any borrower under which coverage is afforded for the security interest of such captive agent's lending institution in real or personal property of the borrower if such lending institution then imposes or

enforces any requirement or condition, whether or not assented thereto by a borrower, which abrogates or otherwise penalizes or restricts the right of any borrower, exercisable at any time within 30 days following initial inception of coverage and at any time within 30 days prior to any annual anniversary date of any existing policy effectively to substitute for an existing policy insuring real or personal property of the borrower in which the lending institution has a security interest any other policy approved by the office of the commissioner of insurance which affords adequate limits of insurance with respect to such property.

2. The solicitation or sale by an agent of any policy of insurance to a borrower or to a lending institution for the account of any borrower under which coverage is afforded for the security interest of any lending institution in real or personal property of such borrower if such agent knows or in the exercise of reasonable care should have known that such lending institution then imposes or enforces any requirement or condition, whether or not assented to by a borrower, which abrogates or otherwise penalizes or restricts the right of any borrower, exercisable at any time within 30 days following initial inception of coverage and at any time within 30 days prior to any annual anniversary date of any existing policy effectively to substitute for an existing policy insuring real or personal property of the borrower in which the lending institution has a security interest any other policy approved by the office of the commissioner of insurance which affords adequate limits of insurance with respect to such property.

(5) FREE CHOICE OF INSURANCE; TOWN MUTUAL INSURERS. (a) A person may not disapprove, under s. 628.34 (5), Stats., a policy of insurance issued by a town mutual insurer licensed in this state based wholly or partially on the ground that:

(b) "Written premium" means the entire amount of premium charged a policyholder for the term of the policy.

(4) PREMIUM IN EXCESS OF PRO RATA EARNED PREMIUM: FILING, RESTRICTIONS, DISCLOSURES. (a) An insurer shall file with the commissioner in accordance with s. 625.13, Stats., and s. Ins 6.06 any schedule of return premium applicable in the event of policy cancellation wherein the return of premium is less than the pro rata unearned premium for that policy form. The rate filing shall include the basis of the premium calculation in the event of a policy cancellation.

(b) Subject to par. (c), in any policy under which an insurer may return a premium that is less than the pro rata unearned premium, the insurer shall provide the policyholder with a separate written notice that the policyholder may pay a substantial penalty if the policyholder cancels the policy prior to its expiration date. No insurer may return a premium that is less than the pro rata unearned premium until at least 10 days after the insurer mails or delivers this written notice to the policyholder.

(3) **DEFINITIONS.** As used in this rule:

(a) "Call option" means an option contract under which the holder of the option contract has the right, in accordance with the terms of the contract, to purchase, or to make a cash settlement in lieu thereof, the amount of the underlying financial instrument covered by the option contract.

(b) "Financial futures contract" means an exchange-traded agreement to make or take delivery, or to make cash settlement in lieu thereof, of a specified amount of financial instruments on or before a specified date or period of time, under terms and conditions regulated by the commodity futures trading commission.

(c) "Financial instrument" means a security, currency, or index of a group of securities or currencies.

(d) "Financial options contract" means options on a financial futures contract and any other option contract for a financial instrument which is traded on an exchange, board of trade, or an over-the-counter market regulated under the laws of the United States.

(e) "Fixed charges" includes interest on all debt, and amortization of debt discount.

(f) "Money market mutual fund" means a fund that meets the conditions of 17 Code of Federal Regulations Par. 270.2a-7, under the Investment Company Act of 1940 (15 USC 80a-1 et seq.), as amended or renumbered.

(g) "Net earnings available for fixed charges" means income after allowance for operating and maintenance expenses, depreci-

ation and depletion, and taxes other than federal and state income taxes, but without allowance for extraordinary nonrecurring items of income or expense appearing in the regular financial statements of the issuing company. If the issuing company has acquired, prior to the date of investment, substantially all the assets of another company by purchase, merger, consolidation or otherwise, the net earnings available for fixed charges of the other company for the portion of the test period that preceded acquisition may be included in accordance with a consolidated earnings statement covering the period.

(h) "Net earnings available for fixed charges and dividends" shall be determined in the same manner as "net earnings available for fixed charges" but after allowance for federal and state income taxes.

(i) "Preferred dividend requirements" include dividends at the maximum prescribed rate on all stock ranking as to dividends on parity with or prior to that being acquired, whether or not the dividends are cumulative.

(j) "Put option" means an option contract under which the holder of the contract has the right, in accordance with the terms of the contract, to sell, or to make a cash settlement in lieu thereof, the amount of the underlying financial instrument covered by the put option contract.

(k) "Real estate" or "real property" includes leaseholds.

(L) "Repurchase transaction" means a transaction in which an insurer purchases securities from a business entity which is obligated to repurchase the purchased securities or equivalent securities from the insurer at a specified price, either within a specified period or upon demand.

(4) **GENERAL LIMITATIONS ON RESTRICTED INSURERS.** No insurer restricted under s. 620.03, Stats., may invest thereafter in any of the following classes of assets except by permission of the commissioner:

(a) Any securities of an issuer who has defaulted on any payment on any debt security within the previous 5 years;

(b) Any asset under s. 620.22 (9), Stats., or

(c) Any financial futures contract or financial options contract.

(5) SPECIAL LIMITATIONS ON RESTRICTED INSURERS OTHER THAN TOWN MUTUALS. An insurer which is restricted under s. 620.03, Stats., and which is not a town mutual, shall not invest:

(a) *Evidences of indebtedness.* In evidences of indebtedness under s. 620.22 (1), Stats., unless they are lawfully authorized and:

1. They are rated AAA, AA or A by Fitch Investors Service, Inc. or by Standard & Poor's Corporation, or Aaa, Aa or A by Moody's Investors Service, Inc.; or

2. They are evidences of indebtedness of a municipally owned public utility of this state created pursuant to section 3 of article XI of the constitution, and the net book value of the property pledged as security for the bonds has been established or approved by the public service commission and the total issue of the bonds does not exceed 50% of the net book value of such property; or

3. They are payable from revenues of a public utility or railroad owned by or held for the benefit of any governmental unit in the United States or Canada, if they are adequately secured by mortgage or lien on property or by specific pledge or revenues, and lawful authorizing resolutions or ordinance of the governing body of the unit require that during the life of the evidence of indebtedness the rates, fees, tolls or charges together with any other revenues pledged shall at all times produce revenues sufficient to pay all expenses of operation and maintenance, interest as promised and the principal sum when due; or

4. They are evidences of indebtedness of public utilities in the United States or Canada and are either adequately secured by mortgage, pledge or other collateral, or have had net earnings available for fixed charges that for the previous 3 fiscal years have averaged per year not less than 1 1/2 times the average annual fixed charges; or

5. They are evidences of indebtedness of a United States or Canadian private corporation, and they are either adequately secured by mortgage, pledge or other collateral, or are issued by a corporation which has had net earnings available for fixed charges that have averaged for the previous 5 years and equalled for each of the previous 2 years an annual amount which exceeded average annual fixed charges by at least 50%, or 25% in the case of corporations engaged primarily in wholesale or retail merchandising, installment, commercial and consumer financing, factoring or small loan business.

(b) *Equipment securities.* In equipment securities or in certificates of an equipment trust under sub. (8) (b) unless the obligor's net earnings have averaged at least 2 times its average annual fixed charges for the previous 3 years.

(c) *Real estate loans.* In real estate loans:

1. On the security of encumbered property, but property shall not be deemed encumbered because of unpaid but not delinquent assessments and taxes, mineral, oil or timber rights, easements for public highways, private roads, railroads, telegraph, telephone, electric light and power lines, drains, sewers or other similar easements, liens for service and maintenance of water rights when not delinquent, party wall agreements, building restrictions, or other restrictive covenants or conditions, with or without a reversionary clause, or leases under which rents or profits are reserved to the owner;

2. In excess of 2/3 of the fair market value, including buildings covered by the mortgage. If the value of buildings constitute part of the security, the buildings must be insured adequately to protect the insurer's security interest. The 2/3 limitation shall not apply to any loan fully insured by a federal insurance corporation; nor

3. On the security of a leasehold interest in real property unless it is unencumbered except by rentals owed to the owner of the fee, has at least 25 years yet to run, and then for no more than 50% of the fair market value of the leasehold less the present value of all rentals due upon it to the owner of the fee.

(d) *Preferred shares.* In preferred shares unless the issuing company has had, disregarding fixed charges on indebtedness and dividend requirements on preferred stock for the retirement of which provision has been made at the date of the investment, net earnings:

1. Available for fixed charges and dividends that during the previous 5 fiscal years have averaged not less than twice the sum of the fixed charges, maximum contingent interest and preferred dividend requirements of the issuing company; or

2. Available for fixed charges and dividends that for each of the previous 3 fiscal years have been not less than 1 1/2 times the sum of the fixed charges, maximum contingent interest and preferred dividend requirements of the issuing company; or

3. Available to meet preferred dividend requirements of the previous 5 years, after allowance for fixed charges and federal and state income taxes, that have averaged not less than 3 times the preferred dividend requirements.

(e) *Common stock.* In common stock except:

1. In accordance with a plan of acquisition proposed by the insurer and approved by the commissioner; and

2. In common stocks which are authorized securities for NASDAQ, the automated quotation system of the National Association of Securities Dealers.

(g) *Limitations on amount of investment.* 1. Except as permitted under subd. 2., more than 3% of assets in securities of any single issuer unless it obtains the prior written permission of the commissioner or unless the investment is in securities of the government of the United States or its instrumentalities or in securities guaranteed by the full faith and credit of the United States; or

2. More than 10% of assets in the securities of one state, of one instrumentality of a state, or of one governmental unit of a state.

(6) TOWN MUTUAL INSURANCE COMPANIES. (a) Town mutual insurance companies authorized to operate under the provisions of ch. 612, Stats., are restricted insurers and are subject to the restrictions of ss. 612.36 and 620.03 (1), Stats., sub. (4) and other applicable provisions of this section. The commissioner may grant exemptions under s. 620.03 (2), Stats.

2. A town mutual insurer may invest in a subsidiary only with the prior written approval of the commissioner and the investment may not exceed the amount approved by the commissioner or 10% of assets, whichever is less.

5. Any mutual fund not included in par. (b) or this paragraph that has a minimum four-star rating from Morningstar Mutual Funds Inc. Total investment under this paragraph shall not exceed 10% of assets in any single family of mutual funds and 25% of assets in aggregate.

9. Investments not otherwise permitted by this paragraph, and not specifically prohibited by statute or rule, to the extent of not more than 5% of the insurer’s assets.

(e) *Town mutual insurer reinsurer stock; grandfather provision.* A town mutual insurer is not required to divest stock described in par. (d) 3. a. which is held by the town mutual insurer on December 31, 1995. Any such stock:

1. Is an authorized investment;
2. Is not an asset invested in accordance with par. (b) for the purpose of determining under par. (c) whether an investment is authorized under par. (d); and
3. Shall be included for the purpose of determining compliance with the aggregate limit under par. (d) 3. The town mutual insurer is required under par. (f) to divest itself of any other investments which otherwise qualify under par. (d) 3. until it is in compliance or until the only investment qualifying under par. (d) 3. is the stock held on December 31, 1995.

(f) *Limitations on amount of investment.* A town mutual insurer may not invest:

1. Except as permitted under subd. 2., more than 3% of assets in securities of any single issuer unless it obtains the prior written permission of the commissioner or unless the investment is in securities of the government of the United States or its instrumentalities or in securities guaranteed by the full faith and credit of the United States; or

In addition, the commissioner may permit a longer period for divestment by approving a plan for transition to compliance with this rule as adopted on the effective date of this rule (1996).

(h) *Authorization of investments by the board of directors.* 1. The board of directors of a town mutual shall adopt a written plan for acquiring and holding investments and for engaging in investment practices which specifies guidelines as to the quality, maturity, diversification of investments and other specifications including investment strategies intended to assure that the investments and investment practices are appropriate for the business conducted by the insurer, its liquidity needs and the amount of its surplus. The board shall review and assess the company’s technical and administrative capabilities and expertise with regard to investments before adopting a written plan concerning any investment strategy or investment practice. The board shall give due consideration to all commissions and expenses associated with each investment, and the effect of such costs on anticipated returns and on liquidity.

2. All investments acquired and held under this section shall be acquired and held under the supervision and direction of the

board of directors of the town mutual insurer. The town mutual insurer board of directors shall require that all investments be authorized or approved by the board or a committee of the board charged with the responsibility to supervise and direct its investments in accordance with delegations, standards, limitations, and investment objectives prescribed by the board.

For those expense classifications permitting the basis Overhead on Salaries or Premiums, any other basis of allocation may be adopted which yields more accurate results. The bases Overhead on Salaries and Premiums shall not be used if clearly inappropriate.

d. Other Instructions Applicable

In making any allocations to lines of business, companies shall observe the General Instructions Regarding Allocation Bases (see s. Ins 6.30 (5) (a) 2.).

e. Records Required

The methods followed in allocating to lines of business shall be described, kept and supported as set forth under Detail of Allocation Bases (see s. Ins 6.30 (5) (a) 3. c.).

The effects of the application to each operating expense classification of all bases of allocation shall be shown on records kept in clear and legible form. Such records shall be readily available for examination.

(5) PART V. (a) Special instructions relating to the allocation of salaries and other expenses.

1. General Procedures in Allocating Salaries

a. Direct Allocations

Wherever possible, salaries of individuals or similarly employed groups shall be allocated direct to companies, expense groups, and lines of business. In other words, salaries of employees whose work is solely in connection with a specific company, expense group or line of business shall be allocated thereto.

b. Allocations Other Than Direct

When a direct allocation is not made, salaries, with certain exceptions hereinafter noted, shall be allocated on whichever of the following bases, or combinations thereof, are appropriate: Number of Items or Units, Time Studies, Overhead on Other Allocations, Premiums, Dollar Volume of Losses, and Other Special Studies.

All bases of allocation, and the application thereof, shall be subject to restrictions, modifications and exceptions in the General Instructions Regarding Allocation Bases which follow.

2. General Instructions Regarding Allocation Bases

a. Number of Items or Units

Item and unit counts may include Number of Premium Entries, Number of Policies, Number of Loss Entries, Number of Accidents, Number of Employees, and any other unit or item counts which aid in the allocation of expenses. To the greatest practical extent, such unit or item counts shall be applied only to expenses incurred in activities having a direct relationship to the bases.

In determining the applicability of Number of Premium Entries as a basis of allocation, consideration shall be given to the number of premiums on original policies plus additional premiums, return premiums, reinsurance premiums, and return premiums on reinsurance. Where more than one card is punched or more than one entry is made covering only one amount, consider-

ation shall be given procedural differences in connection with types of entries.

In determining the applicability of Number of Policies as a basis of allocation, consideration shall be given to policies underlying another policy, to policies covering more than one line of business, to policies for various terms, and to the effect on cost of procedural differences in connection with types of policies.

In determining the applicability of Number of Loss Entries as a basis of allocation, consideration shall be given to the number of gross entries plus salvage entries and reinsurance entries, for paid or outstanding losses, or both, and to the effect on cost of procedural differences in connection with types of loss entries.

In determining the applicability of Number of Accidents as a basis of allocation, consideration shall be given to accidents on which specific estimates are set up, those on which no specific estimate is made, and those for which no claim is made, and to the effect on cost of procedural differences in connection with types of accidents.

The basis Number of Employees is of limited application and shall be used only where the cost logically follows the number of employees. It may be of use, where properly weighted, in allocating such units as cafeteria, personnel department, and payroll department.

b. Time Studies

Time studies are actual measurements of time required to make motions, to complete a routine of regularly occurring procedure. In contemplating the use of a time study as a basis of allocation, consideration shall be given to the number of motions which must be studied to obtain a valid average and to possible distortions in the average caused by exceptional conditions during the study.

c. Overhead on Other Allocations

Salaries of supervisors and executives may be distributed as an overhead on the salaries of employees whom they supervise. Salaries of departments such as mail and general stenographic may be distributed as an overhead on the salaries of people whose work is handled. However, no salaries shall be distributed as an overhead on other allocations if any other basis is more appropriate.

d. Premiums

Premiums shall not be used as a basis of allocation except when specifically noted as a permissible basis or when the expense is incurred as a percentage of premiums (subject to instructions under Commission and Allowances in s. Ins 6.30 (3) (a) 2. c.), or when the expenses are logically allocable on the basis of premiums. In no event shall premiums be used as a basis of allocation in connection with clerical, technical, secretarial, office maintenance, supervisory and executive activities unless such basis is clearly appropriate and until all other reasonable bases of allocation have been considered and found less appropriate than premiums.

In determining the applicability of premiums as a basis of allocation, consideration shall be given to the applicability of direct and reinsurance premiums, and written, earned and unearned premiums, as well as to subdivisions thereof.

e. Dollar Volume of Losses

Dollar Volume of Losses shall be used as a basis of allocation only when the activities resulting in expense are influenced by the dollar amounts of losses, and only when all other reasonable bases

of allocation have been considered and found less appropriate than Dollar Volume of Losses.

In determining the applicability of Dollar Volume of Losses as a basis of allocation, consideration shall be given to the applicability of direct and reinsurance losses, and paid, incurred and outstanding losses as well as to subdivisions thereof.

f. Other Special Studies

Salaries may be allocated on the basis of other special studies, provided demonstrably more accurate results are thereby produced than through the use of the bases heretofore discussed, but not otherwise.

g. Weightings

Weightings may be applied in using any bases of allocation but the justification for such weightings shall be stated in the Detail of Allocation Bases (see s. Ins 6.30 (5) (a) 3. c.). Weightings shall not be used as a means for giving effect to a basis which is prohibited by these instructions.

h. Bases Shall be Appropriate

The bases of allocation used shall be appropriate and applicable to the expenses to which such bases are applied. All bases shall be limited and subdivided in such manner that the expenses to which the bases are applied have a reasonable relationship to each component of the bases. For example, an allocation basis which includes a particular line of business shall not be applied to expenses incurred for activities which do not include that line.

Any basis of allocation which is found to be inappropriate shall be discontinued.

i. General Work on Totals

Where an individual or a group of employees work on totals, the allocation of the expenses involved may be based on the information entering into the totals.

j. Bases Shall Be Made in Current Period

All bases of allocation shall be compiled or calculated from the transactions or procedures for the period applicable to the expenses to be allocated, unless the use of any other period is justified by investigation made during the applicable period. Such justification shall be set forth on the Detail of Allocation Bases (see s. Ins 6.30 (5) (a) 3. c.).

3. Special Statements and Records Required

The following types of records shall be prepared by each company or fleet in allocating salaries to companies, expense groups and lines of business: Allocation of Salaries, Recapitulation of Salaries, and Detail of Allocation Bases.

The Allocation of Salaries and the Recapitulation of Salaries shall be prepared either for the twelve months of the current calendar year, or for twelve months ending not earlier than September 30th of the current year, in which case the ratios established shall be applied to the total salaries for the twelve months of the current calendar year. The second method herein referred to shall not be followed if operations during the period used were materially different from operations during the period to which the ratios are to be applied. All amounts included in the operating expense classification Salaries, for the period used in preparing the Allocation of Salaries and the Recapitulation of Salaries shall be accounted for on such records.

Forms of the records are shown as Forms A through C at the close of s. Ins 6.30 (5). The forms may be of any convenient size, and may be entered in ink, type, or by other mechanical means, provided the entries are legible. If the organization or method of operation of any company is such as to make desirable changes in the forms such as a rearrangement of the columns, or a separation

of the forms into two or more parts, such changes may be made, provided the substituted forms do not, in any respect, show less information than called for on the forms shown herein, and do not result in confusing the presentation of salary allocation.

Such records shall be maintained in good order and shall at all times be readily available for examination.

a. Allocation of Salaries Form

First: The form, Allocation of Salaries, is shown as Form A. To aid in the understanding of the form, specimen entries have been made thereon and, as further aids to understanding, each column is explained in the following paragraphs:

Column 1: List each similarly employed unit within each departmental or other division in the organization. By "similarly employed" is meant employed in essentially the same or similar activities in or for the same department or other division.

The personnel shall be divided into as many units as necessary to show each type of work done by each departmental or other division in the organization. Employees whose duties are not solely related to the work performed by one unit, such as some in supervisory positions, shall be listed separately by title or job classification.

Column 2: Gross salaries applicable to each unit shown in Column 1.

Columns 3, 4 and 5: These columns are for use when the Salaries classification is affected by allocations made to other companies.

A separate line is to be used for the allocation to each company or group of companies. When intercompany allocations are not made, or when quota share percentages can be applied to fleet totals, Columns 3, 4 and 5 need not be used.

Designating numbers shall be entered in Column 4 for the methods used in intercompany allocations.

Column 6: Designating numbers shall be entered in this column for the methods used in allocating salaries to expense groups.

Columns 7 to 10: The amounts assigned to each expense group shall be in accordance with the method shown in Column 6. At the side of each expense group column (except the column Investment Expenses) is shown a narrower column captioned "Line Dist.," wherein shall be entered designating numbers for the methods to be followed in distributing salaries to lines of business.

Second: Pool and Quota Share Reinsurance. When quota share reinsurance is in effect and when salaries may be allocated in strict accordance with the quota share percentages, the amounts shown in the Allocation of Salaries Form may be those subject to quota share. Quota share percentages may, in such cases, be applied to the totals either on the Allocation of Salaries or the Recapitulation of Salaries.

Third: Branch and Field. Branch office salaries shall be shown separately in the Allocation of Salaries and in the Recapitulation of Salaries. In combining branch employees into similarly employed units, it shall be permissible to consider as a unit all similarly employed personnel in all branch offices having similar functions, and handling approximately the same relative volume of each line of business.

Fourth: Salary Reimbursements to Other Companies. Due to expense sharing with another company, outside of the company or fleet, debits may appear in the salary accounts for reimbursements to outside companies. Such payments are to payments amount to less than 10% of gross salaries paid by the company to its own employees, the amounts shown on the Allocation of Salaries may be distributed as an overhead on all other salary distribu-

tions. If more than 10%, the distribution shall be obtained from the other company.

Fifth: Salaries Not Specifically Reimbursable. When the employees of a company devote time to the affairs of another company, and the reimbursements therefor are handled in accordance with the instructions, Expenses for Account of Another or Income from Special Services (see s. Ins 6.30 (1) (b) 22. b. and 22. c.) the salaries for each similarly employed unit applicable to work done for such other company shall be shown separately on the Allocation of Salaries (in Columns 3 to 10 incl.).

b. Recapitulation of Salaries Form

When all distributions called for on the Allocation of Salaries Form have been completed, the Recapitulation of Salaries shall be made.

For each company to which salaries have been allocated on the Allocation of Salaries Form, the amounts shown in each expense group column shall be combined by the line distribution codes shown in the "Line Dist." columns. The totals thus obtained shall be entered on the Recapitulation of Salaries Form and allocated to lines of business in accordance with the line distribution codes.

The form, Recapitulation of Salaries, is shown in three parts, B-1, B-2, and B-3. B-1 is for Loss Adjustment Expenses, B-2 is for Acquisition, Field Supervision and Collection Expenses, and B-3 is for General Expenses. For purposes of illustration, the specimen entries, applicable to Company A, made on the Allocation

of Salaries Form have been continued on the Recapitulation of Salaries Form. Note that, for Company A, the figures in the expense group columns on the Allocation of Salaries Form have been combined by "Line Dist." codes, entered on the Recapitulation of Salaries Form, and then spread to lines of business based on the "Line Dist." codes.

c. Detail of Allocation Bases Form

The bases of allocation used on the Allocation of Salaries Form shall be fully described on the Detail of Allocation Bases Form. There shall be a separate sheet for each basis and the sheets shall be kept in consecutive numerical order, available at all times for examination.

When the basis of allocation cannot be fully described on the form, subsidiary worksheets, compilations and data shall be either attached to the form or filed separately and readily available.

The Detail of Allocation Bases Form and all subsidiary worksheets, compilations and data shall be clear and legible; shall show the sources, detail and dates of all figures used; shall disclose the names of persons or groups responsible for all compilations, data, calculations, studies, estimates, judgment factors, weightings, etc., and the dates thereof; and, in general shall include complete explanations of all figures used and decisions made.

Note: The Detail of Allocation Bases Form need not be prepared each year, but with appropriate changes in supporting worksheets, etc., may remain current as long as the bases are in effect.

The Detail of Allocation Bases Form is identified as Form C and four illustrations of the form are shown. The allocation bases No. 1, 101, 105 and 501 shown on the Allocation of Salaries Form have been carried into the forms and specimen explanations given.

Ins 6.31 Interpretations of the instructions for uniform classifications of expenses of fire and marine and casualty and surety insurers. (1) PURPOSE. (a) This rule is intended to implement and interpret uniform accounting instructions in s. Ins 6.30.

1. The following kinds of expense shall be allocated to indicated operating expense classifications.

Kind of Expense	Allocation to Operating Expense Classification
a. Payments, based on a percentage of premiums or losses, to independent claim adjusters where none of the activities of the payees are concerned with the production of business -----	Claim Adjustment Services
b. Payments, based on a percentage of premiums or losses, to independent attorneys-at-law for investigation, adjustment and settlement of claims where none of the activities of the payees are concerned with the production of business -----	Claim Adjustment Services
c. Cost of cafeteria equipment -----	Equipment
d. Salaries paid in connection with the operation of a company cafeteria -----	Salaries
e. Cost of food used in company cafeteria -----	Employee Relations and Welfare
f. Cost of food license fees in connection with the operation of a company cafeteria -----	Employee Relations and Welfare
g. Cost of telephone directory listings -----	Postage, Telephone and Telegraph, Exchange and Express
h. Fees paid in connection with stockholders' meetings, such as fees to tellers and inspectors of elections -----	Legal and Auditing
i. Payment to an independent efficiency engineer for an inside on-the-job analysis of a company's operations and procedures -----	Legal and Auditing
j. Cost of credit reports on agents -----	Surveys and Underwriting Reports
k. Payment made in settlement of damage suit brought by an agent because of the termination of contract -----	Miscellaneous
L. Premium for group life insurance coverage of janitor, in connection with company owned real estate -----	Real Estate Expenses

m. Cost of pensions, in connection with company owned real estate -----	Real Estate Expenses
Kind of Expense	Allocation to Operating Expense Classification
n. Service fees for servicing real estate owned -----	Real Estate Expenses
o. Service fees for servicing of mortgages held -----	Legal and Auditing
p. Cost of policy typing service, when such service is rendered by outside personnel (contract typists) -----	Miscellaneous
q. Cost of "outside" special assistance employed by a company for the purpose of changing its filing system from a numerical arrangement to a digit system -----	Legal and Auditing

2. a. When contingent commission payments are large in number and small in average amount, a method of allocation based on the over-all profit in each line of business should yield reasonably correct allocations.

b. Company-owned automobiles and equipment may be depreciated on a 100% basis.

c. A company may carry company-owned automobiles and equipment as an asset (non-admitted) and deduct depreciation each year.

d. Handling of certain filing charges: Where a company sells a policy to a long haul firm and that firm requests that the insuring company make a "filing" with a State Commerce Commission in a state in which it is not licensed and another insurance company on behalf of the first insurance company actually issues the policy and makes the required filing, charging a nominal fee for the transaction, the company receiving the fee should credit it to "Direct Premiums" and the company paying the fee should charge it to "Direct Premiums."

3. The following kind of expense shall be allocated to the indicated expense group:

Kind of Expense	Allocation to Expense Group
All expenses includable in Taxes, Licenses and Fees	Taxes, licenses and fees applicable solely to investments should be allocated to the expense group, Investment Expenses. All other taxes, licenses and fees should be allocated to the expense group, Taxes.

4. When commission on reinsurance is on a "sliding scale" or "guaranteed profit" basis both the tentative commission and any adjustments brought about by the "sliding scale" or "guaranteed profit" provisions should be allocated to Commission and Brokerage-Reinsurance Assumed or Commission and Brokerage-Reinsurance Ceded.

Note: To make clear the meaning of "sliding scale" and "guaranteed profits" the following is submitted:

SLIDING SCALE CONTRACTS

Most of these contracts provide for a flat commission ranging from about 30% to 37 1/2%, paid on a written basis. Additional profit commissions are paid at a later date on an earned basis as specified by a formula embodied in the contract. These profit commissions are paid as the result of savings in the loss ratio. A common provision is that 1/2% profit commission shall be paid for each 1% saving in the loss ratio.

Sometimes a portion of the scale may provide for a "1 for 1" profit commission, i.e., a full 1% profit commission for each 1% saving in the loss ratio.

For example, a contract may provide for a flat commission of 35%, with a "1/2 for 1" profit commission to be paid the ceding company for any saving in the loss ratio under 55%, until the profit commission reaches 10%, or a total commission of 45%.

Some contracts provide for a possible "return commission." In the preceding example, if the loss ratio should exceed the breaking point of 55%, then the ceding company might have to pay a return commission to the reinsurer on a "1/2 for 1" basis until return commissions of, say, 5% have been returned, thus reducing the ultimate net commission from 35% to 30%. If the loss ratio should run under 35% or exceed 65%, then such saving or loss would ordinarily be carried forward to the computation for the following year.

GUARANTEED PROFIT CONTRACTS

The most common form of "surplus aid" is the "guaranteed profit" contract. Its principal characteristic is that it transfers unearned premium reserve from the ceding company to the reinsurer and results in an immediate increase in the ceding company's surplus by the amount of the tentative commissions received, but because all such tentative commissions are subject to return to the reinsurer, does not actually relieve the ceding company of risk. The ceding company still remains exposed to the same risk as before. It is in the position of paying 2% to 5% of the ceded premiums to induce a reinsurer to sign a contract which has no ultimate effect other than to reduce its surplus by 2% to 5% of these premiums.

Guaranteed profit contracts are often written in a form similar to a quota share or portfolio of reinsurance contract, or a combination of both. The tentative commission is ordinarily 45% or 50%. The reinsurer's fee is generally 2%, 3%, or 5% of the amount ceded. Most quota-share type contracts are subject to monthly reporting and settlements. The contract usually provides for additional commissions to be increased by 1% for each 1% decrease in the loss ratio, and return commissions on the basis of 1% for each 1% increase in the loss ratio. An example follows:

Commissions -----	45%

Fee for reinsurer -----	3%

Loss ratio "breaking point"-----	52%

Total original premium -	100%

In a situation similar to the one illustrated, the ceding company pays to the reinsurer the gross reinsurance premiums less 45% commissions, or a net 55%. As losses are determined they are paid by the reinsurer until the ceding company has received back from the reinsurer losses recovered in an aggregate amount equal to 52% of the original premiums ceded (55% less 3%). Any additional losses are immediately charged back to the ceding company as "return commissions" on a "1 for 1" basis. On the other hand, any saving under 52% is returned to the ceding company in the form of additional commissions. The ultimate effect on the ceding company is the loss of 3% of its ceded premiums. The ceding company actually carries its own full risk throughout the entire period with respect to its gross business.)

5. Salvage and subrogation may be allocated as follows:

a. Where attention is given to salvage or subrogation matters at the same time as the adjustment of the loss is proceeding, no attempt will be made to allocate any portion of the adjuster's time to salvage (or subrogation) expense.

b. Where the salvage or subrogation activity follows the adjustment of the loss such additional time as may be required will be treated as salvage expense.

c. Any items of outside service such as advertising, expenses of outside organizations or rewards where paid by and billed to the company will be treated as salvage expense.

d. Cost of recovering stolen goods incurred by and billed to the company will be treated as salvage expense.

e. Where salvage is handled by outside agencies and their billing is made directly to the company, sufficient information should be given for proper classification of the related expenses.

f. It is understood that the classification of expenses as salvage expense is not dependent upon any salvage recovery.

6. a. The following employee activities should be allocated to expense groups on the basis of the purposes for which the tabulating, listing, filing or other jobs were performed: Cutting and verifying punched cards, sorting and tabulating punched cards, maintaining punched card files, and supervision thereof.

b. The salaries of the employees in service units, such as the following, providing services to other employees may be allocated to expense groups as overhead on the salaries of employees

in all other departments except executive officers: Mailroom, Personnel, First aid, Telephone operation, Office maintenance and Receptionists.

c. If an appreciable part of the time of employees handling purchases and supplies is devoted to furnishing supplies to agents, such salaries may be allocated to expense groups on the basis of a time estimate. Allocate to General Expenses that part of the time spent in working on supplies for agents; allocate remainder as Overhead on Salaries of employees in all other departments except executives.

d. When files are maintained and serviced in a separate department or at a central location, the salaries of employees engaged in this activity may be allocated to expense groups on the basis of a time estimate. That portion of time spent on policy files (daily reports, applications, endorsements, etc.) and that portion of time spent on general correspondence files may be allocated to General Expenses; that portion of time spent on active claim files may be allocated to Loss Adjustment Expenses; that portion of time on inactive claim files (dead files) may be allocated to General Expenses.

e. When a central abstract department is maintained for the mechanical reproduction of premium abstracts and claim abstracts for use by other departments, the salaries of these employees may be charged on the basis of a time estimate. That portion of time spent on claim abstracts may be allocated to Loss Adjustment Expenses and that portion of time spent on premium abstracts to General Expenses.

f. If a company maintains a general accounting unit and a cashier's unit (the duties of which include keeping the general ledger, general journal and general cash books) and no apportionment to Investment Expenses, to Loss Adjustment Expenses, or to Acquisition, Field Supervision and Collection Expenses is possible, except by using a rough estimation which is little better than a guess, the company may allocate the total expenses of these units to General Expenses in view of the impossibility of making reasonably accurate apportionments to expense groups.

7. If the salary of a non-supervisory employee predominantly pertains to the activities of one expense group, the whole of such salary may be allocated to that expense group.

(Note: By this interpretation, many salaries may be allocated directly and without fractional apportionment. As examples: a branch office or home office employee who is primarily concerned with the collection of premiums may be allocated wholly to Acquisition, Field Supervision and Collection Expenses, even though a lesser part of the activities may pertain to General Expenses; a branch office or home office underwriter who is primarily concerned with the acceptability of risks, net retentions, quoting of rates, etc., may be allocated wholly to General Expenses, although he or she may also engage, in a lesser extent, in production work, pertaining to Acquisition, Field Supervision and Collection Expenses; a special agent working on the development and maintenance of the sales field may be allocated wholly to Acquisition, Field Supervision and Collection Expenses, although he or she may also be concerned, to a lesser extent, in the adjustment of losses; key punch and tabulating machine operators, whose work is primarily statistical, may be allocated wholly to General Expenses, although the cards and tabulations may be used to some extent in collection and loss adjustment activities.)

8. The following describes an acceptable method of allocating to expense groups and lines of business the salaries of employees engaged in administrative and/or supervisor activities:

a. Salaries of executive heads, such as the president of a company, the chairperson of a company's board, and their secretaries, ordinarily should be distributed to expense groups and lines of business as an Overhead on Salaries of supervised personnel, after an apportionment to Investment Expenses. If any other methods are used, the allocations must be supported by detailed analyses of activities.

b. Salaries of other executive officers, department heads and supervisors ordinarily should be allocated on the basis of a study of time spent on the affairs of each of the departments or units supervised and then these salaries should be allocated to expense groups and lines of business as Overhead on Salaries of the employees in the respective departments or units. If any other methods are used, the allocations must be supported by detailed analyses of activities.

9. Includable in the operating expense classification, Boards, Bureaus and Associations, are the following: “Dues, assessments, fees and charges of:...underwriting syndicates, pools and associations such as Factory Insurance Association, Oil Insurance Association, assigned risk plans (except Commission and Brokerage; Claim Adjustment Services; and Taxes, Licenses and Fees);...”

(2) PROXIES, CONSENTS AND AUTHORIZATIONS. No domestic stock insurer, or any director, officer or employee of such insurer subject to sub. (1), or any other person, shall solicit, or permit the use of his or her name to solicit, by mail or otherwise, any proxy, consent or authorization in respect of any stock of such insurer in contravention of this rule.

(3) DISCLOSURE OF EQUIVALENT INFORMATION. Unless proxies, consents or authorizations in respect of a stock of a domestic insurer subject to sub. (1) are solicited by or on behalf of the management of such insurer from the holders of records of stock of such insurer in accordance with this rule prior to any annual or other meeting such insurer shall, in accordance with this rule and/or such further rules as the commissioner may adopt, file with the commissioner and transmit to all stockholders of record information substantially equivalent to the information which would be required to be transmitted if a solicitation were made.

(4) DEFINITIONS. (a) The definitions and instructions set out in schedule SIS — Stockholder Information Supplement (s. Ins 7.02) shall be applicable for purposes of this rule.

(b) The terms “solicit” and “solicitation” for purposes of this rule shall include:

1. Any request for a proxy, whether or not accompanied by or included in a form of proxy; or
2. Any request to execute or not to execute, or to revoke, a proxy; or
3. The furnishing of a proxy or other communication to stockholders under circumstances reasonably calculated to result in the procurement, withholding or revocation of a proxy.

(c) The terms “solicit” and “solicitation” shall not include:

1. Any solicitation by a person in respect of stock of which he or she is the beneficial owner;
2. Action by a broker or other person in respect to stock carried in his or her name or in the name of the nominee in forwarding to the beneficial owner of such stock soliciting material received from the company, or impartially instructing such beneficial owner to forward a proxy to the person, if any, to whom the beneficial owner desires to give a proxy, or impartially requesting instructions from the beneficial owner with respect to the authority to be conferred by the proxy and stating that a proxy will be given if the instructions are received by a certain date;

is furnished to stockholders, shall be filed with, or mailed for filing to, the commissioner not later than the date such material is first sent or given to the stockholders.

(d) Where any proxy statement, form of proxy or other material filed pursuant to these rules is amended or revised, 2 of the copies shall be marked to clearly show such changes.

(e) Copies of replies to inquiries from stockholders requesting further information and copies of communications which do no more than request that forms of proxy theretofore solicited be signed and returned need not be filed pursuant to sub. (7).

(10) PROHIBITION OF CERTAIN SOLICITATIONS. No person making a solicitation which is subject to this rule shall solicit any undated or postdated proxy or any proxy which provides that it shall be deemed to be dated as of any date subsequent to the date on which it is signed by the stockholder.

1. The statements required by par. (c) are filed by or on behalf of each participant in such solicitation.

2. No form of proxy is furnished to stockholders prior to the time the written proxy statement required by sub. Ins 6.41 Insider trading of equity securities of domestic stock insurers. (1) DEFINITIONS. (a) "Insurer" means any domestic insurance company with an equity security subject to the provisions of s. 611.31, Stats., and not exempt thereunder.

(b) "Officer" means a president, vice president, treasurer, actuary, secretary, controller and any other person who performs for the insurer functions corresponding to those performed by the foregoing officers.

(d) *Securities held of record.* 1. For the purpose of determining whether the equity securities of an insurer are held of record

by 100 or more persons, securities shall be deemed to be "held of record" by each person who is identified as the owner of such securities on records of security holders maintained by or on behalf of the insurer, subject to the following:

a. In any case where the records of security holders have not been maintained in accordance with accepted practice, any additional person who would be identified as such an owner on such records if they had been maintained in accordance with accepted practice shall be included as a holder of record.

b. Securities identified as held of record by a corporation, a partnership, a trust whether or not the trustees are named, or other organization shall be included as so held by one person.

d. Securities held by 2 or more persons as co-owners shall be included as held by one person.

e. Each outstanding unregistered or bearer certificate shall be included as held of record by a separate person, except to the extent that the insurer can establish that, if such securities were registered, they would be held of record, under the provisions of this rule, by a lesser number of persons.

f. Securities registered in substantially similar names where the insurer has reason to believe because of the address or other indications that such names represent the same person, may be included as held of record by one person.

2. Notwithstanding subd. 1.:

a. Securities held, to the knowledge of the insurer, subject to a voting trust, deposit agreement or similar arrangement shall be included as held of record by the record holders of the voting trust certificates, certificates of deposit, receipts or similar evidences of interest in such securities; provided, however, that the insurer may rely in good faith on such information as is received in response to its request from a nonaffiliated insurer of the certificates or evidences of interest.

b. If the insurer knows or has reason to know that the form of holding securities of record is used primarily to circumvent the provisions of s. 611.31, Stats., the beneficial owners of such securities shall be deemed to be the record owners thereof.

(e) "Class" means all securities of an insurer which are of substantially similar character and the holders of which enjoy substantially similar rights and privileges.

(2) TRANSACTIONS EXEMPTED FROM THE OPERATION OF S. 611.31 (4) (B), STATS. (3) RULES UNDER S. 611.31 (4) (A), STATS. (a) *Filing of statements.* Initial statements of beneficial ownership of equity securities required by s. 611.31 (4) (a), Stats., shall be filed on the form prescribed by s. Ins 6.42. Statements of changes in such beneficial ownership required by s. 611.31 (4) (a), Stats., shall be filed on the form prescribed by s. Ins 6.43. All such statements shall be prepared and filed in accordance with the requirements of the applicable form.

(b) *Ownership of more than 10% of an equity security.* In determining, for the purpose of s. 611.31 (4) (a), Stats., whether a person is the beneficial owner, directly or indirectly, of more than 10% of any class of any equity security, such class shall be deemed to consist of the total amount of such class outstanding, exclusive of any securities of such class held by or for the account of the insurer or a subsidiary of the insurer; except that for the purpose of determining percentage ownership of voting trust certificates or certificates of deposit for equity securities, the class of voting trust certificates or certificates of deposit shall be deemed to consist of the amount of voting trust certificates or certificates

of deposit issuable with respect to the total amount of outstanding equity securities of the class which may be deposited under the voting trust agreement or deposit agreement in question, whether or not all of such outstanding securities have been so deposited. For the purpose of this par. (b) a person acting in good faith may rely on the information contained in the latest annual statement form, prescribed by s. Ins 7.02, filed with the commissioner with respect to the amount of securities of a class outstanding or in the case of voting trust certificates or certificates of deposit the amount thereof issuable.

(c) *Disclaimer of beneficial ownership.* Any person filing a statement may expressly declare therein that the filing of such statement shall not be construed as an admission that such person is, for the purpose of s. 611.31, Stats., the beneficial owner of any equity securities covered by the statement.

(d) *Exemptions from s. 611.31 (4) (a) and (b), Stats.* 1. During the period of 12 months following their appointment and qualification, securities held by the following persons shall be exempt from s. 611.31 (4) (a) and (b), Stats.:

- a. Executors or administrators of the estate of a decedent;
- b. Guardians or committees for an incompetent; and
- c. Receivers, trustees in bankruptcy, assignees for the benefit of creditors, conservators, liquidating agents, and other similar persons duly authorized by law to administer the estate or assets of other persons.

2. After the 12-month period following their appointment or qualification the foregoing persons shall be required to file reports with respect to the securities held by the estates which they administer under s. 611.31 (4) (a), Stats., and shall be liable for profits realized from trading in such securities pursuant to s. 611.31 (4) (b), Stats., only when the estate being administered is a beneficial owner of more than 10% of any class of equity security of an insurer subject to s. 611.31, Stats.

3. Securities reacquired by or for the account of an insurer and held by it for its account shall be exempt from s. 611.31 (4) (a) and (b), Stats., during the time they are held by the insurer.

(e) *Exemption from 611.31, Stats., of securities purchased or sold by odd-lot dealers.* Securities purchased or sold by an odd-lot dealer in odd lots so far as reasonably necessary to carry on odd-lot transactions or in round lots to offset odd-lot transactions previously or simultaneously executed or reasonably anticipated in the usual course of business, shall be exempt from the provisions of s. 611.31, Stats., with respect to participation by such odd-lot dealer in such transactions.

(f) *Certain transactions subject to s. 611.31 (4) (a), Stats.* The acquisition or disposition of any transferable option, put, call, spread or straddle shall be deemed such a change in the beneficial ownership of the security to which such privilege relates as to require the filing of a statement reflecting the acquisition or disposition of such privilege. Nothing in this par. (f), however, shall exempt any person from filing the statements required upon the exercise of such option, put, call, spread or straddle.

(g) *Ownership of securities held in trust.* 1. Beneficial ownership of a security for the purpose of s. 611.31 (4) (a), Stats., shall include:

- a. The ownership of securities as a trustee where either the trustee or members of his or her immediate family have a vested interest in the income or corpus of the trust,
- b. The ownership of a vested beneficial interest in a trust, and
- c. The ownership of securities as a settlor of a trust in which the settlor has the power to revoke the trust without obtaining the consent of all the beneficiaries.

2. Except as provided in subd. 3., beneficial ownership of securities solely as a settlor or beneficiary of a trust shall be exempt from the provisions of s. 611.31 (4) (a), Stats., where less than 20% in market value of the securities having a readily ascer-

tainable market value held by such trust, determined as of the end of the preceding fiscal year of the trust, consists of equity securities with respect to which reports would otherwise be required. Exemption is likewise accorded from s. 611.31 (4) (a), Stats., with respect to any obligation which would otherwise be imposed solely by reason of ownership as settlor or beneficiary of securities held in trust, where the ownership, acquisition, or disposition of such securities by the trust is made without prior approval by the settlor or beneficiary. No exemption pursuant to this subdivision shall, however, be acquired or lost solely as a result of changes in the value of the trust assets during any fiscal year or during any time when there is no transaction by the trust in the securities otherwise subject to the reporting requirements of s. 611.31 (4) (a), Stats.

3. In the event that 10% of any class of any equity security of an insurer is held in a trust, that trust and the trustees thereof as such shall be deemed a person required to file the reports specified in s. 611.31 (4) (a), Stats.

4. Not more than one report need be filed to report any holdings or with respect to any transaction in securities held by a trust, regardless of the number of officers, directors or 10% stockholders who are either trustees, settlors, or beneficiaries of a trust, provided that the report filed shall disclose the names of all trustees, settlors and beneficiaries who are officers, directors or 10% stockholders. A person having an interest only as a beneficiary of a trust shall not be required to file any such report so long as he or she relies in good faith upon an understanding that the trustee of such trust will file whatever reports might otherwise be required of such beneficiary.

5. As used in this par. (g) the "immediate family" of a trustee means:

- a. A son or daughter of the trustee, or a descendant of either,
- b. A stepson or stepdaughter of the trustee,
- c. The father or mother of the trustee, or an ancestor of either,
- d. A stepfather or stepmother of the trustee,
- e. A spouse of the trustee. For the purpose of determining whether any of the foregoing relations exists, a legally adopted child of a person shall be considered a child of such person by blood.

6. In determining, for the purposes of s. 611.31 (4) (a), Stats., whether a person is the beneficial owner, directly or indirectly, of more than 10% of any class of any equity security, the interest of such person in the remainder of a trust shall be excluded from the computation.

7. No report shall be required by any person, whether or not otherwise subject to the requirement of filing reports under s. 611.31 (4) (a), Stats., with respect to an indirect interest in portfolio securities held by:

- a. A pension or retirement plan holding securities of an insurer whose employees generally are the beneficiaries of the plan,
- b. A business trust with over 25 beneficiaries.
8. Nothing in this par. (g) shall be deemed to impose any duties or liabilities with respect to reporting any transaction or holding prior to its effective date.

(h) *Exemption for small transactions.* 1. Any acquisition of securities shall be exempt from s. 611.31 (4) (a), Stats., where:

- a. The person effecting the acquisition does not within 6 months thereafter effect any disposition, otherwise than by way of gift, of securities of the same class, and
- b. The person effecting such acquisition does not participate in acquisitions or in dispositions of securities of the same class having a total market value in excess of \$3,000 for any 6 months' period during which the acquisition occurs.

2. Any acquisition or disposition of securities by way of gift, where the total amount of such gifts does not exceed \$3,000 in

market value for any 6 months' period, shall be exempt from s. 611.31 (4) (a), Stats., and may be excluded from the computations prescribed in subd. 1. b.

3. Any person exempted by subd. 1. or 2. shall include in the first report filed by him or her after a transaction within the exemption a statement showing acquisitions and dispositions for each 6 months' period or portion thereof which has elapsed since the last filing.

(i) *Exemption from s. 611.31 (4) (b), Stats., of transactions which need to be reported under s. 201.105 (1), Stats.* Any transaction which has been or shall be exempted from the requirements of s. 611.31 (4) (a), Stats., shall, insofar as it is otherwise subject to the provisions of s. 611.31 (4) (b), Stats., be likewise exempted from s. 611.31 (4) (b), Stats.

(4) RULES UNDER S. 611.31 (4) (B), STATS. (a) *Exemption from s. 611.31 (4) (b), Stats., of certain transactions effected in connection with a distribution.* 1. Any transaction of purchase and sale, or sale and purchase, of a security which is effected in connection with the distribution of a substantial block of securities shall be exempt from the provisions of s. 611.31 (4) (b), Stats., to the extent specified in par. (a) as not comprehended within the purpose of s. 611.31 (4) (b), Stats., upon the following conditions:

a. The person effecting the transaction is engaged in the business of distributing securities and in participating in good faith, in the ordinary course of such business, in the distribution of such block of securities;

b. The security involved in the transaction is a part of such block of securities and is acquired by the person effecting the transaction, with a view to the distribution thereof, from the insurer or other person on whose behalf such securities are being distributed or from a person who is participating in good faith in the distribution of such block of securities; or a security purchased in good faith by or for the account of the person effecting the transaction for the purpose of stabilizing the market price of securities of the class being distributed or to cover an over-allotment or other short position created in connection with such distribution; and

c. Other persons not within the purview of s. 611.31 (4) (b), Stats., are participating in the distribution of such block of securities on terms at least as favorable as those on which such person is participating and to an extent at least equal to the aggregate participation of all persons exempted from the provisions of s. 611.31 (4) (b), Stats., by this par. (a). However, the performance of the functions of manager of a distributing group and the receipt of a bona fide payment for performing such functions shall not preclude an exemption which would otherwise be available under this par. (a).

2. The exemption of a transaction pursuant to this par. (a) with respect to the participation therein of one party thereto shall not render such transaction exempt with respect to participation of any other party therein unless such other party also meets the conditions of this par. (a).

(b) *Exemption from s. 611.31 (4) (b), Stats., of acquisitions of shares of stock and stock options under certain stock bonus, stock option or similar plans.* Any acquisition of shares of stock (other than stock acquired upon the exercise of an option, warrant or right) pursuant to a stock bonus, profit sharing, retirement, incentive, thrift, savings or similar plan, or any acquisition of a qualified or a restricted stock option pursuant to a qualified or a restricted stock option plan, or a stock option pursuant to an employee stock purchase plan, by a director or officer of an insurer issuing such stock or stock option shall be exempt from the operation of s. 611.31 (4) (b), Stats., if the plan meets the following conditions:

1. The plan has been approved, directly or indirectly,

a. By the affirmative votes of the holders of a majority of the securities of such insurer present, or represented, and entitled to vote at a meeting held in accordance with the applicable laws of the state of Wisconsin, or

b. By the written consent of the holders of a majority of the securities of such insurer entitled to vote: provided, however, that if such vote or written consent was not solicited substantially in accordance with s. Ins 6.40 in effect at the time of such vote or written consent, the insurer shall furnish in writing to the holders of record of the securities entitled to vote for the plan substantially the same information concerning the plan which would be required by any such rules and regulations so prescribed and in effect at the time such information is furnished, if proxies to be voted with respect to the approval or disapproval of the plan were then being solicited, on or prior to the date of the first annual meeting of security holders held subsequent to the later of the date s. 611.31, Stats., first applies to such insurer; or the acquisition of an equity security for which exemption is claimed. Such written information may be furnished by mail to the last known address of the security holders of record within 30 days prior to the date of mailing. Four copies of such written information shall be filed with, or mailed for filing to, the commissioner not later than the date on which it is first sent or given to security holders of the insurer. For the purposes of subd. 1. b., the term "insurer" includes a predecessor corporation if the plan or obligations to participate thereunder were assumed by the insurer in connection with the succession.

2. If the selection of any director or officer of the insurer to whom stock may be allocated or to whom qualified, restricted or employee stock purchase plan stock options may be granted pursuant to the plan, or the determination of the number or maximum number of shares of stock which may be allocated to any such director or officer or which may be covered by qualified, restricted or employee stock purchase plan stock options granted to any such director or officer, is subject to the discretion of any person, then such discretion shall be exercised only as follows:

a. With respect to the participation of directors 1) By the board of directors of the insurer, a majority of which board and a majority of the directors acting in the matter are disinterested persons; 2) By, or only in accordance with the recommendations of, a committee of 3 or more persons having full authority to act in the matter, all of the members of which committee are disinterested persons; or 3) Otherwise in accordance with the plan, if the plan specifies the number or maximum number of shares of stock which directors may acquire or which may be subject to qualified, restricted or employee stock purchase plan stock options granted to directors and the terms upon which, and the times at which, or the periods within which, such stock may be acquired or such options may be acquired and exercised; or sets forth, by formula or otherwise, effective and determinable limitations with respect to the foregoing based upon earnings of the insurer, dividends paid, compensation received by participants, option prices, market value of shares, outstanding shares or percentages thereof outstanding from time to time, or similar factors.

b. With respect to the participation of officers who are not directors 1) By the board of directors of the insurer or a committee of 3 or more directors; or 2) By, or only in accordance with the recommendations of, a committee of 3 or more persons having full authority to act in the matter, all of the members of which committee are disinterested persons. For the purpose of this subd. 2., a director or committee member shall be deemed to be a disinterested person only if such person is not at the time such discretion is exercised eligible and has not at any time within one year prior thereto been eligible for selection as a person to whom stock may be allocated or to whom qualified, restricted or employee stock purchase plan stock options may be granted pursuant to the plan or any other plan of the insurer or any of its affiliates entitling the participants therein to acquire stock or qualified, restricted or employee stock purchase plan stock options of the insurer or any of its affiliates.

c. The provisions of this subd. 2. shall not apply with respect to any option granted, or other equity security acquired, prior to June 27, 1965.

3. As to each participant or as to all participants the plan effectively limits the aggregate dollar amount or the aggregate number of shares of stock which may be allocated, or which may be subject to qualified, restricted, or employee stock purchase plan stock options granted, pursuant to the plan. The limitations may be established on an annual basis, or for the duration of the plan, whether or not the plan has a fixed termination date; and may be determined either by fixed or maximum dollar amounts or fixed or maximum numbers of shares or by formulas based upon earnings of the insurer, dividends paid, compensation received by participants, option prices, market value of shares, outstanding shares or percentages thereof outstanding from time to time, or similar factors which will result in an effective and determinable limitation. Such limitations may be subject to any provisions for adjustment of the plan or of stock allocable or options outstanding thereunder to prevent dilution or enlargement of rights.

4. Unless the context otherwise requires, all terms used in this par. (b) shall have the same meaning as in s. 611.31, Stats., and in sub. (1). In addition, the following definitions apply:

a. The term "plan" includes any plan, whether or not set forth in any formal written document or documents and whether or not approved in its entirety at one time.

b. The definition of the terms "qualified stock option" and "employee stock purchase plan" that are set forth in sections 442 and 423 of the Internal Revenue Code of 1954, as amended, are to be applied to those terms where used in par. (b). The term "restricted stock option" as defined in section 424(b) of the Internal Revenue Code of 1954, as amended, shall be applied to that term as used in par. (b), provided, however, that for the purposes of par. (b) an option which meets all of the conditions of section 424(b) of the Internal Revenue Code of 1954, as amended, other than the date of issuance shall be deemed to be a "restricted stock option."

(c) *Exemption from s. 611.31 (4) (b), Stats., of certain transactions in which securities are received by redeeming other securities.* Any acquisition of an equity security (other than a convertible security or right to purchase a security) by a director or officer of the insured issuing such security shall be exempt from the operation of s. 611.31 (4) (b), Stats., upon condition that

1. The equity security is acquired by way of redemption of another security of an insurer substantially all of whose assets other than cash (or government bonds) consist of securities of the insurer issuing the equity security so acquired, and which

a. Represented substantially and in practical effect a stated or readily ascertainable amount of such equity security,

b. Had a value which was substantially determined by the value of such equity security, and

c. Conferred upon the holder the right to receive such equity security without the payment of any consideration other than the security redeemed;

2. No security of the same class as the security redeemed was acquired by the director or officer within 6 months prior to such redemption or is acquired within 6 months after such redemption;

3. The insurer issuing the equity security acquired has recognized the applicability of subd. 1. by appropriate corporate action.

(d) *Exemption of long term profits incident to sales within 6 months of the exercise of an option.* 1. To the extent specified in subd. 2., the commissioner hereby exempts as not comprehended within the purposes of s. 611.31 (4) (b), Stats., any transaction or transactions involving the purchase and sale, or sale and purchase, of any equity security where such purchase is pursuant to the exercise of an option or similar right either acquired more than 6 months before its exercise; or acquired pursuant to the terms of an employment contract entered into more than 6 months before its exercise.

2. In respect of transactions specified in subd. 1. the profits inuring to the insurer shall not exceed the difference between the proceeds of sale and the lowest market price of any security of the

same class within 6 months before or after the date of sale. Nothing in this par. (d) shall be deemed to enlarge the amount of profit which would inure to such insurer in the absence of this par. (d).

3. The commissioner also hereby exempts, as not comprehended within the purposes of s. 611.31 (4) (b), Stats., the disposition of a security, purchased in a transaction specified in subd. 1., pursuant to a plan or agreement for merger or consolidation, or reclassification of the insurer's securities, or for the exchange of its securities for the securities of another person which has acquired its assets, or which is in control, as defined in section 368(c) of the Internal Revenue Code of 1954, of a person which has acquired its assets, where the terms of such plan or agreement are binding upon all stockholders of the insurer except to the extent that dissenting stockholders may be entitled, under statutory provisions or provisions contained in the certificate of incorporation, to receive the appraised or fair value of their holdings.

4. The exemptions provided by this par. (d) shall not apply to any transaction made unlawful by s. 611.31 (4) (c), Stats., or by any rules and regulations thereunder.

5. The burden of establishing market price of a security for the purpose of this par. (d) shall rest upon the person claiming the exemption.

(e) *Exemption from s. 611.31 (4) (b), Stats., of certain acquisitions and dispositions of securities pursuant to merger or consolidations.* 1. The following transactions shall be exempt from the provisions of s. 611.31 (4) (b), Stats., as not comprehended within its purpose:

a. The acquisition of a security of an insurer, pursuant to a merger or consolidation, in exchange for a security of a company which, prior to said merger or consolidation, owned 85% or more of the equity securities of all other companies involved in the merger or consolidation except, in the case of consolidation, the resulting company;

b. The disposition of a security, pursuant to a merger or consolidation of an insurer which, prior to said merger or consolidation, owned 85% or more of the equity securities of all other companies involved in the merger or consolidation except, in the case of consolidation, the resulting company;

c. The acquisition of a security of an insurer, pursuant to a merger or consolidation, in exchange for a security of a company which, prior to said merger or consolidation, held over 85% of the combined assets of all the companies undergoing merger or consolidation, computed according to their book values prior to the merger or consolidation as determined by reference to their most recent available financial statements for a 12-month period prior to the merger or consolidation.

d. The disposition of a security, pursuant to a merger or consolidation, of an insurer which, prior to said merger or consolidation, held over 85% of the combined assets of all the companies undergoing merger or consolidation, computed according to their book values prior to merger or consolidation, as determined by reference to their most recent available financial statements for a 12-month period prior to the merger or consolidation.

2. A merger within the meaning of this par. (e) shall include the sale or purchase of substantially all the assets of one insurer by another in exchange for stock which is then distributed to the security holders of the insurer which sold its assets.

3. Notwithstanding the foregoing, if an officer, director or stockholder shall make any purchase (other than a purchase exempted by this par. (e)) of a security in any company involved in the merger or consolidation and any sale (other than a sale exempted by this par. (e)) of a security in any other company involved in the merger or consolidation within any period of less than 6 months during which the merger or consolidation took place, the exemption provided by this par. (e) shall be unavailable to such officer, director, or stockholder.

(f) *Exemption from s. 611.31 (4) (b), Stats., of certain securities received upon surrender of similar equity securities.* Any receipt

by a person from an insurer of shares of stock of a class having general voting power, upon the surrender by such person of an equal number of shares of stock of the insurer of a class which does not have general voting power, pursuant to provisions of the insurer's certificate of incorporation, for the purpose of and accompanied simultaneously or followed immediately by the sale of the shares so received, shall be exempt from the operation of s. 611.31 (4) (b), Stats., as a transaction not comprehended within its purpose, if the following conditions exist:

1. The person so receiving such shares is not an officer or director, or the beneficial owner, directly or indirectly, immediately prior to such receipt, of more than 10% of an equity security of the insurer;

2. The shares surrendered and the shares issued upon such surrender shall be of classes which are freely transferable and entitle the holders thereof to participate equally per share in all distributions of earnings and assets;

3. The surrender and issuance are made pursuant to provisions of a certificate of incorporation which requires that the shares issued upon such surrender shall be registered upon issuance in the name of a person or persons other than the holder of the shares surrendered and may be required to be issued as the right only in connection with the public offering, sale and distribution of such shares and the immediate sale by such holder of such shares for that purpose, or in connection with a gift of such shares;

4. Neither the shares so surrendered nor any shares of the same class, nor other shares of the same class as those issued upon such surrender, have been or are purchased (otherwise than in a transaction exempted by this par. (f)), by the person surrendering such shares, within 6 months before or after such surrender or issuance.

(g) *Exemption from s. 611.31 (4) (b), Stats., of certain transactions involving an exchange of similar securities.* Any acquisition or disposition of securities made in an exchange of shares of a class (or series thereof) of stock of an insurer for an equivalent number of shares of another class (or series thereof) of stock of the same insurer, pursuant to a right of conversion under the terms of the insurer's articles of incorporation or other governing instruments shall be exempt from the operation of s. 611.31 (4) (b), Stats., if

1. The shares surrendered and those acquired in exchange therefor evidence substantially the same rights and privileges except that, pursuant to the provisions of the insurer's articles of incorporation or other governing instruments, the board of directors may declare and pay a lesser dividend per share on shares of the class surrendered than on shares of the class acquired in exchange therefor, or may declare and pay no dividend on shares of the class surrendered; and

2. The transaction was effected in contemplation of a public sale of the shares acquired in the exchange; provided that par. (g) shall not be construed to exempt from the operation of s. 611.31 (4) (b), Stats., any purchase or sale of shares of the class surrendered and any sale or purchase of shares of the class acquired in the exchange (otherwise than in the transaction of exchange exempted by par. (g)) within a period of less than 6 months.

(5) RULES UNDER S. 611.31 (4) (C), STATS. (a) *Exemption of certain securities from s. 611.31 (4) (c), Stats.* Any security shall be exempt from the operation of s. 611.31 (4) (c), Stats., to the extent necessary to render lawful under such section the execution by a broker of an order for an account in which he or she has no direct or indirect interest.

(b) *Exemption from s. 611.31 (4) (c), Stats., of certain transactions effected in connection with a distribution.* Any security shall be exempt from the operation of s. 611.31 (4) (c), Stats., to the extent necessary to render lawful under such section any sale

made by or on behalf of a dealer in connection with a distribution of a substantial block of securities, upon the following conditions:

1. The sale is represented by an over-allotment in which the dealer is participating as a member of an underwriting group, or the dealer or a person acting on his or her behalf intends in good faith to offset such sale with a security to be acquired by or on behalf of the dealer as a participant in an underwriting, selling or soliciting-dealer group of which the dealer is a member at the time of the sale, whether or not the security to be so acquired is subject to a prior offering to existing security holders or some other class of persons; and

2. Other persons not within the purview of s. 611.31 (4) (c), Stats., are participating in the distribution of such block of securities on terms at least as favorable as those on which such dealer is participating and to an extent at least equal to the aggregate participation of all persons exempted from the provisions of s. 611.31 (4) (c), Stats., by this par. (b). However, the performance of the functions of manager of a distributing group and the receipt of a bona fide payment for performing such functions shall not preclude an exemption which would otherwise be available under this par. (b).

(c) *Exemption from s. 611.31 (4) (c), Stats., of sales of securities to be acquired.* 1. Whenever any person is entitled, as an incident to ownership of an issued security and without the payment of consideration, to receive another security "when issued" or "when distributed," the security to be acquired shall be exempt from the operation of s. 611.31 (4) (c), Stats., provided that:

a. The sale is made subject to the same conditions as those attaching to the right of acquisition, and

b. Such person exercises reasonable diligence to deliver such security to the purchaser promptly after the right of acquisition matures, and

c. Such person reports the sale on the appropriate form for reporting transactions by persons subject to s. 611.31 (4) (a), Stats.

2. This par. (c) shall not be construed as exempting transactions involving both a sale of a security "when issued" or "when distributed" and a sale of the security by virtue of which the seller expects to receive the "when-issued" or "when-distributed" security, if the 2 transactions combined result in a sale of more units than the aggregate of those owned by the seller plus those to be received by him or her pursuant to the right of acquisition.

(6) REGULATION UNDER S. 611.31 (4) (E), STATS. (a) *Arbitrage transactions under s. 611.31 (4) (e), Stats.* It shall be unlawful for any director or officer of an insurer to effect any foreign or domestic arbitrage transaction in any equity security of such insurer, unless he or she shall include such transaction in the statements required by s. 611.31 (4) (a), Stats., and shall account to such insurer for the profits arising from such transaction, as provided in s. 611.31 (4) (b), Stats. The provision of s. 611.31 (4) (c), Stats., shall not apply to such arbitrage transactions. The provisions of s. 611.31, Stats., shall not apply to any bona fide foreign or domestic arbitrage insofar as it is effected by any person other than such director or officer of the insurer.

Ins 6.42 Initial statement of beneficial ownership of securities. (1) PERSONS REQUIRED TO FILE STATEMENTS. A statement on Form 3 (shown at the end of this rule) of initial statement of beneficial ownership of securities is required to be filed by every person who is directly or indirectly the beneficial owner of

more than 10% of any class of any equity security of a domestic stock insurance company, or who is a director or an officer of such a company.

(2) WHEN STATEMENTS ARE TO BE FILED. (a) Beginning September 1, 1966, persons who hold any of the relationships specified in sub. (1) are required to file a statement within 10 days after assuming such relationship. Statements are not deemed to have been filed with the commissioner until they have actually been received by him or her.

(b) Persons who held any of the relationships specified in sub. (1) as of January 31, 1966, or who assumed such relationship(s) during the period of January 31, 1966 through August 31, 1966, are required to file such initial statement of beneficial ownership of securities by September 10, 1966.

(3) WHERE STATEMENTS ARE TO BE FILED. One signed copy of each statement shall be filed with the commissioner of insurance, P.O. Box 7873, Madison, Wisconsin 53707-7873.

(4) SEPARATE STATEMENT FOR EACH COMPANY. A separate statement shall be filed with respect to the securities of each company.

(5) RELATION OF REPORTING PERSON TO COMPANY. Indicate clearly the relationship of the reporting person to the company; for example, "Director", "Director and Vice President", "Beneficial owner of more than 10% of the company's stock", etc.

(6) DATE AS OF WHICH BENEFICIAL OWNERSHIP IS TO BE GIVEN. The information as to beneficial ownership of securities shall be given as of January 31, 1966, or, in the case of persons who subsequently assume any of the relationships specified in sub. (1), as of the date that relationship was assumed.

(7) TITLE OF SECURITY. The statement of the title of a security shall be such as clearly to identify the security even though there may be only one class; for example, "Class A Common Stock".

If the ownership is indirect, i.e., through a partnership, corporation, trust or other entity, indicate, in a footnote or other appropriate manner, the name or identity of the medium through which the securities are indirectly owned. The fact that securities are held in the name of a broker or other nominee does not, of itself, constitute indirect ownership. Securities owned indirectly shall be reported on separate lines from those owned directly and also from those owned through a different type of indirect ownership.

(9) STATEMENT OF AMOUNT OWNED. In stating the amount of securities beneficially owned, give the face amount of debt securities or the number of shares or other units of other securities. In the case of securities owned indirectly, the entire amount of securities owned by the partnership, corporation, trust or other entity shall be stated. The person whose ownership is reported may, if he or she so desires, also indicate in a footnote, or other appropriate manner, the extent of his or her interest in the partnership, corporation, trust or other entity.

(10) INCLUSION OF ADDITIONAL INFORMATION. A statement may include any additional information or explanation deemed relevant by the person filing the statement.

(11) SIGNATURE. If the statement is filed for a corporation, partnership, trust, etc., the name of the organization shall appear over the signature of the officer or other person authorized to sign the statement. (a) Beginning September 1, 1966, statements are required to be filed on or before the 10th day after the end of each month in which any change in beneficial ownership has occurred. Statements are not deemed to have been filed with the commissioner until they have actually been received by him or her.

(b) Statements for each month for the period January 31, 1966, through August 31, 1966, in which any changes in beneficial ownership have occurred shall be filed by September 10, 1966.

(3) WHERE STATEMENTS ARE TO BE FILED. One signed copy of each statement shall be filed with the commissioner of insurance, P.O. Box 7873, Madison, Wisconsin 53707-7873.

(4) SEPARATE STATEMENTS FOR EACH COMPANY. A separate statement shall be filed with respect to the securities of each company.

(5) RELATIONSHIP OF REPORTING PERSON TO COMPANY. Indicate clearly the relationship of the reporting person to the company; for example, "Director"; "Director and Vice President", "Beneficial owner of more than 10% of the company's common stock", etc.

(6) TRANSACTIONS AND HOLDINGS TO BE REPORTED. Every transaction shall be reported even though purchases and sales during the month are equal or the change involves only the nature of ownership; for example, from direct to indirect ownership. Beneficial ownership at the end of the month of all classes of securities required to be reported shall be shown even though there has been

no change during the month in the ownership of securities of one or more classes.

(7) TITLE OF SECURITY. The statement of the title of the security shall be such as clearly to identify the security even though there may be only one class; for example, "Class A Common Stock".

(9) STATEMENT OF AMOUNTS OF SECURITIES. In stating the amount of the securities acquired, disposed of, or beneficially owned, give the face amount of debt securities or the number of shares or other units of other securities. In the case of securities owned indirectly, i.e., through a partnership, corporation, trust or other entity, the entire amount of securities involved in the transaction or owned by the partnership, corporation, trust or other entity shall be stated. The person whose ownership is reported may, if he or she so desires, also indicate in a footnote, or other appropriate manner, the extent of his or her interest in the transaction or holdings of the partnership, corporation, trust or other entity.

(10) NATURE OF OWNERSHIP. Under "Nature of ownership", state whether ownership of the securities is "direct" or "indirect". If the ownership is indirect, i.e., through a partnership, corporation, trust or other entity, indicate in a footnote, or other appropriate manner, the name or identity of the medium through which the securities are indirectly owned. The fact that securities are held in the name of a broker or other nominee does not, of itself, constitute indirect ownership. Securities owned indirectly shall be reported on separate lines from those owned directly and from those owned through a different type of indirect ownership.

(11) CHARACTER OF TRANSACTION. If the transaction was with the issuer of the securities, so state. If it involved the purchase of securities through the exercise of options, so state and give the exercise price per share. If any other purchase or sale was effected otherwise than in the open market, that fact shall be indicated. If the transaction was not a purchase or sale, indicate its character; for example, gift, 5% stock dividend, etc., as the case may be. The foregoing information may be appropriately set forth in the table or under "Remarks" at the end of the table.

(12) INCLUSION OF ADDITIONAL INFORMATION. A statement may include any additional information or explanation deemed relevant by the person filing the statement.

(13) SIGNATURE. If the statement is filed for a corporation, partnership, trust, etc., the name of the organization shall appear over the signature of the officer or other person authorized to sign the statement. If the statement is filed for an individual, it shall be signed by him or her or specifically on his or her behalf by a person authorized to sign for him or her.

Ins 6.51 Group life and disability coverage termination and replacement. (1) PURPOSE. This section is intended to promote the fair and equitable treatment of group policyholders, insurers, employees and dependents, and the general public by setting out procedures to be followed when a group life or disability insurance policy is terminated or replaced, and to interpret ss. 632.79 and 632.897, Stats.

(2) SCOPE. This section shall apply to all group life and group disability policies covering employees or employees and dependents, issued by insurers providing insurance as defined in s. Ins 6.75 (1) (a) or (c) or (2) (c). It shall apply to blanket policies only if they provide 24-hour coverage for both injury and sickness; any blanket policy, covering any type of group, which provides for renewal shall be subject to subs. (4) and (5); any blanket policy covering students of a college or university, regardless of whether it provides for renewal, shall be subject to subs. (6) and (7). Subsection (4) (a) shall apply only to group policies as defined in sub. (3) (c) 2. Subsections (6) and (7) do not apply to excess or stop-loss insurance purchased under s. 120.13 (2) (c), Stats., by a county or school district that self-insures employee health benefits

(3) DEFINITIONS. (a) "Blanket policy" has the meaning in s. 600.03 (4), Stats.

(b) "Employee" means an employee of an employer or a member of a union or association or a student of a college or university.

(c) "Group policy:"

1. Means a policy or contract covering employees issued by an insurer to an employer, labor union, association or trust fund or, in the case of a blanket policy, a college or university, or a group type plan, except that;

2. In sub. (4) (a), means only a policy or contract issued by an insurer or a s. 185.981, Stats., co-operative or a group type plan issued by a ch. 613, Stats., corporation, providing hospital, surgical or medical expense coverage to or on behalf of an employer.

(d) A "group policy providing medical expense coverage" does not include a policy providing coverage for dental, vision care, hearing care or prescription drug expense coverage only.

(e) "Group policyholder" means an employer, labor union, association, trust fund or other entity responsible for making group policy premium payments to an insurer.

(f) "Group type plan" means an insurance plan using individual policies which meets the following conditions:

1. Coverage is provided to classes of employees defined in terms of conditions pertaining to employment or membership.

2. The coverage is not available to the general public and can be obtained and maintained only because of the covered person's connection with the particular organization or group.

3. Premiums are paid by the group policyholder to the insurer on behalf of covered employees, and

4. An employer, union, association or trust fund sponsors or authorizes the plan.

(g) "Individual policy" means an individual or family policy or subscriber contract issued by an insurer.

(h) "Insurer" means an insurance company subject to chs. 631 and 632, Stats., or a service insurance corporation subject to ch. 613, Stats.

(i) "Premium" means a policy premium or a subscriber contract subscription fee.

(j) "Pre-existing condition" means a disease or physical condition including pregnancy which manifested itself prior to the effective date of coverage through medical diagnosis or treatment or the existence of symptoms which would cause an ordinarily prudent person to seek diagnosis or treatment.

(k) "Validly covered" means that the individual involved was covered and met all policy requirements regarding eligibility for coverage, as opposed to an individual who was covered without having met all such requirements.

(4) EFFECTIVE DATE OF TERMINATION FOR NON-PAYMENT OF PREMIUM; NOTICE OF TERMINATION; LIABILITY OF INSURER. (a) A group policy subject to s. 632.79, Stats., as defined in sub. (3) (c) 2. may not be terminated by the insurer unless it has provided the termination notices required by s. 632.79 (2), Stats., except as provided in s. 632.79 (5), Stats. The insurer shall be liable for valid claims for covered losses as provided in s. 632.79 (3), Stats.

(b) Under a group policy other than one subject to s. 632.79, Stats., the insurer shall be liable for valid claims for covered losses incurred prior to the end of the grace period provided in the policy. This provision does not prevent a group policyholder from giving written notice of termination of the group policy, prior to the termination date, in accordance with the group policy terms, to reduce or eliminate the grace period.

(c) 1. The insurer shall also be liable for valid claims for covered losses beginning prior to the effective date of written notice of termination to the group policyholder if, after the end of the grace period provided in the policy:

a. It continues to recognize claims subsequently incurred for which recognition is not required by an applicable extension of coverage provision, or

b. It fails to request that the group policyholder notify covered employees of the termination and, except for life and disability income coverages, describe their rights, if any, upon termination.

2. The effective date of termination shall not be prior to midnight at the end of the third scheduled work day after the date on which the notice is delivered.

3. This paragraph shall not apply if a group policy is terminated and immediately replaced by another group policy providing similar coverage.

(5) CONTENT OF NOTICE OF TERMINATION. (a) A notice of termination given by an insurer to a group policyholder in accordance with sub. (4) (a) or (c) shall include:

1. The date as of which the group policy will be terminated,

2. A request to notify covered employees of the termination and, except for life and disability income coverages, the rights, if any, available to them under the group policy,

3. A statement that, unless otherwise provided in the group policy, the insurer will not be liable for claims for losses incurred after the termination date, and

4. If the group policy involves employee contributions, a statement that, if the group policyholder continues to collect contributions for the coverage beyond the date of termination, the group policyholder may be held solely liable for the benefits with respect to which the contributions have been collected.

(b) At the same time, the insurer shall furnish to the group policyholder for distribution to covered employees a supply of a notice form indicating the termination, its effective date and the rights, if any, available to them upon termination, except that, for life and disability income coverages, the notice need only urge the covered employees to refer to their certificate or individual policy to determine what rights, if any, are available upon termination.

(6) EXTENSION OF COVERAGE. (a) A group policy shall, if a covered employee or dependent is totally disabled at the date of termination of the policy, provide an extension of coverage for the individual, beginning at the date of termination of the group policy and continuing during the period of total disability as provided in this subsection.

(b) Under a group life policy which contains a disability benefit extension of any type, such as premium waiver extension, extended death benefit in event of total disability, or payment of income for a specified period during total disability, the termination of the group policy shall not operate to terminate the extension.

(c) Under a group policy providing benefits for loss of time from work or a specific indemnity during hospital confinement, termination of the group policy during a period of total disability or confinement shall have no effect on benefits payable for the condition or conditions causing continuing total disability or continuing confinement. The extension of coverage provision for loss of time benefits may provide for the integration of social security disability or retirement benefit increases which occur after the date of termination of the group policy only if integration of these benefit increases is also applicable prior to termination of the group policy.

(d) Under a group policy providing hospital, surgical or medical expense coverages, the extension of coverage shall be at least 12 months under major medical or comprehensive medical coverage and at least 90 days under other hospital, surgical or medical expense coverage, subject to the following:

1. Coverage need not be extended beyond the date on which:

a. Total disability terminates,

b. The benefit period specified in the policy ends,

c. The maximum benefit is paid or

d. Coverage for the condition or conditions causing total disability is provided under similar coverage, other than temporary coverage under sub. (7m) (b) 2., under the succeeding insurer's group policy.

2. Extended coverage need not cover dental or uncomplicated pregnancy expenses or a condition other than the condition or conditions causing total disability.

3. The extension of coverage is not required where the succeeding insurer agrees, or the prior and succeeding insurers agree, to provide coverage, for individuals who are totally disabled at the date of termination of the group policy, which is not less favorable to them than would otherwise be required by this paragraph.

4. After the termination of extended basic hospital, surgical or medical expense coverage, extended major medical expense coverage shall cover expenses eligible under the major medical expense coverage which are normally covered under the basic coverage, subject to subd. 1.

5. A policy providing hospital, surgical or medical expense coverage which covers only expenses in excess of those covered by basic hospital-surgical-medical expense coverage and major medical coverage or comprehensive medical coverage, issued to the same group policyholder, need not provide extended coverage if the underlying coverage provides extended coverage.

Note: The effect of sub. (6) (d), with respect to pregnancy expense coverage, is to require that extended coverage provide benefits only for pregnancy complication expenses, to be consistent with s. Ins 6.55 (4) (b) 5. However, employers and insurers may wish to consider the provisions of federal public law 95-555 enacted October 31, 1978, which requires that employers subject to it provide benefits for pregnancy, including extended benefits, under employee benefit programs to the same extent that benefits are provided for injury and sickness. Also, the equal rights division of the Wisconsin department of workforce development has taken the position, based on Wisconsin case law, that the Wisconsin fair employment act, ss. 111.31-37, Stats., applies to temporary disability resulting from pregnancy and requires that employee benefit programs provide loss of time benefits for temporary disability resulting from pregnancy, including extended benefits, to the same extent that such benefits are provided for injury and sickness.

(e) A provision for extending coverage shall be contained in each group policy as well as in corresponding certificates.

(f) The benefits payable during any period of extended coverage shall be subject to the group policy's regular coverage limits. The extended coverage shall terminate at the end of a normal benefit period or when the maximum benefit amount has been paid.

(7) LIABILITY OF PRIOR INSURER. The prior insurer shall be liable only to the extent of its extensions of coverage. Its liability shall be the same whether the group policyholder secures replacement coverage from another insurer, self-insures or declines to provide the group with insurance.

(7m) LIABILITY OF SUCCEEDING INSURER. The succeeding insurer shall be liable as provided in this paragraph where its group policy replaces another providing similar coverage:

(a) *Regular coverage.* Regular coverage shall be provided under the succeeding insurer's group policy to:

1. Each employee who is eligible for coverage in accordance with the succeeding insurer's group policy provisions regarding classes eligible and actively at work requirements.

2. Each dependent who is eligible for coverage in accordance with the succeeding insurer's group policy provisions regarding classes eligible and non-hospital confinement requirements.

3. A dependent of a disabled employee if the dependent is eligible for coverage in accordance with the succeeding insurer's group policy provisions regarding classes eligible and non-hospital confinement requirements and if the disabled employee is covered under the succeeding insurer's group policy, and

4. Each terminated insured who has elected to continue coverage under s. 632.897 (3), Stats.

(b) *Temporary coverage.* Each employee or dependent not covered under the succeeding insurer's group policy in accordance with par. (a) shall be provided with temporary coverage by the succeeding insurer, for losses occurring or beginning under the replacement policy, subject to:

1. Temporary coverage need be provided only if the individual was validly covered under the prior group policy on the date of its termination and meets the requirements necessary to be a member of an eligible class under the succeeding insurer's group policy, other than requirements for working full time, part time or a stated number of hours.

2. The coverage to be provided by the succeeding insurer shall be the coverage of the prior group policy reduced by any benefits payable under such policy. The benefits of the succeeding insurer's group policy shall be determined after the benefits of the prior group policy have been determined.

3. Temporary coverage shall be provided by the succeeding insurer until the first of:

a. The date the individual becomes eligible under the coverage and under the circumstances described in par. (a).

b. For each type of coverage, the date the individual's coverage would terminate in accordance with the succeeding insurer's group policy provisions regarding individual termination of coverage, such as at termination of employment or when ceasing to be an eligible dependent.

c. For an individual who is totally disabled on the effective date of the succeeding group policy, under a type of coverage for

which sub. (6) requires an extension of coverage, the end of any period of extended coverage required of the prior insurer or, if the prior insurer's group policy was not subject to sub. (6), would have been required of the prior insurer had its group policy been so subject.

(c) *Pre-existing conditions.* If the succeeding insurer's group policy contains a pre-existing condition limitation, the coverage for these conditions of persons becoming covered by the succeeding group policy under par. (a) or (b), during the period the limitation applies under that group policy, shall be the lesser of:

1. The coverage of the succeeding group policy determined without application of the limitation and

2. The coverage of the prior group policy determined after application of any such limitation contained in the policy.

(d) *Deductibles and waiting periods.* The succeeding insurer, in applying any deductibles or waiting periods contained in its group policy, including pre-existing condition waiting periods, shall give credit for the satisfaction or partial satisfaction of the same or similar provisions under the prior group policy, to the extent that the prior and succeeding group policies provide similar coverage. Deductible provision credit shall be given for the same or overlapping benefit periods for expenses incurred and applied against the deductible provisions of the prior group policy during the 90 days preceding the effective date of the succeeding group policy, but only to the extent that these expenses are recognized under the succeeding group policy and are subject to a similar deductible provision.

(e) *Determination of prior insurer's coverage.* Where a determination of the prior insurer's coverage is required by the succeeding insurer, the prior insurer, at the succeeding insurer's request, shall furnish a statement of the coverage available and a copy of pertinent group policy provisions to permit the succeeding insurer to verify the coverage statement or make its own coverage determination. Coverage of the prior group policy shall be determined in accordance with the definitions, conditions and covered expense provisions of that group policy rather than those of the succeeding group policy. The coverage determination shall be made as if coverage had not been replaced by the succeeding insurer.

(8) MORE FAVORABLE PROVISIONS PERMITTED. This section sets out minimum requirements. It does not prohibit a group policyholder and an insurer from agreeing to policy provisions which are more favorable to insured persons.

(9) EFFECTIVE DATE. As provided in s. 227.22, Stats., this section shall take effect on the first day of the month following its publication.

4. Establishing a rate based on the record of all drivers of an insured automobile;
5. Establishing a rate based on the number of people residing in a household.

(c) Nothing in par. (a) or (b) shall be interpreted in any way as limiting the prohibitions contained in ss. 106.52 (3) (a) 4. and 632.35, Stats.

Ins 6.55 Discrimination based on sex, unfair trade practice. (1) **PURPOSE.** The purpose of this rule is to eliminate the act of denying benefits or refusing coverage on the basis of sex, to eliminate unfair discrimination in underwriting criteria based on sex, and to eliminate any differences in rates based on sex which cannot be justified by credible supporting information. This rule interprets and implements s. 601.01 (3), Stats., and ch. 628, Stats.

2. Restrict, modify, or reduce the benefits, term, or coverage on the basis of the sex of the applicant or insured.

(b) Examples of unfair trade practices defined by par. (a) and prohibited by this rule are:

1. Denying coverage to females gainfully employed at home, employed part-time, or employed by relatives when coverage is offered to males similarly employed;
2. Denying benefits offered by policy riders to females when the riders are available to males;
3. Denying, under group contracts, dependent coverage to husbands of female employees, when dependent coverage is available to wives of male employees;
4. Denying disability income coverage to employed women when coverage is offered to men similarly employed;
5. Treating complications of pregnancy differently from any other illness or sickness under a contract;
6. Restricting, reducing, modifying, or excluding benefits payable for treatment of the genital organs of only one sex;
7. Offering lower maximum monthly benefits to women than to men who are in the same underwriting, earnings or occupational classification under a disability income contract;
8. Offering more restrictive benefit periods and more restrictive definitions of disability to women than to men in the same underwriting, earnings or occupational classification under a disability income contract;
9. Establishing different conditions by sex under which the policyholder may exercise benefit options contained in the contract.

(5) **RATES.** When rates are differentiated on the basis of sex, the insurer must:

- (a) File a brief letter of explanation along with a rate filing.
- (b) Maintain written substantiation of such rate differentials in its home office.

The agent validation report is a computer-generated report prepared by the office of the commissioner of insurance. (a) If the reason for termination is one of the reasons listed as other criteria in s. Ins 6.59 (5) (d) or the insurer has knowledge the producer was found by a court, government body, or self-regulatory organization authorized by law to have engaged in any of the activities listed in s. Ins 6.59 (5) (d), the insurer must submit complete explanations and documentation in writing to OCI within 30 days of the termination.

(b) If the insurer has knowledge of complaints received or problems experienced by the company involving company indebtedness, forgery, altering policies, fraud, misappropriation, misrepresentation, failure to promptly submit applications or premiums, poor policyholder service involving the intermediary being terminated, the insurer must submit complete explanations and documentation in writing to OCI within 30 days of the termination. This documentation need not prove violations, but should include situation where possible violations exist. The Office of the Commissioner of Insurance will investigate these situations and take appropriate action based upon the investigation.

(c) The insurer or the authorized representative of the insurer shall promptly notify the insurance commissioner in writing if, upon further review or investigation, the insurer discovers additional information that would have been reportable to the insurance commissioner under par. (a) or (b) had the insurer then known of its existence.

(3) In addition each insurer shall pay once each year, in accordance with an assigned billing schedule and in a payment type prescribed by the commissioner, the annual appointment fee defined in sub. (4), within 30 days after the mailing of a payment notice to such insurer showing the amount due for all individuals serving as agent for such insurer, according to the commissioner's records as of the notice date. The notification shall include a copy of the initial suit documents, the intermediary's explanation of what happened to cause the civil proceedings, the intermediary's reasons why no action should be taken regarding the intermediary's license and any other relevant legal documents.

(17) RECORDS MAINTAINED BY INSURERS. An insurer shall inform its intermediaries in writing of the requirements of this section and may, by written agreement, assume the responsibility to maintain these records for an individual intermediary if the records can be made immediately available to the commissioner of insurance on demand.

Ins 6.66 Proper exchange of business. (1) The purpose of this rule is to interpret s. 628.61, Stats., regarding the proper exchange of business between agent intermediaries.

(2) Proper exchange of business means the forwarding of insurance business from one agent who cannot, after due consideration, place the business with any of the insurers for which the agent is listed because of capacity problems, the refusal of the company to accept the risk or the onerous conditions it imposes on the insured, to another agent licensed for those lines of insurance whose insurers are able to accommodate the risk under conditions more favorable to the insured. The agent forwarding the business is entitled to split the commission involved. Proper exchange of business is not the regular course of business and such forwarding of business is thereby distinguished from brokerage by its occasional and exceptional nature.

(3) No agent may properly exchange business with another agent, unless:

(a) The agent forwarding the business to a listed agent is licensed for the lines of business that are being exchanged;

(b) The agent who receives the business and agrees to place it is licensed in the line or lines of insurance involved in the exchange; and

(c) Both the agent forwarding the business and the agent who places the business with the insurer sign the insurance application, or if no application is completed, the names of the agents involved in the transaction appear on the policy issued.

(4) No agent shall accept business solicited by another intermediary-agent which he or she knows, or has reason to know, is not exchanged in compliance with the provisions of this rule.

(5) (a) In the absence of evidence to the contrary, an intermediary-agent shall be presumed to have exceeded the occasional exchange of business if he or she places more than 5 insurance risks per calendar year with any single insurer with which he or she is not listed as an intermediary-agent, or exchanges in total more than 25 insurance risks per calendar year.

(b) The burden of showing that specialty lines, non-standard and professional liability business placed through surplus lines intermediaries in accordance with s. 618.41, Stats., or written on an excess rate or other individually rated risk basis beyond the limits prescribed for other exchanges of business in par. (a) is occasional and otherwise in compliance with this rule, shall be upon the intermediary-agent soliciting and forwarding such business.

(6) The exchange of business among intermediary-agents and participation by intermediaries in risk sharing plans approved according to ch. 619, Stats., shall not be limited in any way by this section.

Ins 6.67 Unfair discrimination in life and disability insurance. (1) PURPOSE. The purpose of this rule is to identify specific acts or practices in life and disability insurance found to be unfairly discriminatory under s. 628.34 (3) (b), Stats.

Note: The need for a rule has arisen because of questions as to whether life and disability insurers are in all cases fairly "charging different premiums or offering different terms of coverage except on the basis of classifications related to the nature and degree of the risk covered." (s. 628.34 (3), Stats.) The main purpose of the rule is to make clear that life and disability insurers cannot classify individuals arbitrarily—without a rational basis for each decision.

(2) APPLICABILITY AND SCOPE. This rule shall apply to all life and disability insurance policies delivered or issued for delivery in Wisconsin on or after January 1, 1980 and to all existing life and disability group, blanket and franchise insurance policies subject to Wisconsin insurance law which are amended or renewed on or after January 1, 1980.

(2m) DEFINITIONS. In this section:

(a) "Disability insurance" has the meaning given under s. Ins 6.75 (1) (c).

(b) "Territorial classification" means an arrangement of persons into categories based upon geographic characteristics other than zip code.

(3) SPECIFIC EXAMPLES. The following are specific examples of unfair discrimination under s. 628.34 (3) (b), Stats.

(a) Refusing to insure, or refusing to continue to insure, or limiting the amount, extent or kind of coverage available to an individual or charging a different rate for the same coverage solely because of physical or mental impairment, other than blindness or partial blindness, except where the refusal, limitation or rate differential is based on sound actuarial principles or is related to actual or reasonably anticipated experience.

(b) Except as provided in subds. 1. and 2., refusing to insure, or refusing to continue to insure, or limiting the amount, extent or kind of coverage available to an individual, or charging an individual a different rate for the same coverage solely because of blindness or partial blindness.

1. Individuals who are blind or partially blind may be subject to standards based on sound actuarial principles or actual or reasonably anticipated experience with respect to any other condition they may have, including a condition which is the cause of the blindness or partial blindness.

2. Refusal to insure under sub. (3) includes a denial of disability insurance on the basis that the policy presumes disability if the insured loses his or her eyesight. However, an insurer may exclude from coverage, or apply a waiting period, to coverage of treatment of blindness or partial blindness if that condition exists at the time the policy is issued.

(4) INSURER RESPONSIBILITY. An insurer has the burden of proof to show that an act, standard or practice of the insurer is based on sound actuarial principles or is related to actual or reasonably anticipated experience in any action to enforce s. 628.34 (3) (b), Stats. For the anticipated experience to be reasonable it must be based on medical or actuarial research on morbidity or mortality.

(5) SEXUAL ORIENTATION. (a) An insurer may not use sexual orientation in the underwriting process or in the determination of insurability, premium, terms of coverage, or nonrenewal.

(b) No insurer may include any inquiry about the applicant's or insured's sexual orientation in an application for disability or life insurance coverage or directly or indirectly investigate in connection with an application for disability or life insurance coverage the applicant's or insured's sexual orientation.

(c) No insurer may use the marital status, occupation, gender, medical history, beneficiary designation, or the zip code or territorial classification of an applicant or insured or any other factor to

establish, or aid in establishing, the applicant's or insured's sexual orientation.

Ins 6.68 Unfair discrimination based on geographic location or age of risk. (1) PURPOSE. The purpose of this rule is to identify specific acts or practices found to be unfair trade practices that are unfairly discriminatory under s. 628.34, Stats.

(2) APPLICABILITY AND SCOPE. This rule shall apply to property and casualty insurance contracts delivered or issued for delivery in Wisconsin on or after the effective date of the rule.

(3) SPECIFIC EXAMPLES OF UNFAIR TRADE PRACTICES UNDER S. 628.34, STATS. The following are hereby identified as specific acts or practices which are unfairly discriminatory.

(a) Making or permitting any unfair discrimination between individuals or risks of the same class and of essentially the same hazards by refusing to issue, refusing to renew, cancelling or limiting the amount of insurance coverage on a property or casualty risk because of the geographic location of the risk, unless:

1. The refusal, cancellation or limitation is for a business purpose which is not a mere pretext for unfair discrimination, or

2. The refusal, cancellation or limitation is required by law or regulatory mandate.

Note: Paragraph (a) is intended to prohibit insurance underwriting shortcuts which unfairly label risks as poor risks because of their geographic location. A refusal, nonrenewal, cancellation or limitation of insurance coverage is prohibited if the reason for such refusal, nonrenewal, cancellation or limitation is the geographic location of the risk. An exception to this general rule is provided, however, in situations where the refusal, nonrenewal, cancellation or limitation is based upon a legitimate business need and the refusal, nonrenewal, cancellation or limitation is not a mere pretext for unfair discrimination. Examples of such situations include refusals to insure when the risk is located in areas prone to natural catastrophes, i.e., earthquakes, floods, hurricanes, and refusals to insure because the insurer already has a very high concentration of risks in a particular geographic area. It is intended that the person charged with a violation of this rule be given the burden of proof in establishing any "business purpose" exception. The burden of proving that a refusal, nonrenewal, cancellation or limitation of insurance coverage is not subterfuge for unfair discrimination should likewise fall upon the person charged with a violation of this rule.

(b) Making or permitting any unfair discrimination between individuals or risks of the same class and of essentially the same hazards by refusing to issue, refusing to renew, cancelling or limiting the amount of insurance coverage on a residential property risk of 4 units or less, or the personal property contained therein, because of the age of the residential property, unless:

1. The refusal, cancellation or limitation is for a business purpose which is not a mere pretext for unfair discrimination, or

2. The refusal, cancellation or limitation is required by law or regulatory mandate.

(c) Refusing to insure a risk solely because the applicant was previously denied coverage, terminated by another insurer or had obtained coverage in a residual market.

History: Cr. Register, September, 1979, No. 285, eff. 10-1-79; r. (4) under s. 13.93 (2m) (b) 16., Stats., Register, December, 1984, No. 348.

Ins 6.70 Combinations of lines and classes of insurance. This rule defines and delimits the permissible combinations of the lines and classes of insurance defined and delimited by s. Ins 6.75 which may be written in the same policy. Except as provided in this rule, lines and classes of insurance may not be combined in the same policy.

(1) COMBINATION WITH SEPARATE PREMIUM CHARGES. Subject to s. Ins 2.05, any combination of the lines and classes of insurance defined and delimited by s. Ins 6.75, except for those described in s. Ins 6.75 (2) (h), (i) and (k), may be written in the same policy if a statement of separate premium charge is shown on the declarations page or on the face of the policy or in a separate written state-

ment furnished to the policyholder. The requirement for a statement of separate premium charge does not prohibit such charges equitably reflecting differences in expected losses or expenses as contemplated by s. 625.11 (4), Stats.

(2) COMBINATION WITH OR WITHOUT SEPARATE PREMIUM CHARGES. Any combination of the lines and classes of insurance defined and delimited by s. Ins 6.75 (2) (a), (b), (d), (e), (f) and (j) may be written in the same policy with or without showing separate premium charges.

Ins 6.72 Risk limitations. (1) Except as otherwise provided by law or by order of the commissioner, no single risk assumed by any insurance company shall exceed 10% of surplus as regards policyholders, except that in an assessable mutual company it may be a greater amount not exceeding 3 times the average policy or 1/4 of 1% of the insurance in force, whichever is the greater. Upon the business mentioned in s. Ins 6.75 (2) (h), the maximum single risk may be a greater amount not exceeding 50% of the admitted assets. Any reinsurance taking effect simultaneously with the policy shall be deducted from the original risk assumed in determining compliance with this subsection.

(2) In a mutual company organized for the insurance or guaranty of depositors or deposits in banks or trust companies, the maximum single risk may be fixed at a higher amount by the bylaws. Any such company may effect reinsurance in any authorized or unauthorized company that complies with s. 627.23, Stats. Insurance in any unauthorized company shall be reported annually and the same taxes paid upon the premiums as are paid by authorized companies.

Ins 6.74 Suretyship and risk limitations of surety obligations. (1) PURPOSE. The purpose of this rule is to establish minimum requirements for the transaction of surety obligations.

(2) SCOPE. This rule shall apply to the limitations on bond penal amounts imposed on insurers engaged in the business of suretyship. This section shall not apply to insurers issuing only that type of surety insurance known as municipal bond insurance.

(3) DEFINITIONS. (a) For purposes of this rule suretyship shall be construed to be insurance.

(b) An insurance corporation authorized to write fidelity insurance may guarantee the fidelity of, or become the surety for: 1. persons holding positions of public or private trust; 2. the performance of any act, duty or obligation or the refraining from any act; 3. the performance of any contract; 4. bonds of insurance companies required by law as a condition of transacting business; 5. indemnifying banks, brokers and other financial or moneyed associations or corporations, against the loss of documents and money, except against loss caused by marine risks or risks of transportation or navigation; 6. indemnifying any federal land bank against loss by reason of defective title to or incumbrances on real property on which such bank may have a mortgage.

(c) As used in this rule any one surety risk shall be equivalent to the penal amount established on the surety bond.

(4) RISK LIMITATIONS ON SURETY OBLIGATIONS. (a) No corporation shall execute any suretyship obligation or expose itself to any loss on any one surety bond in an amount in excess of one-tenth of its capital and surplus as reported in its most recent filed annual statement, unless it shall be protected in the excess of that amount:

1. by reinsurance in a corporation licensed to transact surety business where the risk is located; or

2. by the cosuretyship of a surety corporation likewise licensed.

(b) A surety corporation may execute transportation or warehousing bonds for the United States internal revenue taxes to an amount equal to 5 times the underwriting limitation specified in par. (a) of this rule.

(c) No corporation writing surety shall guarantee the deposits of any single financial institution in an aggregate amount in excess of the underwriting limitation set forth in par. (a) unless it shall be protected in excess of that amount by reinsurance or cosuretyship as specified in par. (a).

(d) A surety corporation shall not issue multiple bonds on a single contract (splitting bonds) and a surety corporation's liability on a single contract shall not be in excess of the limitations established in par. (a).

(e) No domestic corporation writing surety business shall execute, reinsure or be cosurety on a suretyship obligation in favor of the U.S. governments, or any other obligee, whereby a surety issues a bond to an obligee for a penal amount which is 10%, or an amount substantially less than, the total contract amount, unless the surety reinsures or obtains a cosurety for at least 50% of the bond penal amount with a corporation licensed to transact surety business where the risk is located. This is tantamount to a maximum exposure for any single loss on any one surety bond of this type of not more than one-twentieth of a domestic surety corporation's capital and surplus.

Ins 6.76 Grounds for disapproval of and authorized clauses for fire, inland marine and other property insurance forms.

(1) PURPOSE. The purpose of this rule is to set out characteristics and provision of fire, inland marine and other property insurance forms, as defined by s. Ins 6.75 (2) (a), which may constitute grounds for disapproval of such forms under the provisions of s. 631.20 (2), Stats., and to promulgate authorized clauses for such forms under s. 631.23, Stats., because it has been found that:

(a) Price or coverage competition is ineffective because diversity in language or content makes comparison difficult;

(b) Provision of language, content or form of these specific clauses is necessary to provide certainty of meaning of them;

(c) Regulation of contract forms will be more effective and litigation will be substantially reduced if there is increased standardization of certain clauses; and

(d) Reasonable minimum standards of insurance protection are needed for policies to serve a useful purpose.

(2) GROUNDS FOR DISAPPROVAL. A fire, inland marine or other property insurance form may be considered misleading, deceptive or obscure within the meaning of s. 631.20 (2), Stats., if it does not clearly state the perils covered, the limitations, and the conditions, or if it contains provisions contrary to the law, or if it does not include clauses covering the following provisions where appropriate:

(a) Location and description of the property covered;

(b) Effect of other insurance on the coverage provided;

(c) Conditions suspending, restricting or voiding the coverage provided;

(e) Termination of the contract;

(f) Mortgagee interests and obligations;

(g) Obligations in case loss occurs.

(3) AUTHORIZED CLAUSES. The following clauses, or any of them, shall be considered authorized clauses pursuant to s. 631.23, Stats. Appropriate liberalization of the prescribed language shall also be permitted.

The appraisers shall first select a competent and disinterested umpire; and failing for fifteen days to agree upon such umpire, then, on request of the insured or this Company, such umpire shall be selected by a judge of a court of record in the state in which the property covered is located. The appraisers shall then appraise the loss, stating separately actual cash value and loss to each item; and, failing to agree, shall submit their differences, only, to the umpire. An award in writing, so itemized, of any two when filed with this Company shall determine the amount of actual cash value and loss. Each appraiser shall be paid by the party selecting him or her and the expenses of appraisal and umpire shall be paid by the parties equally.

Ins 6.77 Exemption from mid-term cancellation requirements and from required uninsured motorist, underinsured motorist and medical payment coverages. (1) **PURPOSE.** This section is intended to exempt certain classes of insurance contracts from ss. 631.36 (2) (a), (b) and (c) and 632.32 (4) and (4r), Stats. This section implements the provisions of ss. 631.01 (5) and 631.36 (1) (c), Stats.

(2) **SCOPE.** This section applies to all insurers authorized to write umbrella or excess liability insurance policies in Wisconsin, to all insurers authorized to write commercial liability policies in Wisconsin and to all insurers authorized to write aircraft insurance policies in Wisconsin.

(3) **DEFINITIONS.** (a) "Aircraft insurance" has the meaning given in s. Ins 6.75 (2) (e).

(ac) "Application form" means a policy form that is designated an application by the insurer and that is filed with the office of the commissioner of insurance under s. 631.20, Stats.

(am) "Commercial liability policy" means any form of liability insurance policy, including a commercial or business package policy or a policy written on farm and agriculture operations, that is intended principally to provide primary coverage for the insured's general liability arising out of its business or other commercial activities, and which includes coverage for the insured's liability arising out of the ownership, maintenance or use of motor vehicles as only one component of the policy or as coverage that is only incidental to the principal purpose of the policy. For purposes of this section, commercial liability policy excludes worker's compensation policies.

(b) "Excess liability policy" means an insurance contract providing at least \$1,000,000 of liability coverage per person or per occurrence in excess of certain required underlying liability insurance coverage.

(bm) "Owned motor vehicle" means a motor vehicle that is owned by the insured or that is leased for a term of six months or longer.

(c) "Umbrella liability policy" means an insurance contract providing at least \$1,000,000 of liability coverage per person or per occurrence in excess of certain required underlying liability insurance coverage or a specified amount of self-insured retention.

(d) "War risks coverage" means insurance coverage provided under an aircraft insurance policy for bodily injury, mental anguish, medical expense, or damage or loss to the covered aircraft or a third party's property caused by declared or undeclared war, invasion, rebellion, insurrection or warlike operations or by an attempt to or the actual seizure or detention of an aircraft by any government, military, naval, or usurped power.

(4) **EXEMPTION.** (a) Any umbrella liability or excess liability insurance policy is exempt from the requirements of s. 631.36 (2) (a), Stats.

(am) Any umbrella liability or excess liability insurance policy issued or renewed on or after November 1, 2009 is exempt from the requirements of s. 632.32 (4) (a) and (4r), Stats., if the coverage it provides for the insured's liability arising out of the maintenance or use of a motor vehicle is limited to coverage for non-owned motor vehicles.

(b) Any commercial liability policy issued or renewed on or after July 1, 2007, is exempt from the requirements of s. 632.32 (4), Stats., if its coverage of the insured's liability arising out of the

maintenance or use of a motor vehicle is limited to coverage for non-owned motor vehicles.

Note: Section 632.32 (4), Stats., refers to the requirements as amended by 2009 Wisconsin Act 28.

(d) A war risks coverage provision of an aircraft insurance policy is exempt from the requirements of s. 631.36 (2) (b) and (c), Stats.

(5) **NOTICE.** (a) An insurer cancelling any umbrella liability policy or excess liability policy shall notify the commissioner of the grounds for such cancellation not later than the time at which the insurer notifies the policyholder of such cancellation. Insurers shall provide notice to the insured as set forth in s. 631.36 (2) (b), Stats.

(b) No cancellation under s. 631.36 (2) (a), Stats., of any war risks coverage contained in an aircraft insurance policy is effective until at least 7 days after the 1st class mailing or delivery of a written notice to the policyholder.

(6) **DISCLOSURE.** (a) An insurer shall disclose on the application form for each commercial liability, umbrella liability and excess liability policy subject to sub. (4) (am) and (b) whether or not uninsured motorist coverage, underinsured motorist coverage and medical payments coverage may be purchased from the insurer under the policy. If the insurer writes such policies without using an application form, the insurer shall send with delivery of the policy a written disclosure of whether or not uninsured motorist coverage, underinsured motorist coverage and medical payments coverage may be purchased from the insurer under the policy. The insured's signature on the application form or on the disclosure sent with the policy is not required, and the disclosure on the application form or with the delivery of the initial policy creates an irrebuttable presumption that the disclosure was made in accordance with this paragraph. An insurer is only required to provide the disclosure under this paragraph on any application form or with the delivery of the initial policy, if no application form is used, and need not provide the disclosure in connection with any subsequent renewal of or change to the policy. This paragraph first applies to policies issued on and after November 1, 2009.

(b) Each insurer that has a policy subject to sub. (4) (am) and (b) in effect on November 1, 2009, shall disclose in writing to one insured under each policy whether or not uninsured motorist coverage, underinsured motorist coverage and medical payments coverage may be purchased from the insurer under the policy. An insurer is required to provide the disclosure only one time and in conjunction with either the notice of, or the delivery of, the first renewal of each policy occurring on and after November 1, 2009.

(c) Nothing in this subsection shall be interpreted to require insurers to provide uninsured motorist coverage, underinsured motorist coverage or medical payments coverage in a commercial liability, umbrella or excess policy if its coverage of the insured's liability arising out of the maintenance or use of a motor vehicle is limited to coverage for non-owned motor vehicles.

Ins 6.78 Exemption from filing of rates. (1) **PURPOSE.** The purpose of this section is to exempt from the filing requirements of s. 625.13, Stats., those rates for risks which have been customarily written on a consent-to-rate basis and certain title insurance rates, it having been determined that such filing is not necessary to protect policyholders and the public. This rule implements and interprets ss. 625.04, 625.13, and 625.15, Stats.

(2) SCOPE. This section applies to the following lines or classes of insurance:

(a) The classes specified in s. Ins 6.75 (2) (a), (d), (e), (f), (g), (h), (i), (j), (L), (m), and (n).

(b) Individual rate modifications that are a reduction from the filed title insurance rate.

(3) EXEMPT FILINGS. If a specific risk in a line or class of insurance set forth in sub. (2) (a) is of the type which is customarily written on a consent-to-rate basis wherein the insured agrees to accept a rate that is different from the insurer's filed rates, the consent-to-rate shall not be filed with the commissioner, provided:

(a) The insurer keeps for at least 1 year after the expiration date of the policy;

1. Record of the rate development; and

2. The written application signed by the insured stating the insured's reason for requesting the rate.

(b) Prior to entering into such insurance agreements in Wisconsin the insurer has notified the commissioner of insurance of its intention so to do, identifying the contemplated lines and classes of insurance.

(4) EXEMPT FILING. If a title insurance rate as set forth in sub. (2) (b) is a downward deviation of an existing filed rate, the rate shall not be filed with the commissioner provided that all of the following apply:

(a) The insurer keeps for at least five years after the inception date of the policy the following information:

1. The filed rate and premium and the deviated rate and premium;

2. The effective date of the policy and the location and description of the risk;

3. The reason for the deviation; and

4. A record of the deviated rate development.

(b) Prior to entering into such insurance agreements in Wisconsin, the insurer has notified the commissioner of its intentions to do so, identifying the contemplated rate deviation program.

Ins 6.785 Exemption from rate filing requirements.

(1) PURPOSE. This section is intended to exempt certain classes of property and casualty rates from the rate filing requirements. This section implements and interprets ss. 625.04, 625.13 and 625.15, Stats.

(2) SCOPE. This section applies to the lines or classes of insurance which are listed in s. Ins 6.75 (2) (a), (d), (e), (f), (g), (h), (i), (j), (L), (m) and (n) of direct insurance written on risks or operations in this state subject to s. 625.03, Stats., and which are exempted under the consent-to-rate provision of s. Ins 6.78.

(3) FINDINGS. The commissioner of insurance finds that for certain classes of business certain risks within other classes of business and certain situations, the rate filing requirements set forth in s. 625.13, Stats., are unnecessary to achieve the purposes of ch. 625, Stats. The commissioner bases this finding on the following reasons:

(a) The manual rate, classification or form is inappropriate because it does not adequately reflect the exposure represented by the risk;

(b) The risk is so different from other risks that no single manual rate or classification could be representative of all such risks;

(c) The risk belongs to a classification that does not develop enough experience to warrant sufficient credibility for rate-making purposes; or

(d) The risk involves a new product or coverage as to which there are no appropriate analogous exposures for rate-making purposes.

(4) RATE FILING EXEMPTION. The following rates shall not be filed with the commissioner by the insurer or rate service organization on behalf of the insurer provided the insurer complies with sub. (7):

(a) The rate for an individual risk written under a rating rule class filed with the commissioner which must be accompanied by a certification by a qualified actuary that the rate under the rating rule class cannot be objectively rated for at least one of the following reasons:

1. The class generates insufficient loss experience to be reliably used in rating;

2. The class loss experience is so volatile as to make it unreliable;

3. Prospective losses for this class are likely to change rapidly and unpredictably; or

4. Risks within the class are so dissimilar that a single rate would not be representative of all risks in the class.

(b) Rates for excess liability insurance provided in an amount not less than \$1,000,000 in excess of a specified retained limit provided such retained limit is not less than:

1. \$350,000 per occurrence as respects those exposures covered by underlying insurance; or

2. \$10,000 per occurrence as respects those exposures not covered by underlying insurance.

(c) Rates for risks developing annual products liability and completed operations insurance premiums of \$5,000 or more at the basic limit.

(d) Rates for risks developing annual increased limits written premium determined by customary rating procedures of \$5,000 or more.

(e) Rates for risks developing \$100,000 or more annual manual basic limit premium individually or in any combination of general liability insurance, commercial automobile, crime or glass.

(f) Rates for liability insurance increased limits if the risk is reinsured on a facultative basis.

(g) Rates for an adjustment of the aggregate limit of general liability insurance at any time during the policy period.

(h) Rates for coverage which is materially broader or more restrictive than the coverage upon which the manual rate is based.

(5) UTILIZATION OF RATE FILING EXEMPTION. An insurer or a rate service organization wishing to utilize the rate filing exemption or modification granted by sub. (4) shall have on file with the commissioner rating rules pertaining to the situations described in sub. (4).

(6) DISAPPROVAL OF FILED RULES. If the commissioner determines that a rating rule does not meet the rate standards set forth in s. 625.11, Stats., the commissioner may exercise the authority granted by s. 625.22, Stats., and disapprove the rate.

(7) INSURER RECORDS. An insurer using a rate subject to the exemption granted by sub. (4) shall maintain separate records and documentation for a period of 3 years after the rate is no longer used. This documentation shall include all details of the factors used in determining the rate or classification for a particular risk, including conditions used to qualify a rate for an exemption under sub. (4). The insurer shall provide these records to the commissioner upon request.

(2) **DUTIES.** Each council or committee shall advise the commissioner on matters relating to specific issues or subjects presented to the members for study and review by the commissioner of insurance.

2. Accounting records, policy master files, reserve inventories, and other similar records normally produced in hard copy may be maintained on electromagnetic tape provided such tapes are preserved and that the company can and will reproduce the appropriate hard copy within a reasonable period of time at the request of the commissioner.

(d) The statutes of limitations, escheat laws, and statutes regarding minors of the various jurisdictions in which the insurer does business shall control the retention of pertinent records, other than permanent records, beyond the period mentioned in par. (b). These records may include, but shall not be limited to, claims files, supplementary contract files, records of uncashed checks, and underwriting files.

(e) Subject to this rule and applicable statutes and rules or regulations of this and other jurisdictions in which the insurer is licensed to do business, the insurer may set its retention of records to conform to its storage facilities.

(5) **NONDOMESTIC INSURERS.** (a) Records with regard to insurance company operations in the state of Wisconsin for the preceding 3 years shall be maintained in the form specified under sub. (4) and be available to the commissioner, or the insurance regulatory agency of the insurer's state of domicile.

(b) The requirements of this rule pertaining to an insurer's operations in the state of Wisconsin may be met by compliance with the record retention law of its state of domicile. If no such law or regulation exists, an insurer may comply with this rule by presenting a statement attesting to the fact that its record retention system is acceptable to its state of domicile.

(7) **PENALTY.** Violations of this rule by any person shall subject the person to the penalties set forth in s. 601.64, Stats.

(4) NOTICE FORMAT. Every insurer shall disclose the insured’s right to contact the office of the commissioner of insurance regarding an insurance problem by providing a notice which shall:

(a) Be in the form as prescribed in Appendix I or for policies subject to sub. (5) (d) in form as prescribed in Appendix 2;

(b) Include the issuer’s address, toll free phone number, if available, and phone number in no less than 12–point type and bold print.

Note: The language in sub. (4) (b) applies to notices sent on or after March 1, 1995.

(c) Be in no less than 10–point type; and

Ins 6.90 Prohibited uses of senior–specific designations.

(1) PURPOSE. The purpose of this rule is to set forth standards to protect consumers from advertising and trade practices that are deceptive, misleading, or restrain competition unreasonably, with respect to the use of senior–specific certifications and professional designations in the advertising, solicitation, sale or purchase of, or advice made in connection with, life or health insurance, or an annuity product.

(2) AUTHORITY. (a) This rule is adopted pursuant to the Office of the Commissioner of Insurance’s authority under ss. 601.42 (3) and 628.34 (12), Stats.

(b) Nothing in this rule shall limit the commissioner’s authority to enforce existing provisions of law.

(3) SCOPE. This rule shall apply to any advertising, solicitation, or sale or purchase of, or advice made in connection with, a life or health insurance policy, or annuity product by an insurance producer.

(4) DEFINITIONS. In this section:

(a) “Advertising” means all of the following:

1. Printed and published material, audio visual material and descriptive literature of an insurer or intermediary used in direct mail, newspapers, magazines, other periodicals, radio and television scripts, billboards and similar displays, excluding advertisements prepared for the sole purpose of recruiting employees, intermediaries or agencies.

2. Descriptive literature and sales aids of all kinds authored, issued, distributed or used by an insurer, intermediary or third party for presentation to members of the public, including circulars, leaflets, booklets, depictions, illustrations and form letters. Descriptive literature and sales aids do not include material in house organs of insurers, communications within an insurer’s own organization not intended for dissemination to the public, individual communications of a personal nature, and correspondence between a prospective group or blanket policyholder and an insurer in the course of negotiating a group or blanket policy, and general announcements from group or blanket policyholders to eligible individuals that a contract has been written.

3. Prepared sales talks, presentations and material for use by intermediaries and representations made by intermediaries in accordance therewith, excluding materials to be used solely by an insurer for the training and education of its employees or intermediaries; and

4. Packaging, including envelopes, used in connection with subs. 1., 2., and 3.

5. “Advertising” does not include a policy summary as defined in s. Ins 2.14 (3) (f), the “life insurance buyer’s guide” as set forth in s. Ins 2.14 (3) (d), an illustration as defined in s. Ins 2.17 (3) (i), a contract summary as defined in s. Ins 2.15 (4) (a), a preliminary contract summary as defined in s. Ins 2.15 (4) (b), and the “Wisconsin Buyer’s Guide to Annuities” as defined in s. Ins 2.15 (4) (c).

(b) “Health insurance” includes any policy of individual or group sickness and accident insurance, long term care insurance, Medicare advantage, Medicare supplement, and Medicare part D.

(c) “Insurance producer” means a person required to be licensed under chs. 600 to 655, Stats., to advertise, sell, solicit or negotiate insurance, including life insurance, health insurance and annuities.

(5) PROHIBITED USES OF SENIOR–SPECIFIC CERTIFICATIONS AND PROFESSIONAL DESIGNATIONS. (a) It is an unfair and deceptive trade practice under s. 628.34 (12), Stats., for an insurance producer to use a senior–specific certification or professional designation that indicates or implies in such a way as to mislead a purchaser or prospective purchaser that the insurance producer has special certification or training in advising or providing services to seniors in connection with the advertising, solicitation, sale, or purchase of a life or health insurance policy, or annuity product or in the provision of advice as to the value of or the advisability of purchasing or selling a life or health insurance policy or annuity product, either directly or indirectly, through publications or writings, or by issuing or promulgating analyses or reports related to a life or health insurance policy or annuity product as follows:

1. Use of a certification or professional designation by an insurance producer who has not actually earned or is otherwise ineligible to use such certification or designation.

2. Use of a nonexistent or self–conferred certification or professional designation.

3. Use of a certification or professional designation that indicates or implies a level of occupational qualifications obtained through education, training or experience that the insurance producer using the certification or designation does not have.

4. Use of a certification or professional designation that was obtained from a certifying or designating organization that:

a. Is primarily engaged in the business of instruction in sales or marketing; or

b. Does not have reasonable standards or procedures for assuring the competency of its certificants or designees; or

c. Does not have reasonable standards or procedures for monitoring and disciplining its certificants or designees for improper or unethical conduct; or

d. Does not have reasonable continuing education requirements for its certificants or designees in order to maintain the certificate or designation.

(b) There is a rebuttable presumption that a certifying or designating organization is not disqualified solely for the purposes of par. (a) 4., when the certification or designation issued from the organization does not primarily apply to sales or marketing and when the organization or the certification or designation in question has been accredited by:

1. The American National Standards Institute (ANSI);
2. The National Commission for Certifying Agencies; or
3. Any organization that is on the U.S. Department of Education's list entitled "Accrediting Agencies Recognized for Title IV Purposes."

(c) In determining whether a combination of words or an acronym standing for a combination of words constitutes a certification or professional designation indicating or implying that a per-

son has special certification or training in advising or servicing seniors, factors to be considered shall include:

1. Use of one or more words such as "senior," "retirement," "elder," or like words combined with one or more words such as "certified," "registered," "chartered," "advisor," "specialist," "consultant," "planner," or like words, in the name of the certification or professional designation; and

2. The manner in which those words are combined.

(d) 1. For purposes of this section, a job title within an organization that is licensed or registered by a state or federal financial services regulatory agency is not a certification or professional designation, unless it is used in a manner that would confuse or mislead a reasonable consumer, when the job title:

- a. Indicates seniority or standing within the organization; or
- b. Specifies an individual's area of specialization within the organization.

2. For the purpose of this paragraph, financial services regulatory agency includes an agency that regulates insurers, insurance producers, broker-dealers, investment advisers, or investment companies as defined under the Investment Company Act of 1940 (15 USC 2d).

(6) PENALTIES. A violation of this section is an unfair and deceptive trade practice under s. 628.34 (12), Stats., and shall subject the violator to ss. 601.41, 601.62, 601.64, 601.65 and 628.10, Stats.
