2. What is the sales tax rate?

The Wisconsin sales tax is a 5% tax imposed on the sales price of retailers who sell, license, lease, or rent tangible personal property, certain coins and stamps, certain leased property affixed to realty, or certain digital goods, or sell, license, perform, or furnish taxable services in Wisconsin.

3. What is the use tax rate?

The Wisconsin use tax is a 5% tax imposed on the purchase price of tangible personal property, certain coins and stamps, certain leased property affixed to realty, certain digital goods, or taxable services that are used, stored, or consumed within Wisconsin, but upon which a Wisconsin sales or use tax has not previously been paid.

4. What is the county rate?

For the 68 Wisconsin counties who have adopted a county tax, the county tax is a 0.5% tax imposed on the sales price from retail sales, licenses, leases, or rentals of tangible personal property, certain coins and stamps, certain leased property affixed to realty, or certain digital goods, or the selling, licensing, performing, or furnishing of taxable services in a county with a county tax, with the following exception. Sales of motor vehicles, boats, recreational vehicles, and aircraft are subject to the county use tax (rather than county sales tax).

Retailers who make sales subject to the 0.5% county tax must collect 5.5% sales tax on their retail sales:

- o 5% state sales tax, and
- o 0.5% county sales tax.

- make taxable sales that are sourced to (i.e., take place in) a county with a tax; or
- sell a motor vehicle, boat, recreational vehicle, or aircraft that will be customarily kept in a county which has adopted the county tax.
