

Notice of Hearing

The Department of Natural Resources announces that it will hold a public hearing on an emergency rule EmR2126 to revise chapter NR 20 relating to Minocqua Chain walleye harvest regulations. In accordance with s. 227.17, Wis. Stats., the DNR is seeking public comment and feedback on EmR2126 at the time and virtual location shown below.

Hearing Information

Date: November 4, 2021

Time: 2 p.m.

Virtual Location Link: Online via [Zoom](#) or by phone at 1-312-626-6799, Meeting ID 892 4913 1816

Rule Information: This emergency rule will extend the existing walleye harvest regulation on the Minocqua Chain of Lakes (consisting of Kawaguesaga, Minocqua, Mid, Little Tomahawk and Tomahawk lakes) for the 2021 fishing season while the permanent rule is in the final stages of promulgation. The current regulation sunsetted in April 2020. Extending this regulation will allow walleye stocked into these waters to continue to replenish populations on the Minocqua Chain.

This rule extends the zero bag limit and defines the size limit as “none,” and this rule will be superseded by the near-term catch-and-release regulation in the permanent rule.

Initial Regulatory Flexibility Analysis: The department anticipates a minimal economic impact, if any, as a result of these rules. Because this rule will extend an existing regulation, local anglers and businesses are not anticipated to experience any new economic impacts.
