Illinois: Illinois utilizes practical and written examinations from the International Institute for hearing Instrument Studies, International Hearing Society or an examination approved, developed or sanctioned by the Department of Public Health. A score on each exam or section of an exam shall be 70 percent. A failed examination may be retaken. Results of a practical examination may be appealed to the Hearing Instrument Consumer Protection Board.

ADMINISTRATIVE RULES Fiscal Estimate & Economic Impact Analysis

Iowa: Iowa utilizes the national standardized licensing examination and the passing score is established by the International Hearing Society. The examination may not be taken more than three times.

Michigan: Michigan requires a written examination to test knowledge with a practical demonstration. The rules do not address conduct in the examination, passing grades, or review and claim of error procedures.

Minnesota: Minnesota requires a written examination and practical demonstration. The rules do not address conduct in the examination, passing grades, or review and claim of error procedures.
