Do you and your teen understand the big, potentially lifesaving decision to become an organ donor? It's a potentially sensitive discussion to have but [DonateLifeWisconsin.org/Teens](http://DonateLifeWisconsin.org/Teens) has created this video to help.

Wisconsin DMV has an important role in organ donation. Drivers can register to be an organ and tissue donor when they sign up or renew their driver license or ID card. Registering means that they authorize the donation of their organs, tissues and eyes upon their death. This status can be changed anytime at [DonateLifeWisconsin.org](http://DonateLifeWisconsin.org).

Another way DMV supports this lifesaving effort is by collecting a \$2 contribution to Donate Life – Wisconsin when DMV customers check the box on their driver license application.
