The Department of Natural Resources (department) proposes repealing s. NR 216.022, Wis. Adm. Section 283.31 (1), Stats., specifically states that the discharge of any pollutant into any waters of the state or the disposal of sludge from a treatment work by any person is unlawful unless such discharge or disposal is done under a permit issued by the department under this section or s. 283.33, Stats.

4. Related Statutes or Rules:

- Section 283.35, Stats.
- Section 283.37, Stats.
