Getting to know the Plans, Specifications and Estimates (P&E) process can be challenging, especially for emerging businesses, but here's an opportunity to learn straight from the experts at the Wisconsin Department of Transportation. Come join WisDOT on February 13 for a workshop on the P&E process as part of the 33rd Annual DBE Conference and Secretary's Golden Shovel Awards, where you can learn about P&E as well as other topics to help your firm better target its goals in the road construction industry. More information: https://bit.ly/3uM_mR6
