The rule may be reviewed and comments may be made at adminrules.wisconsin.gov until February 16, 2015, 4:30 p.m.

Initial Regulatory Flexibility Analysis

The proposed rules will impact businesses with 50 or fewer employees that choose to establish a workplace wellness program and apply for a grant, and the employees of such businesses. The proposed rules do not impose regulatory or other requirements on businesses, including small businesses. Applying for a workplace wellness grant is voluntary and involves a minimum time commitment to complete the application form which has only eight required questions.
