Personal information you provide may be used for purposes other than that for which it was originally collected (Privacy Law sec. 19.62-19.80, Wis. Stats.).

Part I – Applicant

Responsible person is any of the following persons, or that person's successor in interest:

- a) A person who owns or controls an agricultural chemical that is discharged;
- b) A person who causes a discharge;
- c) A person on whose property an agricultural chemical is discharged.

Part II - Consultant

If someone other than the responsible person is directing the cleanup, enter that person's name, the company that person represents, street address, city, zip code and mailing address, (if other than the street address). Enter a telephone number and fax where the person directing the cleanup can be reached during normal working hours.

Part III - Discharge Site Information

- a. Discharge site means the area affected by one or more discharges. It includes all contiguous land that is owned, leased or controlled by the responsible person at the time the discharge occurs, plus any other area affected by the discharge. Whenever an agricultural chemical is discharged while being transported from a site owned or controlled by a person who owns or controls the discharged agricultural chemical, the discharge is deemed to occur at that site.
- b. List all product(s) present at the discharge site including petroleum, agricultural chemicals and other products.
- c. Transportation related discharges include those discharges which occurred off site either while transporting or making applications of agricultural chemicals.
- d. **Pesticide manufacturer** is a person who produces or manufactures any pesticide. Refer to sec. 94.67(28), Wis. Stats., for clarification.

Pesticide labeler is a person who affixes his or her label to the pesticide or any of its containers or labeling. Refer to 94.67(20), Wis. Stats., for clarification.

As interpreted by this department, a **common carrier** is any person who holds him/herself out to the pubic as willing to undertake for hire to transport property over regular or irregular routes upon the railways, waterways or public highways.

Commercial application business is a corporation, limited liability company, cooperative association, partnership, natural person doing business as a sole proprietor or other non-governmental business entity that does either of the following:

- 1. Operates as a commercial applicator for hire.
- 2. Uses or directs the use of a restricted-use pesticide as a commercial applicator, either directly or through an employee, per to sec. 94.67(5)(a), Wis. Stats., for clarification.

To **distribute** means to import, consign, sell, offer for sale, solicit orders for sale or otherwise supply **fertilizer or pesticide** for sale or use in this state, per sec. 94.645(1)(c), Wis. Stats.

- e. Count all full-time equivalents to determine the number of employees.
- j. Any person who makes, or conspires with another person to make any false, deceptive or misleading representation in connection with a reimbursement application is ineligible for any reimbursement for that corrective action, and is also ineligible for reimbursement for any other corrective action taken or ordered at any discharge site within five years after the date of that application. Persons filing fraudulent claims may also be subject to criminal prosecution.
