U Drive. U Text. U Pay. Texting while driving is always illegal. It's national Distracted Driving Month and the WI State Patrol reminds drivers of the dangers of distracted driving -- texting, eating, anything that takes the driver's focus off the road.

No phone in work zones. State law also prohibits drivers from using a hand-held electronic device in a work zone. Since the law took effect in the fall of 2016, there have been 490 traffic convictions in WI for violating the law.
