

Notice of Submittal of Proposed Rule to Legislative Council Rules Clearinghouse

On January 3, 2022, the Department of Natural Resources submitted a proposed rule to the Wisconsin Legislative Council Clearinghouse pursuant to s. 227.15 (1), Wis. Stats.

Analysis

The proposed rules affect Chapters NR 1, 107, 109, 150, 193, 329 and 345, relating to aquatic plant management, manual removal and mechanical control regulations, aquatic habitat protection, and surface water grants.

Statement of Scope

The scope statement for this rule, SS 024-20, was approved by the Governor on April 20, 2020, published in Register No. 772B on April 27, 2020, and approved by the Natural Resources Board on May 27, 2020.

Agency Procedure for Promulgation

A public hearing is required and will be held on February 22, 2022.

Agency Organizational Unit Primarily Responsible for Promulgating Rule
