

Final Regulatory Flexibility Analysis

Clearinghouse Rule 14-025, Natural Resources Board Order ER-30-13

A final regulatory flexibility analysis was not prepared since the proposed rule does not impose compliance or reporting requirements for small businesses, and no design or operational standards are contained in the rule. Because this rule does not add any regulatory requirements for small businesses, the proposed rules will not have a significant economic impact on a substantial number of small businesses under 227.114 (6) or 227.14 (2g). A review by the Small Business Regulatory Review Board was not required under 227.19 (3) (h).
