<p>15. Benefits of Implementing the Rule and Alternative(s) to Implementing the Rule Implementation of this rule will remove outdated or potentially onerous rule sections. The changes also seek to increase offender compliance. The Department could choose not to propose the revisions, which would mean the rule would continue to be outdated and/or potentially onerous.</p>	
<p>16. Long Range Implications of Implementing the Rule Indeterminate, as it is not possible to predict the frequency with which the changes will impact DOC's population. It is anticipated the changes to 328.04(3)(d) will simplify the provision which could lead to increased offender compliance.</p>
