January 14 · 🌐

Watch for black ice conditions overnight as patchy freezing drizzle can make roads very slippery, especially on bridges and overpasses.

Give yourself room and extra time. Rear-end collisions occur when drivers tailgate and can't react or maneuver in time. Leave 3 seconds between vehicles for additional braking distance.

It's not too late to review these winter driving tips before you head out: <http://bit.ly/2DNdr1Q>
