School bus plates expire in June every five years and receive month, year and vehicle inspection stickers. Place the June month sticker in the lower left corner of the plate; place the year sticker in the lower right corner. The vehicle inspector will place the inspection sticker to the left of the plate number.

When used for non-school transportation, a school bus must obtain charter bus registration and a combined year/month sticker. Place the year/month sticker to the left of the plate numbers and above the vehicle inspection sticker.

Applicable plate type:

- Motor bus (with BSB school bus registration) - BUS
