

# STATEMENT OF SCOPE

## Radiography Examining Board

Rule No.: Chapters RAD 1 and 4

Relating to: Scope of practice

Rule Type: Permanent

**1. Finding/nature of emergency (Emergency Rule only):**

N/A

**2. Detailed description of the objective of the proposed rule:**

The objective of the proposed rule is to update the scope of practice standards in ch. RAD 4 to reference current standards set by the American Society of Radiologic Technologists (ASRT). As part of this process, the Board will review and possibly update the definitions in ch. RAD 1.

**3. Description of the existing policies relevant to the rule, new policies proposed to be included in the rule, and an analysis of policy alternatives:**

The scope of practice standards for radiographers and limited X-ray machine operators in current rules are a reproduction of the standards for scope of practice established by the American Society of Radiologic Technologists (ASRT) in 2017. ASRT periodically updates its standards, most recently in 2019. The proposed rules would amend the administrative code to reference current ASRT standards.

**4. Detailed explanation of statutory authority for the rule (including the statutory citation and language):**

Section 15.08 (5) (b), Stats., provides examining boards, "shall promulgate rules for its own guidance and for the guidance of the trade or profession to which it pertains. . ."

Section 227.11 (2) (a), Stats., sets forth the parameters of an agency's rule-making authority, stating an agency, "may promulgate rules interpreting provisions of any statute enforced or administered by the agency. . .but a rule is not valid if the rule exceeds the bounds of correct interpretation."

**5. Estimate of amount of time that state employees will spend developing the rule and of other resources necessary to develop the rule:**

60 hours

**6. List with description of all entities that may be affected by the proposed rule:**

Licensed radiographers and limited X-ray machine operator permit holders.

**7. Summary and preliminary comparison with any existing or proposed federal regulation that is intended to address the activities to be regulated by the proposed rule:**

None.

**8. Anticipated economic impact of implementing the rule (note if the rule is likely to have a significant economic impact on small businesses):**

The proposed rule will have minimal to no economic impact on small businesses and the state's economy as a whole.
