State's Economy Specific Businesses/Sectors
 Local Government Units Public Utility Rate Payers
 Small Businesses (if checked, complete Attachment A)

8. Would Implementation and Compliance Costs Be Greater Than \$20 million?

Yes No

9. Policy Problem Addressed by the Rule

An issue that is prevalent in the health care system is overtreatment and excessive diagnostic testing of patients by health care professionals. Overtreatment and excessive use of diagnostic testing and surgical procedures result in increased costs to patients as well as exposure to increased risk of infection, diseases, and complications. The Podiatry Affiliated Credentialing Board recognized this issue and decided to address it with these proposed rules. The proposed rule seeks to add a provision to the Unprofessional Conduct chapter Wisconsin Administrative Code Chapter Pod 2.

10. Summary of the businesses, business sectors, associations representing business, local governmental units, and individuals that may be affected by the proposed rule that were contacted for comments.

This proposed rule was posted on the Department of Safety and Professional Services website and on the Wisconsin government website for 14 business days to solicit comments from the public. No businesses, business sectors, associations representing business, local governmental units, or individuals contacted the department about the proposed rule during that time period

11. Identify the local governmental units that participated in the development of this EIA.

None. This rule does not affect local government units.

12. Summary of Rule's Economic and Fiscal Impact on Specific Businesses, Business Sectors, Public Utility Rate Payers, Local Governmental Units and the State's Economy as a Whole (Include Implementation and Compliance Costs Expected to be Incurred)

This proposed rule will not have a significant impact on specific businesses, business sectors, public utility rate payers, local governmental units or the state's economy as a whole.

13. Benefits of Implementing the Rule and Alternative(s) to Implementing the Rule

ADMINISTRATIVE RULES
Fiscal Estimate & Economic Impact Analysis

Implementing this rule will result in better patient protection from overtreatment and excessive diagnostic testing.

14. Long Range Implications of Implementing the Rule

Implementing this rule will result in better patient protection from overtreatment and excessive diagnostic testing.

15. Compare With Approaches Being Used by Federal Government

None

16. Compare With Approaches Being Used by Neighboring States (Illinois, Iowa, Michigan and Minnesota)

Illinois does not list excessive evaluation or treatment of a patient as conduct that would be considered grounds for disciplinary action under 225 ILCS 100/4.

Iowa does not list excessive evaluation or treatment as conduct that would subject a podiatrist to discipline under 645 IAC 224.2.

Michigan does not list excessive evaluation or treatment as conduct that would subject a podiatrist to discipline under MCLS § 333.16221.

Minnesota does not list excessive evaluation or treatment as conduct that would subject a podiatrist to discipline under Minn. Stat. § 153.19.
