(3) **PARENTAL CHOICE.** A parent may choose any child care provider that meets the conditions in sub. (1).

(4) **PRICE AND RATE.** A parent may choose a child care provider with a child care price that is higher than the applicable maximum rate and pay the difference between the provider's child care price and the applicable maximum rate under s. DCF 201.06 in addition to any required copayment.

The agency shall require the parent to provide documentation of the disability or health condition from a doctor, psychiatrist, or psychologist.

(5) **CARE PROVIDED IN A CHILD'S HOME.** A child care administrative agency may authorize payment for child care services in a child's home only if the child care provider is certified under s. 48.651, Stats., and any of the following apply:

b. The dependent minor parent and the child reside with a person who is considered the child's parent for the purposes of this chapter and who may be the dependent minor parent's custodial parent, kinship care relative, foster parent, or guardian or interim caretaker receiving a payment under s. 48.623, Stats., for the care and maintenance of the dependent minor parent.

A child care administrative agency may authorize payment for child care by a new provider effective in the current month for the sibling of a child whose circumstances qualify for a hardship authorization under sub. (13) if the sibling attends the same child care provider.

History: EmR1709; emerg. cr., eff. 5-4-17; CR 17-033; cr. Register January 2018 No. 745, eff. 2-1-18; correction in numbering (13) (intro.) made under s. 13.92 (4) (b) 7., Stats., correction in (13) (a) made under s. 35.17, Stats., Register January 2018 No. 745.

DCF 201.04 Payments and overpayments. (2) PAYMENTS. (a) *Amount.* The amount of a monthly subsidy payment shall be based on the number of hours of child care that an agency authorizes and any of the following that are applicable:

1. For care by a provider licensed under s. 48.65, Stats., the lower of the provider's child care price or the applicable maximum rate under s. DCF 201.06 (4), minus any copayment required under s. DCF 201.08.

2. For care by a provider certified under s. 48.651, Stats., the applicable rate under s. DCF 201.06 (5), minus any copayment required under s. DCF 201.08.

3. For care at a child care program established or contracted for by a school board under s. 120.13 (14), Stats., the applicable rate under s. DCF 201.06 (6), minus any copayment required under s. DCF 201.08.

(b) *Electronic.* The department may issue all payments by electronic funds transfer.

(c) *Expiration.* A parent's subsidy payment shall expire 90 days after the date that the department issues the payment to the parent.

(d) *Billing and collecting.* A parent's child care provider is responsible for billing and collecting payment for child care services from the parent.

(2g) TEMPORARY ABSENCE. A child care administrative agency may authorize payment to hold a slot for a child with a child care provider if the parent has a temporary break in employment and intends to return to work and continue to use the child care provider upon return to work. The agency may authorize payment for no more than 6 weeks if the absence is due to a medical reason and is documented by a physician or for no more than 4 weeks if the absence is for other reasons. The department and child care administrative agency may not consider payment for a temporary absence to be an overpayment if the parent intended to return to work but does not actually return.

(5) OVERPAYMENT RECOVERY AND PENALTIES. (a) *Parent overpayments.* 1. A child care administrative agency or the department shall take all reasonable steps necessary to recover from a parent funds paid to a child care provider or to that parent when the parent was not eligible for that level of payment under the child care subsidy program and the overpayment benefited the parent by causing the parent to pay less for child care expenses than the parent otherwise would have been required to pay under the requirements of the child care subsidy program. Section DCF

101.23 shall apply to overpayment collection from a parent under this section.

2. An overpayment shall include excess child care funds paid when there was a change in family eligibility circumstances that was significant enough that it would have resulted in a smaller child care subsidy payment or ineligibility for the child care subsidy program due to any reason, including the following:

a. The parent failed to report a change in circumstances that may affect his or her eligibility within 10 days after the change.

b. The parent was absent from an approved activity under s. 49.155 (1m) (a), Stats., without good cause, while the child was in the care of the provider.

3. The child care administrative agency shall determine good cause under subd. 2. b. if the approved activity is employment. A parent's absence from employment shall be considered good cause if the parent is using employer-approved sick time, personal time, or vacation time and the child is in care for no more than the hours authorized.

(b) *Provider overpayments.* A child care administrative agency or the department shall take all reasonable steps necessary to recoup or recover from a provider any overpayments made for child care services for which the provider was responsible or overpayments caused by administrative error that benefited the provider. A provider shall be responsible for an overpayment if any of the following conditions are met:

2. A provider was paid with child care funds for care provided at a location other than the location for which the authorization for care was issued, except for field trips.

3. A provider was paid with child care funds for care during time when the provider was in violation of the applicable provision regarding limits on the maximum number of children in care or the required provider-to-child ratios for children of various ages in s. DCF 202.08 (6), 250.05 (4), 251.05 (4), or 252.42 (3).

4. A provider was paid with child care funds for care during time when the provider was in violation of the terms of the provider's license under s. DCF 250.04 (1), 251.04 (1), or 252.05 (3), including age of the children served by the center and hours, days, and months of operation of the center.

(bm) *Joint liability.* A provider and parent shall be jointly and severally liable for an overpayment if the provider and parent colude to violate a requirement under this chapter or s. 49.155, Stats.

(c) *Penalties for subsidy violations.* If a child care provider submits false, misleading, or irregular information to a child care administrative agency or the department or if a child care provider fails to comply with the terms of the program in s. 49.155, Stats., or this chapter and the provider fails to provide to the satisfaction of the department an explanation for the noncompliance, the child care administrative agency or department may take one or more of the following steps:

1. Refuse to issue new child care authorizations to a provider for a period of time not to exceed 6 months.

2. Revoke existing child care authorizations to the provider.

3. Refuse to issue payments to the provider, in addition to the authority granted to the department under s. 49.155 (7) (b) 4., Stats.

4. Recoup overpayments under par. (e) or (ed).

5. Impose a forfeiture on the provider under par. (cg).

(cg) *Forfeitures.* A child care administrative agency or the department may impose a forfeiture of \$100 to \$10,000 on a child care provider if the provider intentionally or egregiously violates a provision in this chapter or s. 49.155, Stats. In determining the amount of the forfeiture, the child care administrative agency or department shall identify specific dates relating to a specific child for any violations and shall consider the following factors:

1. Seriousness of the violations.

2. Extent of the violations.

3. History of prior violations.

4. Prior imposition of penalties.

5. Provider willingness to obey program rules.

6. The size and type of child care provider.

(cr) *Licensing or certification violations.* If the department or a certification agency has given notice to a provider that the provider is in violation of applicable licensing or certification rules under ch. DCF 202, 250, 251, or 252 and the provider has not corrected the violation, the department or child care administrative agency may refuse to issue new child care authorizations, revoke existing child care authorizations, or refuse to issue payments until the provider has corrected the violation and demonstrated sufficient controls to ensure that the violation or comparable violations are unlikely to occur again.

(d) *Notice.* If the department or a child care administrative agency refuses to issue new authorizations, revokes existing authorizations, or refuses to issue payments to a provider under par. (c) or (cr), the child care administrative agency or the agency shall provide written notice to the parent and provider as soon as possible before the effective date of the penalty.

(e) *Recoup from funds payable to continuing provider.* If a provider has not repaid an overpayment, the child care administrative agency or department may recover the overpayment by recouping from current or future funds under its control that are payable to the provider of no more than 50 percent of each payment if the provider is expected to continue to care for children whose care is subsidized under s. 49.155, Stats.

(ed) *Recoupment from funds payable to provider who is not continuing.* If a provider or former provider has not repaid an overpayment and the provider or former provider is not expected to continue to care for children whose care is subsidized under s. 49.155, Stats., the child care administrative agency or department may recover the overpayment by recouping 100 percent of funds under its control that are payable to the provider or former provider.

(eh) *Warrant and execution under section 49.195 (3m), Stats.* 1. 'Creation of lien.' a. If the department does not receive a debtor's payment on a debt for repayment of an overpayment by the due date 3 times over the life of a debt, the debt shall be considered delinquent. If a debt is delinquent and no review or appeal rights under s. DCF 201.07 are pending and the time for requesting a review has expired, the department may issue a warrant directed to the clerk of circuit court of any county.

b. The clerk of circuit court shall enter in the judgment and lien docket the name of the debtor named in the warrant, the amount for which the warrant is issued, and the date on which the clerk entered the information.

c. The department shall pay the fees required under s. 814.61 (5), Stats., for entering the warrant and shall collect the fees from the debtor named in the warrant when satisfaction or release is presented for entry.

d. A warrant issued under subd. 2. b. shall be considered in all respects a final judgment constituting a perfected lien upon the debtor's right, title, and interest in all real and personal property located in the county in which the warrant is entered.

e. The department shall provide the debtor with notice and an opportunity for a hearing under ch. 227, Stats., when a warrant has been issued. The debtor may request a hearing under ch. 227, Stats., within 20 days from the date on the notice. The appeal shall be limited to questions of prior payment of the debt that the department is proceeding against and mistaken identity of the debtor. The department may not withdraw a warrant based on a request for hearing.

2. 'Execution of the warrant.' a. After the warrant is issued and no review or appeal rights under subd. 1. e. are pending and the time for requesting a review has expired, the department may file an execution with the clerk of circuit court for filing with the

sheriff of the county, commanding the sheriff to execute the warrant and sell sufficient real and personal property of the debtor to pay the amount stated in the warrant in the same manner as upon an execution against property issued upon the judgment of a court of record, and to return the warrant to the department and pay to it the money collected by virtue of the warrant within 90 days after receipt of the warrant. The execution may not command the sheriff to levy upon or sell any property that is exempt from execution under ss. 815.18 (3) and 815.20, Stats.

b. The department shall provide the debtor with notice and an opportunity for a hearing under ch. 227, Stats., before property is seized. The debtor may request a hearing under ch. 227, Stats., within 20 days from the date on the notice. The appeal shall be limited to questions of prior payment of the debt that the department is proceeding against and mistaken identity of the debtor. The department may not cease enforcement or seizure based on a request for hearing.

c. The department shall provide the debtor with notice and an opportunity for a hearing under ch. 227, Stats., before seized property is sold. The debtor may request a hearing under ch. 227, Stats., within 20 days from the date on the notice. The appeal shall be limited to questions of prior payment of the debt that the department is proceeding against and mistaken identity of the debtor. If a hearing is requested, the department shall notify the sheriff that seized property may not be sold before the hearing decision is issued or the hearing request is withdrawn.

3. ‘Satisfaction of the warrant.’ When the amount set forth in the warrant and all costs due the department have been paid to it, the department shall issue a satisfaction of the warrant and file it with the clerk of circuit court. The clerk of circuit court shall immediately enter a satisfaction of the judgment on the judgment and lien docket. The department shall send a copy of the satisfaction to the person named in the warrant.

(ep) *Levy under section 49.195 (3n), Stats.* 1. ‘Definition.’ In this paragraph, “personal property” means all tangible and intangible property and rights to such property that is not real estate, including compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonus or otherwise; periodic payments received pursuant to a pension or retirement program; rents; proceeds of insurance; contract payments; stock and bonds; and accounts in financial institutions.

2. ‘Notice prior to levy.’ a. If the department does not receive a debtor’s payment on a debt for repayment of an overpayment by the due date 3 times over the life of a debt, the debt shall be considered delinquent. If a debt is delinquent and no review or appeal rights under s. DCF 201.07 are pending and the time for requesting a review has expired, the department shall give notice to the debtor that the department may pursue legal action for collection of the debt.

b. The department shall make the demand for payment and give notice to the debtor at least 10 days prior to the levy, personally or by any type of mail service that requires a signature of acceptance, at the address of the debtor as it appears on the records of the department. The demand for payment and notice shall include a statement of the amount of the debt, including interest and penalties, and the name of the debtor who is liable for the debt.

c. The debtor’s refusal or failure to accept or receive the notice does not prevent the department from making the levy.

d. Notice prior to levy is not required for a subsequent levy on any debt of the same debtor within one year of the date of service of the original levy.

3. ‘Service of levy and review when property levied.’ a. The department may collect the debt and the expenses of the levy by levy upon any personal property belonging to the debtor.

b. The department shall serve the levy upon the debtor and any 3rd party in possession of or obligated with respect to property or rights to property that is subject to levy by personal service or by any type of mail service that requires a signature of acceptance

as provided in s. 49.195 (3n) (m), Stats. The debtor or 3rd party’s failure to accept or receive service of the levy does not invalidate the levy.

c. Any debtor who is subject to a levy proceeding made by the department has the right to appeal the levy proceeding under ch. 227, Stats., within 20 days from the date on the service of levy. The appeal shall be limited to questions of prior payment of the debt that the department is proceeding against and mistaken identity of the debtor. The levy is not stayed pending an appeal where property is secured through the levy.

4. ‘Third–party response.’ a. Within 20 days from the service of the levy upon a 3rd party, the 3rd party shall file an answer with the department stating whether the 3rd party is in possession of or obligated with respect to property or rights to property of the debtor, including a description of the property or the rights to property and the nature and dollar amount of any such obligation.

b. Any person in possession of or obligated with respect to personal property or rights to personal property that is subject to levy and upon which a levy has been made shall, upon demand of the department, surrender the personal property or rights or discharge the obligation to the department, except that part of the personal property or rights which is, at the time of the demand, subject to any prior attachment or execution under any judicial process.

5. ‘Appeal rights before surrendered property is sold.’ If levied personal property that has been surrendered to the department is not a liquid asset in the form of cash, check, or an equivalent that can be applied to the debt without a sale of the asset, the department shall provide the debtor with notice and an opportunity for a hearing under ch. 227, Stats., before surrendered property is sold. The debtor may request a hearing under ch. 227, Stats., within 20 days from the date on the notice. The appeal shall be limited to questions of prior payment of the debt that the department is proceeding against and mistaken identity of the debtor. If a hearing is requested, surrendered property may not be sold before the hearing decision is issued or the hearing request is withdrawn.

6. ‘Exemption rights.’ a. The debtor is entitled to an exemption from levy of the greater of a subsistence allowance of 75 percent of the debtor’s disposable earnings then due and owing, an amount equal to 30 times the federal minimum hourly wage for each full week of the debtor’s pay period, an amount equal to 60 times the federal minimum hourly wage for a two–week pay period, or an amount equal to 130 times the federal minimum hourly wage for a monthly pay period.

b. The first \$1,000 of an account in a depository institution is exempt from any levy to recover an overpayment.

7. ‘Proceeds.’ a. The department shall apply all money obtained under this paragraph first against the expenses of the proceedings and then against the liability for which the levy was made and any other liability owed to the department by the debtor.

b. Whenever the value of any personal property that has been levied upon under this paragraph is not sufficient to satisfy the claim of the department, the department may levy upon any additional personal property of the debtor until the debt and expenses of the levy are fully paid.

c. The department may refund or credit any amount left after the applications under subd. 7. a., upon submission of a claim for that amount and satisfactory proof of the claim, to the person entitled to that amount.

(et) *Threshold for warrant and execution and levy.* The minimum amount that must be due before collection proceedings under par. (eh) or (ep) may be commenced is \$300.

(f) *Parent not liable.* If the department refuses to issue payment based on a provider’s violation of a requirement in this chapter, the provider may not hold the parent liable for payment other than the copayment and any amount that the parent agreed to above the department’s maximum reimbursement rate if the par-

ent relied on an approved authorization for care for his or her child to receive care from the provider.

(g) *Waiver.* The department may waive recovery of an overpayment under this subsection if the department has made reasonable efforts to recover the overpayment and determines it is no longer cost effective to continue overpayment recovery efforts.

(6) MONITORING OF CHILD CARE PROGRAMS. The department or the child care administrative agency may take one or more of the following steps to monitor a provider's compliance with program requirements:

(a) Require the provider to submit documentation signed by the parent of the actual times that the child was dropped off to and picked up from the child care provider.

(b) Contact the parents to determine the child's actual attendance hours.

(c) Require the provider to submit attendance and payment records for families that pay for child care costs out of their own personal funds.

(d) Require the provider to have attendance records available at the child care site whenever the department or child care administrative agency requests to review them.

(e) Make on-site inspections to monitor provision of authorized services.

DCF 201.044 Incentive program for local fraud detection. (1) **DEFINITION.** In this section, "local agency" means a child care administrative agency, excluding an agency in a county having a population of 500,000 or more.

(2) **IDENTIFYING FRAUD.** The department shall provide an incentive payment to a local agency for identifying fraud in the child care subsidy program on the part of a child care provider if all of the following apply:

(a) The local agency investigates the child care provider by doing any of the following:

1. Conducting site visits.
2. Collecting and reviewing the provider's attendance and billing records.
3. Interviewing persons of interest.
4. Gathering supporting case information.

(b) The local agency's investigation finds that the child care provider intentionally submitted false, misleading, or irregular information to the department or failed to comply with the terms of the child care subsidy program and failed to provide to the satisfac-

tion of the agency or the department an explanation for the non-compliance.

(c) The local agency calculates and establishes the amount of the overpayment made to the provider as a result of the provider's actions under par. (b).

(d) The local agency's actions in pars. (a) to (c) result in the department, in conjunction with the local agency, withholding payments to be made to the child care provider under s. 49.155 (7m) (a) 2., Stats.

(e) The withholding of payments under par. (d) is upheld in the final review under s. DCF 201.07 or the provider does not request a review or appeal.

(f) If directed by the department, the local agency requests the district attorney to consider criminal prosecution of the child care provider.

(3) PAYMENT AMOUNT. (a) The department shall determine the amount of an incentive payment earned by a local agency under sub. (2) by multiplying all of the following amounts:

1. The statewide average monthly subsidy payment per child in the preceding fiscal year.

2. The average monthly number of children for whom payment was authorized to the provider under s. DCF 201.04 (2g) in the 12 months before the local agency or the department withheld payments under sub. (2) (d). If payment was not authorized to the provider for all of the preceding 12 months, the average monthly number of children for the number of months that payment was authorized.

3. 1.5 months.

(b) An incentive payment earned by a local agency for identifying fraud in the child care subsidy program under sub. (2) by a single child care provider may not exceed \$25,000.

(c) A local agency may earn more than one incentive payment per year if the local agency identifies fraud in the child care subsidy program under sub. (2) by more than one child care provider in that year.

(4) USE OF INCENTIVE FUNDS. A local agency that has earned an incentive payment may request that the department distribute the funds for any of the following purposes:

(a) The local agency's child care fraud contract with the department for the following year.

(b) The local agency's current child care fraud contract with the department if the request is made in the first half of the contract term.

Note: Contracts with counties are based on a calendar year and contracts with tribes are based on a federal fiscal year.

(c) Any purpose that is consistent with the state plan under 42 USC 602 for the use of federal funds under the Temporary Assistance to Need Families program under 42 USC 601 *et seq* for the time period when the funding is distributed if the state plan has been approved by the federal administration for children and families.

Note: The currently-approved state plan is available on the department's website, <http://dcf.wisconsin.gov>, by clicking on About Us/Department Programs/Temporary Assistance to Needy Families.

(d) If pars. (a) to (c) do not apply, any purpose for which funds under the Temporary Assistance for Needy Families program may be used under 42 USC 601 *et seq* if the federal administration for children and families approves an amendment to the state plan under 42 USC 602 that allows that purpose.

(b) *Age groups.* Within each county, the department shall set maximum rates for the following age groups:

1. Infants and toddlers under 2 years of age.
2. Children 2 years of age and over, but under age 4.
3. Children 4 years of age and over, but under age 6.
4. Children ages 6 to 13 years.

(c) *Types of providers.* Within each county and within each age group, the department shall set maximum rates for child care services by each of the following types of providers:

1. Group child care centers licensed under s. 48.65, Stats., and ch. DCF 251 and day camps licensed under s. 48.65, Stats., and ch. DCF 252.

2. Family child care centers licensed under s. 48.65, Stats., and ch. DCF 250.

(b) The department shall include only child care prices submitted in writing in the survey results.

(3) **MAXIMUM RATES FOR LICENSED CENTERS AND DAY CAMPS.** (a) *Licensed group child care centers and day camps.* The department shall set maximum rates so that at least 75 percent of the slots in a county at group child care centers licensed under ch. DCF 251 and day camps licensed under ch. DCF 252 may be purchased at or below the maximum rate. The number of slots attributed to a group child care center or day camp shall be equal to the licensed capacity.

(b) *Licensed family child care centers.* The department shall set maximum rates so that at least 75 percent of the slots in a county at family child care centers licensed under ch. DCF 250 may be purchased at or below the maximum rate. The number of slots attributed to a family child care center shall be equal to the center's licensed capacity.

(c) *Exclusions.* In determining maximum rates for licensed group child care centers, licensed family child care centers, and licensed day camps under pars. (b) Foster parents do not have a copayment responsibility for the foster children in their care.

(c) Subsidized guardians or interim caretakers of a child under s. 48.623, Stats., do not have a copayment responsibility for that child in their care.

Child Care Co-Payment Schedule for Licensed and Certified Care

Use the family's monthly income and family size to determine the FPL percentage. If the family's income is between the two lines use the higher amount. Look to the right to find the co-payment by number of children in subsidized care.

Wisconsin Shares Copayment Schedule

Use the family's monthly income and family size to determine the FPL percentage. If the family's income is between two lines use the higher amount.

Each family has a base copayment and an additional per-child amount.

The Per Child Copayment	From Monthly Hours	To Monthly Hours	% Copay
The Per Child Copayment amount is further adjusted based on the monthly hours for the individual child.	0	15	10

	121	135	90

For example: A one-parent family at 100 percent FPL with two children in care for 45 hours per week would have a base copay of \$68 and a total per-child copay of \$74.

Base Copay: \$68
 45 Hours/Week x 2 Children > 81 Monthly Hours
 100 % Copay = \$68
 Per Child Copay: \$37
 45 Hours/Week > 136 Monthly Hours
 100 % Copay = \$37 (x 2 Children)
 Total Per Child Copay: \$74

\$68 + \$74 = \$142
Total Monthly Copay: \$142

Copayment types: REG = based on family size, FPL, and number of children in care, this code is used for working parents, W-2 participants, and FSET participants. KIN = \$0 copay, is used for families with court-ordered kinship or guardianship care. NCK = based on 70% FPL, is used for families that have no court order but are caring for a relative child. FOS = \$0 copay, Foster families. LNF = \$0 copay, used for participants of the Learnfare program. WWE = based on 70% FPL and is used for W-2 participants in their first two months of unsubsidized employment. THS = based on 70% FPL and family size and is used for teen parents that are attending high school. The base copayment is prorated based upon the monthly authorized hours of child care for the family and the per child copayment is based upon the monthly authorized hours of child care for the individual child. Monthly hours are rounded up to the nearest whole hour when determining the copayment.
 Effective: June 1, 2017

Note: This copayment schedule is current as of June 1, 2017. DCF may make future adjustments to the schedule as described in sub. (3).
