ADMINISTRATIVE RULES

Fiscal Estimate & Economic Impact Analysis

In Illinois, an inactive license may be restored by verification of active practice in another jurisdiction, completion of a one year education program, six months in a supervised experience, or passing an examination.

In Iowa, an inactive license may be reactivated by verification of practice in another jurisdiction and 40 hours of continuing education, or if inactive more than 5 years, completion of 80 hours of continuing education.

In Michigan, if the license has been expired less than 3 years, the licensee is required to complete 30 hours of continuing education. If the license has been expired more than 3 years, the licensee is required to provide evidence of a current license in another jurisdiction or pass an examination.

In Minnesota, if the licensee is required to complete the requirements for examination and licensure in effect at the time of application for relicensure.
