Assumptions Used in Arriving at Fiscal Estimate:

2015 Wisconsin Act 218 requires the DOR issue a summons seeking records and documents from a taxpayer before the department may impose a penalty for failure to produce records. The proposed rule makes the following changes:

- Defines a "summons request" in accordance with 2015 Wisconsin Act 218
- Updates references and examples related to the failure to produce records so that they account for summons requests.

These changes reflect current law enacted during the 2015-2016 Legislative session. The rules are intended to reflect and clarify existing law and do not impose any additional fiscal impact.
