SECTION 1. PSC 185.11 (1) is amended to read:

(1) Chapter PSC 185 is part of the Wisconsin administrative code and constitutes a general order of the ~~public-service~~ commission, the issuance of which is authorized by ss. 227.11 (2), 281.346 (8), 196.02, 196.06, 196.12, 196.15, 196.16, 196.19, and 196.37, Stats.

SECTION 2. PSC 185.11 (2) is repealed.

SECTION 3. PSC 185.11 (3) is amended to read:

(3) The requirements of ch. PSC 185 shall be observed by all water public utilities, both privately and publicly owned, engaged in the pumping, purchasing, transmission, or distribution of water except that an exemption may be given by the ~~public-service~~ commission.

SECTION 4. PSC 185.11 (4) is amended to read:

(4) Nothing in this chapter shall preclude the commission from giving special and individual consideration ~~being given~~ to exceptional or unusual situations and, upon due investigation of the facts and circumstances involved, ~~the adoption of~~ adopting requirements as to individual utilities or services which ~~shall~~ may be lesser, greater, other, or different than those provided in this chapter.

SECTION 5. PSC 185.11 (5) is amended to read:

(5) The manner of enforcing this chapter is prescribed in s. 196.66, Stats., and such other means as provided in statutory sections administered by the ~~public-service~~ commission.

SECTION 6. PSC 185.11 (6) is amended to read:

1 (6) In case of emergency, where public interest requires immediate action without waiting for
2 compliance with the specific terms of this chapter, immediate corrective action shall be taken by
3 the utility, which action, however, shall be subject to review by the ~~public-service~~ commission.

4 SECTION 7. PSC 185.11 (7) is created to read:

5 (7) Nothing in this chapter shall prevent the imposition of sanctions, fines, forfeitures, penalties
6 or damages under more than one section of this chapter or ch. 196, Stats., or other statutes, for
7 the same incidence or occurrence.

8 SECTION 8. PSC 185.12 (1) is amended to read:

9 (1) "Ability to pay" means a customer's financial capacity to meet the customer's utility service
10 obligation;.

11 SECTION 9. PSC 185.12 (2) is repealed.

22 (a) A ~~public~~-utility shall adopt general service water rates that reflect the cost of service for each
23 class of customer and include a volume charge based on actual customer consumption.

1 SECTION 69. PSC 185.21 (2) (b) is amended to read:

2 (b) A ~~public~~-utility may not adopt a rate under par. (a) if the commission finds that the rate is
3 discriminatory or otherwise not in the public interest.

4 SECTION 70. PSC 185.21 (2) (d) is repealed.

5 SECTION 71. PSC 185.22 (1) is amended to read:

6 (1) A utility shall have copies of its rates and rules applicable to the locality available in its office
7 where payments are received, ~~and at area libraries~~ and on its public website, if it has one. A
8 utility shall give reasonable notice to customers as to where the information is available to them.

9 SECTION 72. PSC 185.22 (2) is amended to read:

10 (2) Each ~~water~~-utility, for every municipality and unincorporated area in which it serves, shall
11 provide in the respective telephone directories a telephone listing by which the utility shall be
12 notified during a 24-hour day of any utility service deficiency or emergency which may exist.
13 Each utility shall also provide the telephone listing by which the utility shall be notified during a
14 24-hour day of any utility service deficiency or emergency which may exist on its public
15 website, if it has one.

16 SECTION 73. PSC 185.22 (4) is amended to read:

17 (4) Each utility shall ~~have available and provide upon request~~ written notice to its existing
18 residential customers annually, and a written notice to all new residential customers, at a
19 minimum, of the rules on deposits, payment options including deferred payment agreements and
20 budget billing, disconnection, and dispute procedures and the contact information for the
21 commission. Such notice shall contain a reply procedure to allow customers an opportunity to
22 advise the utility of any special circumstances, such as the presence of infants or elderly persons

1 or the use of human life-sustaining equipment, and to advise the utility to contact a specific third-
2 party agency or individual prior to any disconnection action being taken.

3 SECTION 74. PSC 185.22 (5) (b) is amended to read:

4 (b) Upon a residential customer request, the ~~public~~ utility shall provide consumption information
5 by billing periods for at least the last year and information and instructions needed by the
6 customer to make consumption comparisons to similar residential customers in the same class
7 and to evaluate water conservation efforts.

8 SECTION 75. The Note following PSC 185.22 (5) (b) is repealed.

9 SECTION 76. PSC 185.22 (6) is created to read:

10 (6) At least annually, a utility shall provide information to each customer that may assist the
11 customer in reducing outdoor water use, repairing water leaks, and implementing other water
12 conservation measures. Alternatively, this information may be provided on the utility's public
13 web site.

14 SECTION 77. The Title of PSC 185.30 is amended to read:

15 **PSC 185.30 Application for residential and ~~multifamily~~ service.**

16 SECTION 78. PSC 185.30 (1) is repealed.

17 SECTION 79. PSC 185.30 (2) (a) is repealed.

18 SECTION 80. PSC 185.30 (2) (b) is amended to read:

19 (b) ~~A If a utility requires an application, the utility~~ may require a verbal or written application for
20 residential service. The utility shall establish a written policy for when a written application is
21 required. A utility may accept an application for service from a person other than the user or
22 potential user of service.

23 SECTION 81. PSC 185.30 (3) (g) is amended to read:

1 (g) If an applicant refuses to provide the information under pars. (c) or (d) or a utility finds, with
2 reasonable certainty, that the verification is falsified, the utility may request an additional item,
3 refuse service or disconnect service. An applicant refused service or disconnected because of this
4 paragraph shall be informed in writing of the opportunity to dispute the matter to the
5 commission, and shall be provided with the address, telephone number and web site of the
6 commission.

7 SECTION 82. PSC 185.305 (1) is repealed.

8 SECTION 83. PSC 185.305 (2) (a) is repealed.

9 SECTION 84. PSC 185.305 (2) (b) is amended to read:

10 (b) ~~A~~ If a utility requires an application, the utility may require a verbal or written application for
11 nonresidential service. The utility shall establish a written policy for when a written application
12 is required. A utility may accept an application for service from a person other than the user or
13 potential user of service.

14 SECTION 85. PSC 185.31 (1) is amended to read:

15 (1) ~~Except where~~ Unless otherwise authorized by the commission, ~~all water sold by~~ a utility shall
16 ~~be sell~~ all water on the basis of meter measurement, except that the volume of water used for fire
17 protection, street, main or sewer flushing, construction, or similar purposes where metering is not
18 practicable may be estimated. (See s. PSC 185.15.)

19 SECTION 86. PSC 185.31 (3) is created to read:

20 (3) Unless otherwise authorized by the commission, a utility shall own, supply and install the
21 meter being used to measure the water it sells.

22 SECTION 87. PSC 185.32 is amended to read:

1 **(1)** Readings of all meters used for determining charges to customers shall be taken by the utility
2 monthly, bimonthly, quarterly, or for such other period or in such other manner as may be
3 authorized by law.

4 **(2)** An effort shall be made to read meters on corresponding days of each meter-reading period.
5 The meter-reading date may be advanced or postponed not more than 10 days without approval
6 from the commission and adjustment of the billing period.

7 **(3)** Bills for service shall be rendered within ~~50~~30 days from the reading of the meter except as
8 may be otherwise specifically authorized by the commission.

9 **(4)** The utility may permit the customer to supply the meter readings. Meter readings supplied by
10 the customer or third party, acceptable to the utility, ~~shall be considered the actual reading~~ are
11 not required to be marked as an estimated bill.

12 **(5)** The utility ~~is obligated~~ shall, upon request, ~~to~~ obtain a final read from both the base and ROM
13 meters when there is a change of customers.

14 **(5m)** The utility shall, upon request, obtain and compare the reading from the base meter and the
15 automatic meter reading system.

16 **(6)** The utility shall make reasonable efforts to read the meters of customers who cannot be
17 available during normal business hours and when there is a change of customer. The utility may
18 make a final read through ~~AMR technology~~ an automatic meter reading system, if available.

19 **(7)** If the automatic meter reading system does not provide a meter reading or indicates zero
20 consumption, the utility shall promptly investigate with the intent to evaluate and resolve the
21 situation within 30 days.

1 (8) If a utility is unable to obtain a meter reading, the utility may issue an estimated bill. A utility
2 shall not issue more than 3 consecutive estimated bills or bills based on readings supplied under
3 sub. (4), unless specifically authorized by the commission.

4 SECTION 88. PSC 185.33 (1) is amended to read:

5 ~~(1) For each bill provided by the utility, the customer's receipt shall show for each meter the~~
6 ~~following information~~ A utility shall include all of the following information for each meter on
7 each bill issued to a customer:

14 (b) The customer's account number and class of service;

15 (c) The present and last preceding meter readings;.

16 (d) The present and last preceding meter reading dates;.

17 SECTION 92. PSC 185.33 (1) (dm) is created to read:

18 (dm) The number of days in the billing period.

19 SECTION 93. PSC 185.33 (1) (e) and (f) are amended to read:

20 (e) The number of units consumed;.

21 (f) The rate ~~schedule~~ under which the bill is calculated including the itemized calculations of the
22 rate schedule component including, but not limited to, such items as customer charge, volume
23 blocks, demand charges, minimum bills, and all other billing factors necessary for the customer

1 to check the calculation of the bill. ~~In lieu of including the rate schedule on the bill the utility~~
2 ~~may, whenever a rate change becomes effective and at least once a year, supply each customer~~
3 ~~with the schedule of rates at which the bills are computed and any other rates that might be~~
4 ~~applicable;~~

5 SECTION 94. PSC 185.33 (1) (fm) is created to read:

6 **(fm)** Clear itemization of any transferred balances. In lieu of including the clear itemization of
7 any transferred balances on the bill, the utility may provide the information in separate mailing.

8 SECTION 95. PSC 185.33 (1) (g) is amended to read:

9 **(g)** Clear itemization of the amount of the bill for the present billing period and any unpaid
10 balance from previous billing periods including any late payment charges;

11 SECTION 96. PSC 185.33 (1) (i), (j) and (k) are created to read:

12 **(i)** The bill due date.

13 **(j)** Clear explanation of any codes, abbreviations or terminology used on the bill.

14 **(k)** Clear itemization of any payment arrangements, including the remaining amount owing
15 under the payment agreement. In lieu of including clear itemization of any payment
16 arrangements on the bill, including the remaining amount owing under the payment agreement,

22 rules, applicable only to charges for utility services under commission jurisdiction.

23 SECTION 122. PSC 185.33 (16) (b) is amended to read:

1 (b) A budget payment plan may be established at any time of the year. The budget amount shall
2 be calculated on the basis of the estimated consumption and estimated applicable rates. If the
3 budget period is a fixed year, then ~~prospective~~-new and existing customers requesting a budget
4 payment plan after the start of the fixed year shall have their initial monthly budget amount
5 determined on the basis of the number of months remaining in the current budget year.

6 SECTION 123. PSC 185.33 (16) (d) is amended to read:

7 ~~(d) Customers~~ The utility shall notify customers on the budget payment plan ~~shall be notified~~ of
8 adjustments by means of a bill insert, a message printed on the bill itself, or a separate mailing
9 ~~both. The customer shall be adequately informed of the adjustment at the same time the bill~~
10 ~~containing the adjustment is rendered.~~

11 SECTION 124. PSC 185.33 (16) (e) is amended to read:

12 (e) Customers who have arrearages shall be allowed to establish a budget payment plan by
13 signing a deferred payment agreement for the arrears, ~~according to the provisions of~~ if applicable
14 under s. PSC 185.38.

15 SECTION 125. PSC 185.33 (16) (f) is amended to read:

16 (f) Budget payment plans shall be subject to ~~the late payment charge provisions~~ charges. In
17 addition, ~~if a budget payment is not paid, the customer shall be notified with the next billing that~~
18 ~~if proper payment is not received subsequent to this notification, the next regular billing may~~
19 ~~effectuate the removal of the customer from the budget plan and reflect the appropriate amount~~
20 ~~due.~~

21 SECTION 126. PSC 185.33 (16) (fm) is created to read:

1 **(fm)** If a customer does not make a payment under a budget payment plan, the utility shall notify
2 the customer with the next billing that if payment of the overdue budget amount is not received
3 by the due date of that bill, the utility may remove the customer from the budget plan.

4 SECTION 127. PSC 185.33 (16) (g) 1. is amended to read:

5 **1.** A ~~customer's~~ customer may pay the debit balance ~~shall be paid in full or, at the customer's~~
6 ~~option if unpaid, on a deferred basis~~ the utility shall incorporate the balance into the budget
7 amount for the next 12 months;

8 SECTION 128. PSC 185.33 (16) (g) 2. is amended to read:

9 **2.** A ~~customer's~~ customer may request that a credit balance be refunded ~~shall be applied or, at the~~
10 ~~customer's option if no request is made, the utility shall incorporate the balance into the budget~~
11 amount for the next 12 months ~~against the customer's account credited in installments to the~~
12 ~~customer's account over the course of the next budget year, or refunded to the customer.~~

14 **(17)** ~~An~~ A utility shall bill an occupant, or other responsible party who uses utility service but
15 does not apply for it, ~~may be billed~~ or a customer continuing to use the service after the date
16 termination is requested, an estimated or actual amount ~~at a later date~~ for service used ~~prior to the~~
17 ~~time of application~~. The utility shall have reasonable grounds to establish responsibility for the
18 backbilling. Failure to pay charges resulting from this backbilling may result in disconnection of
19 service. The utility shall inform the occupant of the right to dispute the billing through the
20 dispute procedures set forth in s. PSC 185.39.

21 SECTION 130. PSC 185.33 (19) (a) is renumbered (19) (am) and amended to read:

22 **(am)** A utility shall pay interest on customer overpayments not refunded to the customer within
23 60 days of ~~the determination~~ receipt by the utility ~~or commission that refund is due~~, if the net

1 amount refunded exceeds \$20.00 per refund and the overpayment was made to the utility due to
2 any of the following:

3 SECTION 131. PSC 185.33 (19) (a) is created to read:

4 (a) A utility shall refund customer overpayments if a recalculated bill indicates that more than
5 \$5.00 is due an existing customer or \$10.00 is due a person no longer a customer of the utility.

6 The utility shall refund to the customer the full amount of the calculated difference between the
7 amount paid and the recalculated amount. The refund to an existing customer may be in cash or
8 as credit on a bill. If a refund is due a person no longer a customer of the utility, a written notice
9 shall be mailed to the last known address and the utility shall, upon request, refund the amount
10 due.

15 ~~2. Billing based on a switched-meter condition where the customer was billed on the incorrect~~
16 ~~meter;~~

17 SECTION 134. PSC 185.33 (19) (am) 3. is amended to read:

18 ~~3. Misapplication of rates, provided the information furnished by the customer to the utility was~~
19 ~~not deficient;~~

20 SECTION 135. PSC 185.33 (19) (b) 1. is amended to read:

21 ~~1. Financing of service extensions or other equipment;~~

22 SECTION 136. PSC 185.33 (19) (b) 2. is amended to read:

23 ~~2. Budget payment plans;~~

1 SECTION 137. PSC 185.33 (19) (b) 3. is amended to read:

2 **3.** Estimated bills;

3 SECTION 138. PSC 185.33 (19) (c) is amended to read:

4 (c) The rate of interest to be paid shall be calculated in the same manner as provided for in s.

5 PSC 185.36 (9) (b). Interest shall be paid from the date a refund is determined to be due until the

6 date the overpayment is refunded. Interest shall be compounded annually and calculated on the

7 net amount overpaid in each calendar year.

8 SECTION 139. PSC 185.34 is repealed.

9 SECTION 140. PSC 185.35 (title) is amended to read:

10 **PSC 185.35 Adjustment of bills for metering or billing inaccuracies.**

11 SECTION 141. PSC 185.35 (1) is repealed and recreated to read:

12 (1) A utility shall recalculate bills for service for the full period of inaccuracy in any of the
13 following circumstances:

14 (a) A meter does not meet the accuracy requirements under s. PSC 185.65. The utility shall
15 prorate the underbilled consumption or overbilled consumption from the date of the last base
16 meter reading, unless consumption information demonstrates the inaccuracy started at a different
17 date. No recalculation shall be required unless the meter in service is found not to register or is
18 found to have an average percent registration of less than 98 or more than 102.

19 (b) The meter index and reading from the automatic metering reading system or ROM are
20 different. The utility shall prorate the underbilled consumption or overbilled consumption
21 registering on the automatic metering reading system or ROM from the date of the last base
22 meter reading, unless consumption information demonstrates the inaccurate automatic meter

1 reading system or ROM readings started at a different date. If the base meter does not meet the
2 accuracy requirements under s. PSC 185.65, par. (a) shall apply.

3 (c) The billing was based on a switched-meter condition where the amount the customer was
4 billed was based on the incorrect meter.

5 (d) Misapplication of the rates.

6 (e) Any other erroneous billing.

7 SECTION 142. PSC 185.35 (2) is amended to read:

8 (2) For the purposes of this ~~rule~~ section, the average percent registration shall be the average
9 percent registration ~~for those normal~~ of the intermediate and maximum test points ~~which are~~
10 ~~within the normal test flow limits of the meter~~ required to be tested under s. PSC 185.65, except
11 that the test point within the "change-over" range for compound meters shall be ignored. ~~(For~~
12 ~~positive displacement meters the light flow test point would not be considered.)~~

13 SECTION 143. PSC 185.35 (3), (4) and (5) are repealed.

14 SECTION 144. PSC 185.35 (6) is amended to read:

15 (6) Subject to the utility's ~~written rules~~ schedule of rates and rules setting forth the method of
16 determining a reduced rate, if a leak unknown to the customer is found in an appliance or the
17 plumbing, the utility is encouraged to estimate the water wasted and bill for it at a reduced rate
18 not less than the utility's cost. No such adjustment shall be made for water supplied after the
19 customer has been notified and has had an opportunity to correct the condition.

20 SECTION 145. PSC 185.35 (7) is repealed.

21 SECTION 146. PSC 185.35 (8) is amended to read:

22 (8) A utility shall keep a record ~~shall be kept~~ of the number of refunds and charges made because
23 of inaccurate meters, misapplication of rates, and erroneous billing. A summary of the record for

1 the previous calendar year shall, ~~upon request~~, be submitted to the commission on or before
2 April 1 of each year.

3 SECTION 147. PSC 185.36 (1) (a) is repealed and recreated to read:

4 (a) A utility may require a deposit or other guarantee within 30 days of the application as a
5 condition of new residential service if all of the following are true:

6 1. The applicant has an outstanding account balance with the utility which accrued within the last
7 6 years that remains outstanding and not in dispute.

8 2. There is no agreement or arrangement for payment being honored by the customer.

9 SECTION 148. PSC 185.36 (1) (b) is amended to read:

10 (b) A utility shall not require a deposit under this section ~~shall not be required~~ if the customer
11 provides the utility with information showing that the customer's gross quarterly income is at or
12 below 200% of federal income poverty guidelines.

13 SECTION 149. PSC 185.36 (1) (c) is amended to read:

14 (c) A utility shall inform the customer of the customer's right to provide a deposit or guarantee
15 and, if applicable, to enter into a deferred payment agreement for payment of the outstanding
16 balance ~~deposit amount and of the customer's right to appeal any deposit request or amount~~
17 ~~required under this section to the commission.~~

18 SECTION 150. PSC 185.36 (1) (d) is created to read:

19 (d) A utility may require the customer pay the first installment on the deposit amount under sub.
20 (4) or provide a guarantee, and enter into a deferred payment agreement for payment of the
21 outstanding balance prior to providing service.

22 SECTION 151. PSC 185.36 (2) is repealed and recreated to read:

23 (2) EXISTING RESIDENTIAL SERVICE.

1 (a) A utility may require a deposit as a condition of residential service within 30 days of any of
2 the following circumstances:

3 1. The utility has disconnected the customer's service for violation of the utility's filed rules or
4 for nonpayment of a delinquent service account not currently in dispute.

5 2. Subsequent credit information indicates that the initial application for service was falsified or
6 incomplete to the extent that a deposit would be required under this section.

7 3. A new residential customer accrues charges for service that become 60 days or more past due
8 within the first 8 months of service.

9 (b) A utility shall inform the customer of the customer's right to provide a deposit, guarantee
10 and, if applicable, to enter into a deferred payment agreement for payment of the outstanding
11 balance. The utility shall give the customer at least 30 days to provide the deposit, pay the first
12 installment on the deposit amount under sub. (4) or provide a guarantee.

13 (c) A utility shall not require a deposit under this section if the customer provides the utility with
14 information showing that the customer's gross quarterly income is at or below 200% of the
15 federal income poverty guidelines.

16 SECTION 152. PSC 185.36 (3) (a) is amended to read:

17 (a) A utility ~~may accept~~ shall allow a customer to provide, in lieu of a cash deposit for new or
18 existing residential service, a contract signed by a guarantor satisfactory to the utility where
19 payment of a specified sum not exceeding the cash deposit requirement is guaranteed, or where
20 the guarantor accepts responsibility for payment of all future bills. If the guarantor accepts
21 responsibility for payment of future bills, the utility shall notify the customer in writing of the
22 agreement and of the customer's right to refuse such an agreement. The term of the contract shall
23 be for no longer than one year, but it shall automatically terminate after the residential customer

1 has closed the account with the utility, or on the guarantor's request upon a 30-day written notice
2 to the utility.

3 SECTION 153. PSC 185.36 (3) (b) is amended to read:

4 (b) Upon termination of a guarantee contract, or whenever the utility deems the guarantee
5 insufficient as to amount of surety, a cash deposit or a new or additional guarantee may be
6 required upon a ~~20~~ 30-day written notice to the customer. The utility may disconnect the service
7 of any customer who fails to comply with these requirements ~~may be disconnected upon an 8-~~
8 ~~day providing~~ written notice consistent with s. PSC 185.37(11).

9 SECTION 154. PSC 185.36 (4) is amended to read:

10 (4) ~~DEFERRED PAYMENT~~ INSTALLMENT PAYMENTS. ~~In lieu of cash deposit or~~
11 ~~guarantee, an applicant for new residential service who has an outstanding account balance~~
12 ~~accrued within the last 6 years with the same utility shall have the right to receive service from~~
13 ~~that utility under a deferred payment agreement, as defined in s. PSC 185.38 for the outstanding~~
14 ~~account.~~ A utility requiring a deposit under this section shall allow a customer to pay the deposit
15 in not less than three equal monthly installments. A customer who ~~defaults on this deferred~~
16 ~~payment agreement~~ fails to pay an installment payment may be required by the utility to ~~furnish~~
17 ~~a deposit for the remaining balance~~ pay the remainder of the deposit immediately. If the
18 customer fails to pay an installment payment or the remainder of the deposit if required by the
19 utility, the utility may disconnect the service of the customer upon providing written notice
20 consistent with s. PSC 185.37(11).

21 SECTION 155. PSC 185.36 (5) is amended to read:

22 (5) WRITTEN EXPLANATION. A utility requiring a deposit under this section shall provide a
23 customer with written explanation of why a deposit or guarantee is being required ~~for a~~

1 ~~residential account~~. The explanation shall include notice of the customer's right to appeal any
2 deposit request or amount required under this section to the commission.

3 SECTION 156. PSC 185.36 (7) is amended to read:

4 (7) AMOUNT OF DEPOSIT. The maximum deposit for a new or existing residential account
5 shall not exceed the highest estimated or actual gross bill bills for any 3 consecutive months
6 within the preceding 12 months billing period (not to exceed 4 months) selected by the utility.

7 SECTION 157. PSC 185.36 (8) is repealed:

8 SECTION 158. PSC 185.36 (9) (a) is amended to read:

9 (a) Deposits for residential accounts shall bear interest compounding annually payable from the
10 date a deposit is ~~made~~ paid in full to the date it is applied to an account balance or is refunded.

11 SECTION 159. PSC 185.36 (10) is amended to read:

12 (10) REFUND. The utility shall refund the deposit and interest ~~of to~~ a residential customer after
13 12 consecutive months of prompt full payment. If the customer has entered into a deferred
14 payment agreement on any arrears, the utility shall not deduct the arrears from the refund unless
15 the customer fails to make a payment required by the deferred payment agreement.

16 SECTION 160. PSC 185.36 (11) is repealed.

17 SECTION 161. PSC 185.36 (12) is amended to read:

18 (12) METHOD OF REFUND. Any deposit or portion refunded to a residential customer shall be
19 refunded ~~by check~~ directly to the customer unless both the customer and the utility agree to a
20 credit on the regular billing, ~~or unless sub. (13) or (14) applies.~~

21 SECTION 162. PSC 185.36 (13) is amended to read:

22 (13) REFUND AT TERMINATION OF SERVICE. On termination of residential service, the
23 utility shall credit the deposit, with accrued interest, to the customer's final bill and return the

1 balance within 30 days of issuing the final bill. The utility may deduct any arrears owed by the
2 customer, whether the arrears arose prior to or after the date of the deposit.

3 SECTION 163. PSC 185.36 (14) is repealed.

4 SECTION 164. PSC 185.36 (14) is created to read:

5 **(14)** A municipal utility may adopt deposit rules and practices as provided in s. 66.0809(10).

6 Any deposit rules and practices adopted by the municipal utility shall be included in the
7 municipal utility's schedule of rates and rules.

8 SECTION 165. PSC 185.361 (1) is amended to read:

9 **(1) NEW NONRESIDENTIAL SERVICE.** If the credit of an applicant for nonresidential
10 service has not been established satisfactorily to the utility, the utility may require the applicant
11 to post deposit or provide a guarantee. The utility shall notify the applicant within ~~40~~ 30 days of
12 the request for service as to whether a deposit shall be required. The ~~40~~ 30-day period shall begin
13 from the date the applicant provides all information requested under s. PSC 185.305 (2) to the
14 utility. If no request for a deposit is made within this period, no deposit shall be required, except
15 under the provisions of sub. (2). A utility may require the customer pay the first installment on
16 the deposit amount under sub. (3m) or provide a guarantee prior to providing service. ~~If a request~~
17 ~~for a deposit is made, the applicant shall be given at least 30 days to provide payment, or~~
18 ~~guarantee, or to establish a deferred payment agreement.~~

1 (a) The ~~utility may accept~~ customer may provide, in lieu of a cash deposit for new or existing
2 nonresidential service, a contract signed by a guarantor satisfactory to the utility where payment
3 of a specified sum not exceeding the cash deposit requirement is guaranteed. The term of such
4 contract shall be for no longer than 2 years, but it shall automatically terminate after the
5 customer has closed its account with the utility, or at the guarantor's request, on a 30-day written
6 notice to the utility.

7 SECTION 173. PSC 185.361 (4) (b) is amended to read:

8 (b) On termination of a guarantee contract, or whenever the utility deems the amount of surety
9 insufficient, a cash deposit or a new or additional guarantee may be required on a ~~20~~ 30-day
10 written notice to the customer. The utility may disconnect service of a customer who fails to
11 comply with these requirements ~~may be disconnected on a 10-day~~ after providing written notice,
12 ~~subject to the establishment of a deferred payment agreement for the deposit~~ consistent with s.
13 PSC 185.37(11).

14 SECTION 174. PSC 185.361 (5) (a) is amended to read:

15 (a) A utility requiring a deposit under this section shall provide a customer with written
16 explanation of why a deposit or guarantee is being required ~~for nonresidential service~~. The
17 explanation shall include notice of the customer's right to appeal any deposit request or amount
18 required under this section to the commission.

19 SECTION 175. PSC 185.361 (6) is repealed.

20 SECTION 176. PSC 185.361 (7) is amended to read:

21 (7) AMOUNT OF DEPOSIT. The maximum deposit for a new or existing account shall not
22 exceed the highest estimated or actual gross bill for any 3 consecutive months within the
23 preceding 12 months ~~billing period (not to exceed 4 months)~~ ~~selected by the utility~~. If the deposit

1 amount is estimated and after a 12-month period the deposit amount is shown to be greater than
2 warranted based on actual consumption, the utility shall at the customer's request refund the
3 difference between the 2 amounts plus interest.

4 SECTION 177. PSC 185.361 (8) (a) is amended to read:

5 (a) Deposits for nonresidential service shall bear interest compounding annually payable from
6 the date a deposit is ~~made~~ paid in full to the date it is applied to an account balance or refunded.

7 SECTION 178. PSC 185.361 (9) is amended to read:

8 (9) ~~TIME OF REFUND.~~ The deposit of a customer shall be refunded after 24 consecutive
9 months of prompt full payment. The utility may deduct any arrears owed by the customer,
10 whether the arrears arose prior to or after the date of the deposit.

11 SECTION 179. PSC 185.361 (10) is amended to read:

12 (10) METHOD OF REFUND. Any deposit or portion thereof refunded to a customer shall be
13 refunded ~~by check~~ directly to the customer unless both the customer and the utility agree to a
14 credit on the regular billing, ~~or unless sub. (11) or (12) applies.~~

15 SECTION 180. PSC 185.361 (11) is amended to read:

16 (11) REFUND AT TERMINATION OF SERVICE. ~~Upon~~ On termination of nonresidential
17 service, the utility shall credit the deposit, with accrued interest, ~~shall be credited~~ to the
18 customer's final bill, and return the balance ~~shall be returned~~ within 30 days of issuing the final
19 bill. The utility may deduct any arrears owed by the customer, whether the arrears arose prior to
20 or after the date of the deposit.

23 (1) NOTICE.

1 ~~(a) In no circumstances shall the cumulative time before notice of disconnection be less than 20~~
2 ~~days after the date of issuance of the bill.~~ A customer shall have, in all instances, at least 20 days
3 from the date a utility issues the bill to provide payment. An account may be deemed delinquent
4 for the purpose of disconnection after such period has elapsed.

5 (b) At least 10 calendar days prior to disconnection, the utility shall give a written notice of
6 disconnection upon a form approved by the commission and which conforms to the requirements
7 of sub. (11), unless excepted elsewhere.

8 SECTION 183. PSC 185.37 (1m) is amended to read:

9 **(1m) JOINTLY-METERED PROPERTIES.** Prior to disconnecting a jointly-metered property
10 containing more than one rental dwelling unit and where service is in the property owner's or
11 manager's name, the utility shall first make an attempt to transfer the debt to the property owner's
12 or manager's residence or office service. If a transfer is permitted under sub. (7) (a) the utility
13 shall pursue available collection efforts at the owner's or manager's property prior to
14 disconnecting the jointly-metered property.

15 SECTION 184. PSC 185.37 (2) is amended to read:

16 **(2) REASONS FOR DISCONNECTION.** Utility service may be disconnected or refused for any
17 of the following reasons:

18 SECTION 185. PSC 185.37 (2) (a) is amended to read:

19 **(a)** Failure to pay a delinquent account or failure to comply with the terms of a deferred payment
20 agreement. ~~(see s. PSC 185.38);~~ A payment by a customer that is not honored by a financial

6 (e) Refusal or failure to permit authorized utility personnel to read the meter at least once every 4
7 months where the utility bills monthly or bimonthly, or at least once every 9 months where the
8 utility bills quarterly or less frequently than quarterly. The 4- or 9- month period begins with the
9 date of the last meter reading;

10 SECTION 191. PSC 185.37 (2) (f) is amended to read:

11 (f) Refusal or failure to permit authorized utility personnel access to the base meter or inspect
12 plumbing in order to locate and correct cross connections;

13 SECTION 192. PSC 185.37 (2) (g) is amended to read:

14 (g) Violation of the utility's rules pertaining to the use of service in a manner which interferes
15 with the service of others or to the operation of nonstandard equipment, if the customer has first
16 been notified and provided with reasonable opportunity to remedy the situation;

17 SECTION 193. PSC 185.37 (2) (gm) is created to read:

18 (gm) Failure to repair a leaking or broken portion of the service line for which the property
19 owner or customer is responsible, if the customer has first been notified and provided with
20 reasonable opportunity to make the repairs.

21 SECTION 194. PSC 185.37 (2) (h) is amended to read:

22 (h) Failure to comply with Wisconsin statutes, commission rules, or commission orders
23 pertaining to utility service;

1 SECTION 195. PSC 185.37 (2) (i) is amended to read:

2 (i) Failure to pay costs or fees incurred by and awarded to the utility by a court of law, for pursuit
3 of collection of bills, or failure to pay extraordinary collection charges as allowed and specified
4 in the utility's ~~tariffs~~ schedule of rates and rules filed with the commission;

5 SECTION 196. PSC 185.37 (2) (j) is amended to read:

6 (j) Failure to comply with the utility's rules or if the customer uses a device that unreasonably
7 interferes with communications or signal services used for reading meters;

8 SECTION 197. PSC 185.37 (3) is amended to read:

9 (3) EXCEPTIONS TO PROVIDING NOTICE. (a) A utility may disconnect utility service
10 without prior notice where a dangerous condition exists for as long as the condition exists. A
11 dangerous condition may include a vacant, unheated property at risk of the water piping freezing.

12 Upon disconnection, the utility shall provide a written explanation of the dangerous condition.

13 (b) A utility may disconnect service without prior notice where it has reasonable evidence that
14 utility service is being obtained by potentially unsafe devices or potentially unsafe methods or
15 devices or methods that stop or interfere with the proper metering of the utility service.

16 (c) A utility may disconnect service without prior notice where service has been connected or
17 reconnected without the utility's authorization.

18 (d) If service is disconnected without prior notice, at the time of the disconnection the utility
19 shall leave a written notice on the premises explaining the reason for the disconnection and the
20 actions that must be taken for reconnection.

21 SECTION 198. PSC 185.37 (4), (5) and (6) are repealed.

22 SECTION 199. PSC 185.37 (7) is amended to read:

23 (7) OWNER OR MANAGER OF RENTAL DWELLING UNITS.

1 (a) Account arrears incurred by an owner or property manager for rental residential dwelling
2 units may be transferred, without regard to class of service, to the home or office account of the
3 owner or property manager.

4 (b) The utility shall send written notice of the planned transfer of the account arrears to the
5 owner or property manager prior to making the transfer.

6 (c) If the transferred account arrears remain unpaid, the utility may disconnect the owner's or
7 property manager's residence or office service, provided that the utility complies with the
8 disconnection provisions of s. PSC 185.37.

9 SECTION 200. PSC 185.37 (8) is amended to read:

10 (8) DISCONNECTION PROHIBITED. Utility service may not be disconnected or refused for
11 any of the following reasons:

12 SECTION 201. PSC 185.37 (8) (a) is amended to read:

13 (a) Nonpayment of a delinquent account over 6 months old where collection efforts have not
14 been made within that period of time unless the passage of additional time results from other
15 provisions of this chapter or from good faith negotiations or arrangements made with the
16 customer;

17 SECTION 202. PSC 185.37 (8) (b) is amended to read:

18 (b) Failure to pay for merchandise or charges for nonutility service billed by the utility, except
19 where authorized by law as in s. PSC 185.33 (1) (h);

19 (10) MEDICAL AND PROTECTIVE SERVICES EMERGENCIES.

20 SECTION 211. PSC 185.37 (11) is amended to read:

21 (11) DISCONNECTION NOTICE.

1 (a) A utility shall not disconnect service unless written notice by first class mail is sent to the
2 customer or personally served upon a responsible party at least 10 calendar days prior to the first
3 date of the proposed disconnection except as provided in sub. subs. (3), (4), and (7).

4 **(ag)** If the billing address is different from the service address, notice shall be posted at ~~each~~
5 ~~individual dwelling unit~~ of the service address not less than 5 days before disconnection. If
6 ~~access is not possible, this~~ This notice shall be posted, at a minimum, at each individual dwelling
7 unit or to all entrances to the building and in the lobby. The notice shall contain all of the
8 following: ~~1) the~~

9 1. The date of the notice; ~~2) the~~

10 2. The proposed date of disconnection; ~~and 3) that~~

11 3. That, if feasible, the occupants may apply to the utility to accept responsibility for future bills
12 and avoid disconnection of service. ~~Refusal or acceptance of the application for service is subject~~
13 ~~to those conditions set out in this chapter.~~

14 **(ar)** If disconnection is not accomplished on or before the 20th day after the first notice date, a
15 subsequent notice shall be left on the premises not less than 24 hours nor more than 48 hours
16 prior to the disconnection unless the customer and the utility agree to extend the 20-day time
17 period.

18 **(b)** The utility shall make a reasonable effort to have a personal or telephone contact with the
19 residential customer prior to disconnection. If a contact is made, the utility shall review the
20 reasons for the pending disconnection of service, and explain what actions shall be taken to avoid
21 disconnection.

22 **(c)** The utility shall keep a record of these contacts and contact attempts.

1 (d) When a residential customer, either directly or through the commission, disputes a
2 disconnection notice under s. PSC 185.37, the utility shall investigate any disputed issue and
3 shall attempt to resolve that issue. During this investigation, utility service shall not be
4 disconnected over this matter.

5 (e) If a disputed issue cannot be resolved, the utility shall inform the customer of the right to
6 appeal to the commission.

7 (f) Disconnection notice shall be given on a form approved by the commission, and shall contain
8 the following information:

- 9 1. The name and address of the customer and the address of the service, if different;
- 10 2. A statement of the reason for the proposed disconnection of service and that disconnection
11 shall occur if the account is not paid, or if arrangement is not made to pay the account under
12 deferred payment agreement, or if other suitable arrangements are not made, or if equipment
13 changes are not made. If disconnection of service is to be made for default on a deferred payment
14 agreement, the notice shall include an explanation of the acts of the customer which are
15 considered to constitute default;
- 16 3. A statement that the customer shall communicate immediately upon receipt of the notice with
17 the utility's designated office, listing a telephone number, if the customer disputes the notice of
18 delinquent account, if the customer wishes to negotiate a deferred payment agreement as an
19 alternative to disconnection, if any resident is seriously ill, or if there are other extenuating
20 circumstances, as the presence of infants or young children in the household, the presence of
21 aged, or persons with disabilities in the household, the presence of residents who use life support
22 systems or equipment or residents who have ~~mental retardation~~ an intellectual disability or other

2 illness if the account holder submits a statement or notice pursuant to sub. (10);

3 **5.** A statement that the customer may appeal to the commission staff in the event that the grounds
4 for the proposed disconnection or the amount of any disagreement remains in dispute after the
5 customer has pursued the available remedies with the utility.

6 SECTION 212. PSC 185.37 (12) is amended to read:

7 **(12) BUSINESS OFFICES CLOSED.** Service shall not be disconnected on a day, or on a day
8 immediately preceding a day, when the business offices of the utility are not available to the
9 public for the purpose of transacting all business matters unless the utility provides personnel
10 which are readily available to the customer 24 hours per day to evaluate, negotiate, or otherwise
11 consider the customer's objection to the disconnection as provided under s. PSC 185.39, and
12 proper service personnel are readily available to restore service 24 hours per day.

13 SECTION 213. PSC 185.37 (13) is amended to read:

14 **(13) LIMITATION.** Notwithstanding any other provision of this chapter, utility service may not
15 be refused because of a delinquent account if the customer or applicant provides, as a condition
16 of future service a deposit or guarantee, as governed by s. PSC 185.36, or a voucher agreement.
17 If the guarantor has agreed to be responsible for payment of all future bills, the customer shall be
18 notified of the billing arrangement and of the ability to reject the proposed arrangement.

19 SECTION 214. PSC 185.37 (14) is created to read:

20 **(14) TIMELY RECONNECTION.** A utility shall promptly reconnect service as soon as the
21 cause for the disconnection has been eliminated but, in any event, shall restore service no later
22 than the end of the second day following elimination of the cause for the disconnection, unless
23 the utility cannot gain access to the necessary utility facilities.

1 SECTION 215. PSC 185.38 (1) is amended to read:

19 SECTION 245. PSC 185.39 (3) is amended to read:

20 ~~(3)~~ REQUEST FOR COMMISSION REVIEW. ~~(a) After informal review, any~~ Any party to the
21 dispute may make a written request for a formal review by the commission within 20 calendar
22 days of the date the determination is communicated to both parties. If the determination is
23 provided by telephone and the basis is requested in writing under sub. (2)(cr) the 20-day period

1 begins on the day the written determination is issued. To avoid disconnection The utility may not
2 disconnect service pending a request for formal review for the issue in dispute, if the customer
3 ~~shall request~~ requests a formal review by the commission, in writing, within 7 calendar days of
4 the issue issuance of the ~~informal~~ commission staff determination. ~~All other requests for formal~~
5 ~~review shall be made within 30 calendar days of the date the commission staff telephones or~~
6 ~~provides written notice of terms of the settlement after informal review. If written confirmation~~
7 ~~is requested, the 30 day period begins from the date of that mailing.~~ A request for formal review
8 shall be considered a request to open a docket under s. PSC 2.07 and the process in ch. PSC 2
9 shall apply.

10 ~~(b) Within 7 calendar days of receiving a request for formal review in a dispute involving a~~
11 ~~pending disconnection of service, the commission shall make a determination whether to grant~~
12 ~~the request for formal review. The commission shall base its determination on the request for~~
13 ~~formal review and commission staff's informal complaint file. Within 35 calendar days from the~~
14 ~~time that all other requests for formal review are made, commission staff shall provide the~~
15 ~~commission with a memorandum based on the information it has received from the utility and~~
16 ~~the customer. A copy of the commission staff memorandum shall be provided to the parties 15~~
17 ~~calendar days prior to consideration by the commission. Either party to the complaint may file a~~
18 ~~response to the commission staff's memorandum. These comments shall be filed with the~~
19 ~~commission 2 working days prior to the date scheduled for consideration by the commission.~~
20 ~~The commission shall inform both parties of its decision.~~

21 SECTION 246. PSC 185.39 (4) and (5) are repealed.

22 SECTION 247. PSC 185.40 is created to read:

23 **PSC 185.40 Unconscionability.**

- 1 (1) If the commission finds that any conduct or aspect of a transaction directed against a
2 customer by a utility is unconscionable, it may refuse to enforce any unconscionable aspect or
3 conduct to avoid any unconscionable result.
- 4 (2) Without limiting the scope of sub. (1), the commission may consider, among other things,
5 the following as pertinent to the issue of unconscionability:
- 6 (a) That the practice unfairly takes advantage of the lack of knowledge, ability, experience or
7 capacity of customers.
- 8 (b) That those engaging in the practice know of the inability of customers to receive benefits
9 properly anticipated from the goods or services involved.
- 10 (c) That there exists a gross disparity between the price of goods or services and their value as
11 measured by the price at which similar goods or services are readily obtainable by other
12 customers, or by other tests of true value.
- 13 (d) That the practice may enable merchants to take advantage of the inability of customers to
14 reasonably protect their interests by reason of physical or intellectual disabilities, illiteracy or
15 inability to understand the language of the agreement, ignorance or lack of education or similar
16 factors.
- 17 (e) That the terms of the transaction require customers to waive legal rights.
- 18 (f) That the terms of the transaction require customers to unreasonably jeopardize money or
19 property beyond the money or property immediately at issue in the transaction.
- 20 (g) That the natural effect of the practice would reasonably cause or aid in causing customers to
21 misunderstand the true nature of the transaction or their rights and duties thereunder.
- 22 (h) That the writing purporting to evidence the obligation of the customer in the transaction
23 contains terms or provisions or authorizes practices prohibited by law.

1 SECTION 248. PSC 185.405 is created to read:

2 **PSC 185.405 Oppressive and deceptive practices prohibited.** A utility shall not engage in any
3 oppressive or deceptive practices. It shall not do any of the following:

4 (1) Use or threaten force or violence to cause physical harm to the person, dependents, or
5 property of the ratepayer.

6 (2) Threaten criminal prosecution without merit or authority.

7 (3) Initiate or threaten to initiate communications with the ratepayer's employer except as
8 permitted by statute.

9 (4) Engage in any conduct which can reasonably be expected to threaten or harass a ratepayer.

10 (5) Claim or attempt to claim to enforce a right, with knowledge or reason to know that the right
11 does not exist.

12 (6) Use obscene, threatening, or abusive language in communicating with a ratepayer or a
13 person related to a ratepayer.

14 (7) Threaten to disconnect a customer if the utility has a policy or practice not to disconnect
15 customers for nonpayment.

16 SECTION 249. PSC 185.44 (1) is amended to read:

17 (1) Each utility shall notify the commission as soon as possible of any unusual occurrence which
18 has caused or is expected to cause an interruption of service for one hour or longer to ~~all~~ 25% of
19 the customers or 500 (or more) customers, whichever number is the smaller. (This supplement
20 does not preempt the requirements of ch. PSC 104.)

21 SECTION 250. The note following PSC 185.44 (1) is repealed.

22 SECTION 251. PSC 185.46 (1) (a) 7. is created to read:

23 7. The readings before and after the test.

1 SECTION 252. PSC 185.46 (2) (a) 4. is created to read:

2 **4.** The cost of the meter.

3 SECTION 253. PSC 185.47 is repealed.

4 SECTION 254. PSC 185.52 (1) is amended to read:

5 **(1)** MAINS.

6 **(a)** Ownership of mains. Unless otherwise provided in the utility's schedule of rates and rules, a
7 utility shall own, maintain, repair and replace all mains in its distribution system.

8 **(am)** Installed depth. ~~Mains~~ A utility shall be placed place any main that it owns at such depth or
9 otherwise protected as shall prevent freezing.

10 **(b)** ~~Dead ends.~~ Where practical the utility shall design its distribution system to avoid dead end
11 mains. Where dead ends are necessary, hydrants or other flushing devices shall be installed to
12 permit flushing. (See s. PSC 185.86.)

13 **(c)** Networked systems. Where practical, each utility shall design and construct its ~~the~~ distribution
14 system shall be laid out to maximize service reliability.

15 **(d)** Segmentation of system. A utility shall provide ~~Valves~~ valves shall be provided at reasonable
16 intervals and at appropriate locations so that repairs to or maintenance of the mains shall
17 minimize service interruptions.

18 **(e)** Location of mains. Utility-owned mains shall be located either in a public right-of-way, or in
19 a readily accessible easement. As much as possible, easements shall be free of encumbrances
20 such as pavement, expensive landscaping, mobile home pads, permanent structures, etc.

21 **(f)** Main ownership conditions. A utility may choose whether or not it shall accept for ownership
22 the mains within a mobile home park. Mains may only be accepted if they meet the utility's
23 construction standards and the requirements of ss. PSC 185.51 and 185.52.

1 (g) Repairs to mains. A utility may temporarily shut off the water supply to make repairs,
2 replacements, alterations, or additions to its plant or distribution system.

3 1. The utility shall make a reasonable attempt to notify any customers who are directly affected
4 by a scheduled service interruption at least 24 hours prior to shutting off the water supply. This
5 notice may be provided verbally or in writing.

6 2. A utility may not provide a credit to a customer for a temporary interruption of the water
7 supply due to repairs, replacements, alteration, or additions under this section.

8 SECTION 255. PSC 185.52 (2) is amended to read:

9 (2) ~~SERVICE LATERALS~~ LINES.

10 (a) Ownership, repair and replacement. Unless otherwise provided in the utility's schedule of
11 rates and rules, a utility shall own the portion of the service line from the main up to and
12 including the curb stop box. The utility shall be responsible for the maintenance, repair, and
13 replacement of the utility-owned portion of a service line. Unless otherwise provided in the
14 utility's schedule of rates and rules, the customer shall own the portion of the service line from
15 the connection to the curb stop box to the meter. The customer shall be responsible for the
16 maintenance, repair, and replacement of the customer-owned portion of a service line.

17 (am) Installed depth. ~~Laterals shall be placed~~ A utility shall place the utility-owned portion of a
18 service line at such depth or otherwise protected as will prevent freezing.

19 (b) Single connections. ~~A customer's~~ The customer-owned portion of a lateral service line shall
20 be directly connected to utility-owned facilities, and there shall be no other customer connection
21 downstream from the utility's shut-off valve. This does not apply to multi-occupancy premises,
22 such as apartments, condominiums, and shopping centers if a single owner is responsible to
23 maintain, repair or replace the customer-owned portion of the service line.

1 SECTION 256. PSC 185.61 (1) is amended to read:

2 (1) GENERAL. A utility may use any type of meter as long as it meets the accuracy
3 requirements specified in s. PSC 185.65. All meters used for measuring the quantity of water
4 delivered to a customer shall be owned and installed by the utility and in good working
5 condition. ~~They~~ A utility shall select meters that are be adequate in size and design for the type
6 of service measured and consistent with the temperature, pressure and flow ranges specified by
7 the manufacturer ~~and shall be accurate to the standard specified in s. PSC 185.65.~~ Cold water
8 ~~meters of the turbine type meters~~ shall be used for metered service only where the actual flow
9 rates fall entirely within the ~~normal~~ test flow limits of the meter specified by the manufacturer.
10 ~~Flow meters, including magnetic and ultrasonic meters, may be used for customer metering only~~
11 ~~with the specific approval of the commission.~~

12 SECTION 257. PSC 185.61 (2) is amended to read:

13 (2) OWNERSHIP. Meters, ROMs and ~~remote~~ automatic meter reading devices and systems
14 necessary for the billing of utility service shall be owned and maintained by the utility except
15 where otherwise authorized by the commission.

16 SECTION 258. PSC 185.61 (3) is amended to read:

17 (3) SALE OF METERS. A utility may sell meters if such meters are to be used solely for
18 nonutility purposes, such as unregulated sewer service. This section does not prohibit the sale of
19 meters between utilities.

20 SECTION 259. PSC 185.65 (1) is amended to read:

21 (1) ~~The test flow limits for positive displacement, compound, and turbine meters shall be as~~
22 follows: A utility shall test all meters for accuracy at the minimum, intermediate and maximum

1 flow rates using the specified test quantity of water in accordance with table below. The

2 accuracy limits apply to all meters including new, repaired and rebuilt meters.

3 ~~Note: See AWWA Standards C 700 (Positive Displacement Meters), C 702 (Compound Meters),~~

4 ~~and C 701 (Turbine Meters).~~

5 ~~Note: * See s. PSC 185.61 (1).~~

8 * Section PSC 185.73 (3) provides that at this flow rate the test quantity may be reduced to that

9 equivalent to one-half revolution of the test dial. For the typical 5/8-inch meter the minimum test

10 quantity would, therefore, be 5 gal. or 1/2 cu. ft.

11 SECTION 260. PSC 185.65 (2) and the note following PSC 185.65 (2) are repealed.

12 SECTION 261. PSC 185.65 (3) is amended to read:

13 ~~(3) Compound meters shall have a percent registration between 97 and 103 throughout the range~~

14 ~~of normal test flow limits.~~ At flows within the change-over flow range, the percent registration

15 for compound meters shall not be less than 90%.

16 SECTION 262. PSC 185.65 (4) is repealed.

17 SECTION 263. PSC 185.65 (5) is amended to read:

1 (5) ~~For Metering accuracy requirements apply to the complete meter installations installation~~
2 including the ~~with remote reading ROM or automatic meter reading systems devices the above~~
3 ~~accuracy requirements apply to the metering accuracy of the complete installation.~~

4 SECTION 264. PSC 185.73 (3) is amended to read:

5 (3) ~~The Notwithstanding the test quantity specified in the table in s. PSC 185.65, the volume of~~
6 water through the meter at each test flow point shall be sufficient to produce at least one
7 revolution of the test dial except at the "minimum test flow" point when said volume of water
8 shall produce at least one-half revolution of the test dial.

9 SECTION 265. PSC 185.73 (4) is amended to read:

10 (4) A meter not meeting the accuracy or other requirements of s. PSC 185.61 or 185.65 shall,
11 unless the meter must be retained under s. PSC 185.77 (3), be repaired or rebuilt to meet those
12 requirements before further use, or discarded.

13 SECTION 266. PSC 185.74 (1) is amended to read:

14 (1) TESTS. The minimum, intermediate and maximum test flow rates and "~~normal test flow~~
15 ~~limits~~" as used herein refer to those listed in s. PSC 185.65. The stated test flows apply for both
16 As Found and As Left tests.

17 SECTION 267. PSC 185.74 (2) is repealed and recreated to read:

18 (2) METERS OTHER THAN COMPOUND METERS. For each test of a meter other than a
19 compound meter, the percent registration shall be determined at each of the following test flows:

20 (a) At least one test at the minimum test flow rate.

21 (b) At least one test at the intermediate test flow rate, except were excluded on the table in s.
22 PSC 185.65.

23 (c) At least one test within the maximum test flow rate.

1 (d) At least one test at or near the maximum registration specified by the meter manufacturer, if
2 practicable.

3 SECTION 242. PSC 185.74 (3) is repealed and recreated to read:

4 (3) COMPOUND METERS. For each test of a compound meter it shall be determined whether
5 or not the by-pass unit operates at the minimum test flow and, in addition, the percent
6 registration shall be determined at each of the following test flows as determined from accuracy
7 curves for the particular type and size of meter:

8 (a) At least one test at the flow rate for maximum registration of the by-pass unit specified by the
9 meter manufacturer.

10 (b) At least one test at a flow rate near the point of minimum registration within the change-over
11 range specified by the meter manufacturer.

12 (c) At least one test within the maximum test flow range.

13 (d) At least one test at the maximum registration specified by the meter manufacturer, if
14 practicable.

15 (e) At least one test at approximately 50% of the maximum registration, but above the change-
16 over rate.

17 SECTION 268. PSC 185.74 (4) is repealed.

18 SECTION 269. PSC 185.75 (2) is amended to read:

19 (2) Periodically to ~~insure~~ ensure accuracy, (see s. PSC 185.76);

20 SECTION 270. PSC 185.76 (1) is amended to read:

21 (1) Customer meters ("in-use" meters) shall be tested as frequently as is necessary to maintain
22 their accuracies within requirements set forth in s. PSC 185.65. Unless otherwise authorized by

1 the commission, each utility shall observe a test schedule such that the intervals between tests do
 2 not exceed the following:

METER TEST INTERVALS	
Meter size <u>Size</u> (in.)	Test Interval (yr.)
5/8, 3/4, 1	10
1 1/2 and 2	4 <u>6</u>
3 and 4	2
6 and over	1

3
 4 SECTION 271. PSC 185.76 (3) is amended to read:

5 (3) Where local water conditions permit and with specific commission approval, the test interval
 6 for 5/8-, 3/4-, and 1-inch meters may be extended. This contemplates that the utility shall
 7 demonstrate that the accuracy of its meters shall be retained for this such period.

8 SECTION 272. PSC 185.76 (4) is amended to read:

9 (4) ~~For~~ Where local water conditions permit and with specific commission approval, the test
 10 interval for 3- and 4-inch meters, the above test interval may be extended to 4 years. where ~~This~~
 11 contemplates that the utility shall demonstrate that the accuracy of its meters shall be retained for
 12 this period.

13 SECTION 273. PSC 185.76 (6) is amended to read:

14 (6) ~~When system losses are less than the prescribed percentages under s. PSC 185.85 (4), a~~
 15 ~~utility in~~ In lieu of testing every meter as required under sub. (1), a utility may satisfy the
 16 requirements of this section for 5/8, 3/4, and 1-inch meters by adopting a new meter replacement
 17 program that results in each meter being replaced within 20 years of the original date of
 18 installation if the utility has data to demonstrate that the meters remain accurate for the 20-year
 19 period. The utility shall provide this data to the commission upon request.

20 Note: See s. PSC 185.85(4)(d).

1 SECTION 274. PSC 185.76 (7) is created to read:

2 (7) When requesting commission approval under sub. (3) or (4), a utility shall provide the

3 commission meter test data demonstrating the meters remain accurate for the extended period.

4 This data shall include the year in which a meter was purchased, the number of meters purchased

5 during that year and, as to the meters purchased in each year, all of the following:

6 (a) The test results for all of the meters.

7 (b) The number of years each meter was accurate without repairs.

8 (c) The number of meters that were retired during the extended period and the age at retirement.

9 (d) The number of meters that needed to be repaired during the extended period before being
10 placed back into service.

11 SECTION 275. PSC 185.79 title is amended to read:

12 **PSC 185.79 Remote outside meter (ROM) and automatic meter reading (AMR) system**
13 **tests.**

14 SECTION 276. PSC 185.79 (1) is amended to read:

15 (1) The ROM and ~~AMR~~ automatic meter reading systems shall be tested each time the

16 associated meter is tested. If the total recorded consumption of the ROM or automatic meter

17 reading system agrees with that of the base meter ~~or the AMR system read and the base meter~~

18 ~~read are the same~~, no further testing of the ROM or ~~AMR~~ automatic meter reading systems is

19 ~~needed~~-required.

20 SECTION 277. PSC 185.81 is repealed.

21 SECTION 278. PSC 185.82 (1) is repealed and recreated to read:

22 (1) The residual pressure at the meter shall be within the distribution system pressure required

23 under s. NR 810.10.

1 SECTION 279. PSC 185.82 (2) is repealed.

2 SECTION 280. PSC 185.79 (4) is amended to read:

3 **(4)** Each utility shall make such pressure tests or surveys as to assure that the pressure
4 limitations of ~~subs. sub. (1) and (2)~~ are ~~is~~ being met.

5 SECTION 281. PSC 185.83 (1) is repealed and recreated to read:

6 **(1)** A utility shall install station meters at all locations necessary to accurately measure the water
7 pumped into the distribution system. A station meter shall ordinarily be installed in the inlet
8 rather than outlet line of pressure tank storage reservoirs.

9 SECTION 282. PSC 185.83 (2) is amended to read:

10 ~~(2) Station meters shall be maintained~~ A utility shall maintain station meters to ensure
11 reasonable accuracy and shall ~~have~~ check the accuracy ~~checked~~ at least once every 2 years.

12 SECTION 283. PSC 185.83 (3) is amended to read:

13 ~~(3) Station~~ A utility shall select station meters shall be selected so that the actual flow rates are
14 entirely within the normal flow range for the particular meter, as defined by the manufacturer.
15 ~~These meters shall ordinarily be installed in the inlet rather than outlet line of pressure tank~~
16 ~~storage reservoirs.~~

17 SECTION 284. PSC 185.85 title is amended to read:

18 **PSC 185.85 Water audits and ~~water loss~~ non-revenue water control.**

19 SECTION 285. PSC 185.85 (1) (bm) is created to read:

20 **(bm)** “Economic level of leakage” means the level at which the cost of leakage abatement
21 activities exceeds the marginal cost of the water saved.

22 SECTION 286. PSC 185.85 (1) (e) is amended to read:

1 (e) "Revenue water" means the ~~volume of water entering the distribution system that is billed and~~
2 ~~for which the utility receives revenue~~ portion of authorized consumption that is billed and
3 produces revenue, including billed metered consumption and billed unmetered consumption.

4 SECTION 287. PSC 185.85 (1) (f), (g) and the note following (g) are repealed.

5 SECTION 288. PSC 185.85 (2) is amended to read:

6 (2) UTILITY PRACTICES. A ~~public~~ utility shall do all of the following:

7 SECTION 289. PSC 185.85 (2) (d) is amended to read:

8 (d) Identify and repair leaks in its distribution system to the extent that it is reasonable for the
9 ~~public~~ utility to do so.

10 SECTION 290. PSC 185.85 (2) (f) is amended to read:

11 (f) Maintain a continuing record of ~~system pumpage~~ water supplied to the distribution system
12 ~~and metered~~ authorized consumption.

13 SECTION 291. PSC 185.85 (3) (a) is amended to read:

14 (a) A ~~public~~ utility shall conduct an annual water audit on a calendar year basis using software
15 specified by the commission and shall submit the results of the audit to the commission no later
16 than April 1 of the subsequent year.

17 SECTION 292. PSC 185.85 (3) (b) is repealed.

18 SECTION 293. PSC 185.85 (4) is repealed and recreated to read:

19 (4) NON-REVENUE WATER CONTROL.

20 (a) Based on the results of its water audit, each utility shall establish both a plan and individual
21 goals for reducing its non-revenue water. A utility shall file its plan and a brief summary of its
22 goals with the commission at the same time it files its water audit under sub. (3) (a), or at a date
23 set by the commission.

1 **(b)** A utility shall file the plan required by par. (a) in a form and manner prescribed by the
2 commission. The plan shall consider measures such as the following:

3 **1.** Leakage management, including distribution system water leakage detection and repairs or
4 replacements.

5 **2.** Finished water meter flow verification.

6 **3.** Customer water meter testing and calibration.

7 **4.** Billing system business process evaluation.

8 **5.** Resource allocation, including planned preventative maintenance.

9 **(c)** A utility shall file the individual goals required by par. (a) in a form and manner prescribed
10 by the commission. The utility's goals shall consider measures such as the following:

11 **1.** The infrastructure leakage index from the water audit.

12 **2.** The data validity score from the water audit.

13 **3.** Operational real losses as shown in the water audit.

14 **4.** Operational apparent losses as shown in the water audit.

15 **5.** Economic level of leakage.

16 **6.** Other measures related to system efficiency.

17 **(d)** The commission may consider a utility's progress in reducing non-revenue water during
18 investigations and proceedings and require the utility to take any reasonable action.

19 Note: Reasonable action may include requiring periodic meter testing in accordance with
20 s. PSC 185.76(1).

21 SECTION 294. PSC 185.86 (1) is amended to read:

22 ~~**(1)** Dead end mains, or other low flow portions of distribution systems, shall be flushed as
23 needed to eliminate or minimize complaints from consumers arising from an objectionable~~

1 ~~condition of water due to lack of circulation. Hydrants or other flushing devices shall be placed~~
2 ~~to allow for flushing of the entire system. A utility shall establish a schedule for flushing dead-~~
3 ~~end mains or mains in other areas to remove sediment or water of poor quality consistent with s.~~
4 NR 810.13.

5 SECTION 295. PSC 185.86 (2) is amended to read:

6 (2) When practical, a utility shall give public notice of proposed flushing of mains ~~shall be given~~
7 by radio, newspaper announcement, or other appropriate means.

8 SECTION 296. PSC 185.86 (3) is amended to read:

9 (3) A utility shall keep a record ~~shall be kept~~ of all flushing of mains, showing the date, place,
10 and estimated volume of water used. This record shall be used by the utility ~~to determine the~~
11 ~~necessary frequency of flushing and~~ to estimate unmetered water use.

12 SECTION 297. PSC 185.88 is repealed and recreated to read:

13 **PSC 185.88 Cold weather conditions and freezing.**

14 (1) DEFINITIONS. For purposes of this section:

15 (a) "Utility-owned portion" means, unless otherwise specified in the utility's schedule of rates
16 and rules, all of the following:

- 17 1. The main and all facilities preceding the main.
- 18 2. The portion of the service line between the main and the curb stop.
- 19 3. The curb stop box and valve, including the connection to the customer-owned portion.

20 (b) "Customer-owned portion" means, unless otherwise specified in the utility's schedule of
21 rates and rules, that portion of the service line from the connection to the curb stop box to the
22 meter.

1 (c) "Unable to thaw" means an inability to remove a blockage created by freezing but does not
2 include a utility's failure to have proper equipment, personnel or training to thaw a utility-owned
3 portion or customer-owned portion.

4 (2) THAWING FROZEN PORTIONS OF A WATER SUPPLY SYSTEM. (a) *General rule.* A
5 utility shall be responsible for the cost of thawing the utility-owned portion. Except as provided
6 in par. (b), a customer shall be responsible for the cost of thawing the customer-owned portion.

7 (b) *Exceptions.* 1. A utility shall be responsible for the cost of thawing the customer-owned
8 portion, at no cost to the customer, if the customer has not received a notice under sub. (5)
9 (b) or (6).

10 2. A utility shall be responsible for the cost of thawing the customer-owned portion, at no cost to
11 the customer, if the freezing is a direct result of the utility disconnecting the customer for a
12 reason other than a dangerous condition and the disconnection occurs during a time when
13 conditions are such that freezing could reasonably be expected to occur. A dangerous condition
14 may include a vacant, unheated property at risk of the water piping freezing.

15 (c) *Alternative method of providing water.* A utility shall supply a customer with water until the
16 customer-owned portion or utility owned portion is thawed using an alternative method, if
17 practicable, if any of the following apply:

18 1. The utility is unable to thaw the utility-owned portion.

19 2. The utility is responsible for thawing the customer-owned portion and is unable to thaw the
20 customer-owned portion.

21 3. The utility has thawed the utility-owned portion and that portion freezes a second or more time
22 within 3 months because the customer failed to take the temporary corrective action
23 recommended by the utility.

1 **4.** The utility has thawed the customer-owned portion and that portion freezes a second or more
2 time within 3 months because the customer failed to take the temporary corrective action
3 recommended by the utility.

4 **(3) DETERMINING THE SOURCE OF THE FREEZING.** (a) A utility shall employ reasonable
5 methods for determining whether the source of the freezing was in the utility-owned portion or
6 the customer-owned portion.

7 **(b)** If the utility is unable to determine the source of the freezing, the utility shall treat freezing as
8 having begun in the utility-owned portion if there is no record of the customer-owned portion
9 freezing in the past.

10 **(c)** A utility shall document its findings about where freezing began.

11 **(4) UTILITY RESPONSIBILITY TO PREVENT FUTURE FREEZES.** **(a)** A utility is
12 responsible for preventing future freezes if it determines under sub. (3) that freezing began in the
13 utility-owned portion.

14 **(b)** If a utility is responsible for preventing future freezes, it shall do all of the following:

15 **1.** Initiate an immediate temporary corrective action that will prevent the utility-owned portion
16 from freezing again, such as giving the customer a run water notice under sub. (6).

17 **2.** Within a reasonable period of time, provide a lasting solution which may include adding
18 ground cover or insulation to protect the utility-owned portion from freezing.

19 Note: See s. PSC 185.52 (2) (am) which requires a utility to place the utility-owned portion of a
20 service line at such depth or otherwise protected as will prevent freezing.

21 **(5) CUSTOMER RESPONSIBILITY TO PREVENT FUTURE FREEZES.** **(a)** A utility is not
22 responsible for preventing future freezes if the utility determines under sub. (3) that freezing
23 began in the customer-owned portion.

1 (b) If the utility is not responsible for preventing future freezes, the utility shall provide a notice
2 to the customer in writing, containing of all of the following:

3 1. That freezing began in the customer-owned portion and the customer is responsible for
4 preventing future freezes.

5 2. That the customer may wish to initiate some immediate temporary corrective action to prevent
6 the customer-owned portion from freezing again, such as running the water at the customer's
7 expense.

8 3. That the customer should provide a lasting solution to prevent future freezing, such as adding
9 ground cover or insulation.

10 4. That the customer will be responsible for thawing the customer-owned portion in the future.

11 5. A statement that the customer may contact the commission staff in the event that the customer
12 disputes this finding and has pursued available remedies with the utility.

13 6. The commission's address, telephone number and web site.

14 (c) A utility shall provide the notice under sub. (b) at the following times:

15 1. At the time the utility first determines that freezing began in the customer-owned portion.

16 2. Between October 1 and December 1 of each succeeding year.

17 3. When a new customer applies for service at that location between the time the notice was
18 given under subd.1. or 2. and April 1 of the following year.

19 (6) RUN WATER NOTICE - INDIVIDUAL. (a) A utility shall include all of the following in a
20 notice under this subsection:

21 1. An explanation of why water should be run.

22 2. The date on which the customer should begin running water.

- 1 **3.** The volume of water to be run, such as at the rate of 1 gallon per X minutes or Y fluid ounces
2 per X minutes.
- 3 **4.** An explanation of how the volume in subd. 3. can be easily determined.
- 4 **5.** An explanation of how the customer will know when to stop running water.
- 5 **6.** That the customer will receive a credit for the water that it runs at the utility's request up to the
6 volume requested and a description of the method that will be used to calculate the credit for the
7 customer.
- 8 **7.** A statement that if the customer does not run water after receiving the notice, the customer
9 will be responsible for the cost of thawing the customer-owned portion.
- 10 **(b)** A utility shall deliver a notice under this subsection in at least 1 of the following ways:
- 11 **1.** First-class mail to the mailing address and the service address, if different.
- 12 **2.** Hand delivery to an adult member of the household at the service address.
- 13 **3.** Unless the customer has notified the utility that the premises is likely to be empty because the
14 customer is seasonal, leaving a notice at the service address.
- 15 **(c)** A utility shall keep a record of its method of delivery for each notice issued under this
16 subsection.
- 17 **(d)** A utility that issues a notice under this subsection shall notify the commission within 7 days
18 of issuing it if a notice is sent to the lesser of the following:
- 19 **1.** 500 customers.
- 20 **2.** 20% of the utility's customers.
- 21 **(7) RUN WATER NOTICE – EMERGENCY NOTICE. (a)** When weather conditions result in a
22 risk of the utility-owned portion of a significant number of customer services freezing, the utility
23 may issue an emergency notice to customers informing them that they should run water to

1 prevent freezing. The utility shall issue the notice in a manner most likely to reach its customers,
2 including television, radio, and its web site.

3 **(b)** A utility shall include all of the following in the notice under par. (a):

4 **1.** An explanation of why water should be run.

5 **2.** The volume of water to be run, such as at the rate of 1 gallon per X minutes or Y fluid ounces
6 per X minutes.

7 **3.** An explanation of how the volume in subd. 2. can be easily determined.

8 **4.** A statement that the customer will receive a credit for the water the customer actually runs, up
9 to the volume requested by the utility.

10 **(c)** A utility shall issue an individual written notice under sub. (6) to each affected customer as
11 soon as practicable after issuing an emergency notice under this subsection.

12 **(d)** A utility that issues a notice under this subsection shall notify the commission within 7 days
13 of issuing the notice.

14 **(8) CREDIT FOR WATER RUN TO PREVENT FREEZING.** If a utility requests that a
15 customer run water to prevent freezing in a portion of a water supply system for which the utility
16 is responsible the utility shall adjust the bill for the excess consumption which results up to the
17 volume of water the utility requested be run by the customer.

18 SECTION 298. PSC 185.89 (1) is amended to read:

19 **(1) ADEQUACY OF WATER SUPPLY.** A ~~public~~ utility shall exercise reasonable diligence to
20 furnish a continuous and adequate supply of water to its customers.

21 SECTION 299. PSC 185.89 (2) (a) is amended to read:

22 **(a)** A ~~public~~ utility shall make reasonable provisions to meet an emergency resulting from the
23 failure of power supply or from fire, storm, or similar events. A ~~public~~ utility shall inform its

1 employees of procedures to be followed in an emergency to prevent or mitigate the interruption
2 or impairment of ~~water~~ service.

3 SECTION 300. PSC 185.89 (3) is amended to read:

4 **(3) INTERRUPTIONS OF SERVICE.**

5 **(a)** A ~~public~~ utility shall make all reasonable efforts to prevent interruptions of service. If an
6 interruption occurs, the ~~public~~ utility shall make reasonable efforts to re-establish service with
7 the shortest possible delay, consistent with safety to its employees, customers, and the general
8 public.

9 **(b)** If an emergency interruption significantly affects fire-protection service, a ~~public~~ utility shall
10 immediately notify the fire chief or other responsible local official.

11 **(c)** A ~~public~~ utility shall make reasonable efforts to schedule planned interruptions at times that
12 minimize customer inconvenience. A ~~public~~ utility shall make reasonable efforts to notify
13 customers of the time and anticipated duration of a planned interruption.

14 **(d)** A ~~public~~ utility shall notify the ~~Commission~~ commission of a service interruption under s.
15 PSC 185.44 (1).

16 SECTION 301. PSC 185.90 (1) is amended to read:

17 **(1) DECLARATION.** A ~~public~~ utility may declare a water supply shortage if the ~~public~~-utility
18 cannot adequately meet customer demand due to drought, insufficient source capacity, or
19 excessive demand.

20 SECTION 302. PSC 185.90 (2) is amended to read:

21 **(2) PLAN.** A ~~public~~ utility may adopt a water supply shortage curtailment plan and file the plan
22 with the commission under s. PSC 185.21.

23 SECTION 303. PSC 185.90 (3) is amended to read:

1 **(3) APPLICABILITY.** Unless a ~~public~~ utility has adopted a water supply shortage curtailment
2 plan under sub. (2), the provisions of this section apply.

3 SECTION 304. PSC 185.90 (4) is amended to read:

4 **(4) TEMPORARY CURTAILMENT.** Except as provided in sub. (6), a ~~public~~-utility may
5 temporarily curtail ~~water~~-service to some or all of its customers during a water supply shortage,
6 if the curtailment is necessary to protect ~~public~~-utility facilities, to prevent a dangerous condition,
7 or to alleviate a condition that presents an imminent threat to public health, welfare, or safety.

8 SECTION 305. PSC 185.90 (5) is amended to read:

9 **(5) UTILITY RESPONSIBILITIES.** If a ~~public~~ utility determines that it is necessary to curtail
10 service under this section, the ~~public~~ utility shall do all of the following:

11 **(a)** Make reasonable efforts to notify customers affected by the water supply shortage.

12 **(b)** Request that all customers ~~to~~-enact voluntary water conservation measures to reduce water
13 consumption, including limiting irrigation and other non-essential uses.

14 **(c)** Implement any curtailment in an equitable manner that allows the ~~public~~ utility to maintain
15 reasonably adequate service to the greatest number of customers, consistent with public health,
16 welfare or safety.

17 **(d)** Promptly restore service.

18 SECTION 306. PSC 185.90 (6) is amended to read:

19 **(6) APPROVAL TO CURTAIL ESSENTIAL USE CUSTOMERS.** A ~~public~~ utility may not
20 curtail service to a customer under this section without the commission's prior approval if the
21 customer provides essential public health, welfare, or safety functions that require consistent
22 ~~water~~-service or if any of the conditions described in s. PSC 185.37 (8) (h), (8e), (8m), ~~(9)~~, or
23 (10) apply.

1 SECTION 307. PSC 185.90 (7) is amended to read:

2 **(7) REPORT.** A ~~public~~ utility shall report to the commission within 7 days of declaring a water
3 supply shortage. The ~~public~~ utility shall include in the report the reasons for any curtailment, the
4 number of customers affected, the duration of the curtailment, and any other information
5 requested by the commission.

6 SECTION 308. PSC 185.96 is repealed.

7 SECTION 309. PSC 185.97 (1) is amended to read:

8 **(1) DEFINITION.** In this section, "voluntary program" means a water conservation program a
9 ~~public~~-utility voluntarily proposes to administer or fund that provides rebates or other direct
10 financial incentives to customers for water-efficient products or services.

11 SECTION 310. PSC 185.97 (2) is amended to read:

12 **(2) REQUEST TO ADMINISTER OR FUND A VOLUNTARY PROGRAM.** A ~~public~~ utility
13 may not administer or fund a voluntary program without commission approval. A ~~public~~ utility
14 may file a request with the commission for authorization to administer or fund one or more
15 voluntary programs within its service area. A utility requesting a voluntary program shall provide
16 all of the following information:

17 **(a)** A description of the proposed program, including the target market, eligible measures,
18 delivery strategy, marketing and communications strategy, incentive strategy, and potential
19 market effects.

20 **(b)** The proposed annual program budget, including administrative costs, and source of funding.

21 **(c)** Annual and multi-year performance targets that are consistent with commission goals and
22 policies.

23 **(d)** A portfolio and program level net cost effectiveness analysis.

1 (e) A description of the ~~public~~ utility's proposed tracking and reporting system.

2 (f) A description of the ~~public~~-utility's proposed evaluation, measurement, and verification plan.

3 (g) A description of how the ~~public~~ utility will coordinate its voluntary program with any
4 statewide water conservation program, including any requirements contained in ch. NR 852.

5 (h) Any other information the commission requests.

6 SECTION 311. PSC 185.97 (3) (a) 2. is amended to read:

7 **2.** The likelihood the ~~public~~ utility will achieve its program goals.

8 SECTION 312. PSC 185.97 (3) (a) 6. is amended to read:

9 **6.** The adequacy of the ~~public~~ utility's evaluation, measurement, and verification plan.

10 SECTION 313. PSC 185.97 (3) (b) is amended to read:

11 (b) Unless the voluntary program is included in a general rate proceeding, the commission shall
12 issue its decision to approve, deny, or modify a proposed voluntary program in writing within 40
13 60 working days after receiving the proposal. If the commission denies or modifies a proposed
14 voluntary program it shall explain its reasons for the denial or modification. If the commission
15 denies a voluntary program, the ~~public~~ utility may revise and resubmit a request for approval of a
16 voluntary program at any time.

17 SECTION 314. PSC 185.97 (4) is amended to read:

18 **(4) MODIFYING OR DISCONTINUING A VOLUNTARY PROGRAM.** A ~~public~~-utility may
19 request that the commission authorize the modification or discontinuation of a voluntary program
20 at any time. A ~~public~~ utility may not modify or discontinue a voluntary program without
21 commission approval.

22 SECTION 315. PSC 185.97 (5) is amended to read:

1 **(5) RETURN OF FUNDS.** The commission may require a ~~public~~ utility to return any unspent
2 funds collected for a voluntary program approved under this section to its ratepayers.

3 SECTION 316. PSC 185.97 (6) is amended to read:

4 **(6) ANNUAL REPORTS.** A ~~public~~-utility receiving commission approval for a voluntary
5 program under this section shall submit an annual report to the commission no later than April 1
6 following the covered year. The report shall include all of the following:

7 **(a)** A summary of program activities in the previous calendar year.

8 **(b)** An itemized accounting of administrative and program costs.

9 **(c)** The program balance or deficit at the end of the year.

10 **(d)** Estimated water savings attributable to the program, by customer class.

11 **(e)** The number of customers receiving rebates or other incentives.

12 **(f)** Estimated non-water benefits, including energy savings.

13 **(g)** Other performance metrics identified by the ~~public~~ utility.

14 **(h)** Any other information requested by the commission.

15 SECTION 317. PSC 185.97 (7) is amended to read:

16 **(7) AUDITS AND VERIFICATION.** The commission may conduct an audit, or contract with an
17 independent third-party evaluator to conduct an audit, to verify the performance of a ~~public~~
18 utility's voluntary program. The ~~public~~-utility shall pay for the costs of the evaluation, as
19 determined by the commission.

(END)
