There are many ways to get out and enjoy Wisconsin this holiday weekend. While fishing is allowed on WisDOT right of ways, hunting or setting traps is not. Always keep safety in mind and these points:

- A "no fishing" sign has not been posted at that location (see Statutes 346.29(3) and 349.20).
- The fish caught are intended for personal use and not for sale.
- The activity does not interfere with the free flow of traffic or endanger the individuals, motorists, or other users of the transportation system.
- The individual complies with all applicable DNR fishing rules and regulations.
