The title search application will display the date that WisDOT last processed a title for a vehicle if the vehicle identification number (VIN) and owner identifier entered match our records. If your record does not display, [check processing times and mailing information](#).

Tips for using the title transfer search application

- For best results, use the Wisconsin driver license/ID number for individuals or the FEIN (Federal Employer Identification Number) for non-individual (i.e., businesses, trusts, etc.) searches.
- Do not use the letter "O" when entering in a VIN. Use the number "0."
- Do not use the letters "Q" or "I" when entering in a VIN as these letters are not used in standard VINs.

Note: This WisDOT application is not a secure website. Personal information such as names, address, social security numbers, date of birth, etc. will not be displayed.

This service may not be available on Sundays from 6 a.m.–9 a.m. due to regular system maintenance.
