

LEGISLATIVE REFERENCE BUREAU (LRB)

NOTICE REGARDING PAGE NUMBERING OF CHAPTER NR 149

The insertion of ch. NR 149, which was repealed and recreated by CR 17-046 effective June 29, 2021, in the 782B register temporarily resulted in overlapping page numbering. Chapter NR 149 will be republished in the June 786B register to remove the old version of NR 149, which will correct the numbering. We apologize for any inconvenience.
