ANALYSIS

Statutes Interpreted: Not applicable

Statutory Authority: ss. 227.11 (2) and 227.14 (1), Stats.

Explanation of Agency Authority: Section 227.11 (2), Stats., provides statutory rulemaking authority as follows:

(a) "Each agency may promulgate rules interpreting the provisions of any statute enforced or administered by the agency, if the agency considers it necessary to effectuate the purpose of the statute..."

(b) "Each agency authorized to exercise discretion in deciding individual cases may formalize the general policies evolving from its decisions by promulgating the policies as rules ..."

Section 227.14 (1), Stats., requires rules to follow the form and style used by the Legislative Reference Bureau.

(1) "In preparing a proposed rule, an agency shall adhere substantially to the form and style used by the legislative reference bureau in the preparation of bill drafts and the form and style specified

1 in the manual prepared by the legislative council staff and the legislative reference bureau under s.
2 227.15 (7). To the greatest extent possible, an agency shall prepare proposed rules in plain language
3 which can be easily understood.”

4 Executive Order #15, signed on March 12, 2019, states:

5 “Now, therefore, I, Tony Evers, Governor of the State of Wisconsin, by the authority vested in me
6 by the Constitution and the Laws of the State, hereby order the following:

7 1. Direct each State Agency to review its administrative rules and replace any derogatory
8 or offensive terminology with current, inclusive terminology. This includes, but is not
9 limited to replacing:

10 a. ‘Mentally retarded’ with ‘intellectually disabled’;

11 b. ‘Mental retardation’ with ‘intellectual disability’; and

12 c. ‘Handicapped’ with ‘disabled.’

13 2. Direct each State Agency to complete its review and submit a scope statement to make
14 such changes no later than 90 days from the date of this order.”

15
16 **Related Statute or Rule:** Not applicable.

17
18 **Plain Language Analysis:** Executive Order #15 provides for each state agency to review its administrative
19 rules and replace any derogatory or offensive terminology with current inclusive terminology. This includes
20 replacing "mentally retarded" with "intellectually disabled," "mental retardation" with "intellectual
21 disability," and "handicapped" with "disabled."

22
23 The Legislative Reference Bureau Bill Drafting Manual directs agencies to avoid disfavored terminology
24 such as “disabled person” and “person who suffers from a disability (or other condition),” unless to conform
25 language to federal law. The Legislative Reference Bureau Bill Drafting Manual also directs agencies to
26 consult The Chicago Manual of Style if a question of style, grammar, or usage is not answered in the
27 drafting manual. The Chicago Manual of Style states that, in general, it is best to “emphasize the person,
28 not a characteristic.”

29
30 This proposed rule is intended to accomplish only terminology changes in existing rules to eliminate
31 outdated language and replace language that is derogatory or offensive with current, inclusive terminology.
32 This rulemaking is intended to leave the scope and subjects of existing rules unchanged, resulting in no
33 substantive effect on any entity.

34
35 The below rule replaces “disabled persons” with “individuals with disabilities;” “elders” with “seniors;”
36 and “Indian” or “Native American” with “American Indian.”

37
38 According to the Legislative Reference Bureau Bill Drafting Manual, the preferred terminology when
39 referring to American Indian tribes, bands, or individuals is “American Indian.” Previously, the Trans code
40 referred to American Indian tribes, bands, or individuals as “American Indian,” “Indian,” or “Native
41 American,” interchangeably. This rule amends all references to “Indian” and “Native American” to
42 “American Indian” for consistency and accuracy.

1 This rule also amends many references to gender-specific language, such as “his or her,” “he or she,” and
2 “him or her” and replaces these pronouns to the corresponding nouns. The Legislative Reference Bureau
3 Bill Drafting Manual directs each agency, when drafting new rules and revisiting existing rules, to eliminate
4 all terminology that is not sex-neutral and avoid the repetitious use of phrases of “he or she” and “his or
5 her.” The rule changes reflect every instance in which replacing the pronoun with the corresponding noun
6 would not create undue confusion.

7
8 **Summary of, and Comparison with, Existing or Proposed Federal Statutes and Regulations:** The
9 Department is unaware of any existing or proposed federal language that would affect terminology used in
10 this state’s administrative code.

11
12 **Comparison with Rules in Adjacent States:**

13
14 **Illinois:**

15 Upon a review of Illinois’ transportation rules, Illinois uses the terms, “handicap,” “handicapped,” and
16 “elderly” sporadically. *See* 92 Ill. Adm. Code 445 App. A and App. B, 92 Ill. Adm. Code 534.210, 92 Ill.
17 Adm. Code 651.103 and 651.301, 92 Ill. Adm. Code 1001.410 and 1001.420, and 92 Ill. Adm. Code
18 1040.20 and 1040.80.

19
20 **Iowa:**

21 Upon review of Iowa’s transportation rules, Iowa uses the term, “elderly,” on a very limited basis and does
22 not use the terms, “handicap,” “handicapped,” “mentally retarded,” nor “mental retardation.” *See* Iowa
23 Admin. Code 761-910.4(324A) App. and Iowa Admin. Code 761-411.2(321L).

24
25 **Michigan:**

26 Upon review of Michigan’s transportation rules, Michigan uses the term, “elderly,” on a very limited basis
27 and does not use the terms, “handicap,” “handicapped,” “mentally retarded,” nor “mental retardation.” *See*
28 Mich. Admin. Code R 247.4102, 247.4201, and 247.4202.

29
30 **Minnesota:**

31 Upon review of Minnesota’s transportation rules, Minnesota uses the term, “elderly,” throughout Minn. R.
32 8840. Minnesota’s transportation rules do not appear to use the terms, “handicap,” “handicapped,”
33 “mentally retarded,” nor “mental retardation.”

34
35 **Summary of the Factual Data and Analytical Methodologies:** The Department has determined that the
36 rule will not have a significant economic impact on a substantial number of small businesses, as the rule
37 does not regulate small businesses.

38
39 **Analysis Regarding Rule’s Effect on Small Businesses:** Not applicable.

40 The agency contact person listed below is also the small business regulatory coordinator for this proposed
41 rule. This proposed rule, fiscal estimate, and other related documents may be viewed at

28 appropriation for the program, the amount of aids allocated to each county shall equal the total amount available
29 for allocation for the calendar year multiplied by the ratio of the number of ~~elderly and disabled persons~~ seniors
30 and individuals with disabilities in the county to the total number of ~~elderly and disabled persons~~ seniors and
31 individuals with disabilities in Wisconsin.

27 systems with respect to tariff schedules, ~~elderly senior~~ and disabled reduced fare programs, route service plans,
28 subsystem arrangements, and operating procedures, no single method of calculating annual passenger trips is
29 appropriate for every system. When reviewing a system's proposed election of the methods prescribed in sub.
30 (1), the department shall determine whether its election will be appropriate for that system for the purpose of
31 providing valid and reliable measure of that system's ridership and will allow that system's total to be
32 comparable to the totals of all other participating systems.

33
34 **SECTION 9. Trans 4.02 (8) is amended to read:**

6 **Trans 57.07 Issuance of certificate.** A certificate may be issued by the secretary, or ~~his or her~~ the secretary's
7 designee, if it is determined that the location of the proposed airport site is compatible with existing and planned

9 ordinances, laws or regulations of any other governmental body or agency. The certificate is permanent.

10
11 **SECTION 13 Trans 58.06 (3) (g) is amended to read:**

12 **Trans 58.06 (3) (g)** Wisconsin American Indian Tribes.

13
14 **SECTION 14. Trans 100.05 (3) (intro.) is amended to read:**

15 **Trans 100.05 (3) (intro.)** Notwithstanding sub. (1), a law enforcement officer, emergency medical technician,
16 first responder or fire fighter may request a reportable accident not be reported on a public abstract of ~~his or her~~
17 their driver record by submitting the approved form. The licensee must show that one or more of the following
18 conditions existed at the time of the accident:

19
20 **SECTION 15. Trans 100.15 (3) (a) is amended to read:**

21 **Trans 100.15 (3) (a)** The person submits credible evidence to the department that ~~he or she~~ the person was not
22 the driver or owner of the vehicle involved in the accident.

29 of the issuance of the notice by the department, the person satisfies one of the requirements of sub. (1) (a) to
30 (i).

31
32 **SECTION 17. Trans 101.07 (3) (Note) is amended to read:**

33 **Trans 101.07 (3) (Note)** For example, if a driver who is suspended with 13 points completes a course, the
34 driver's point reduction shall be applied to reduce his point total to 10 points and the case will be released.
35 (Potentially making the driver eligible for reinstatement if ~~he/she~~ the driver is otherwise eligible for licensing).
36 Similarly, a driver who has accumulated 10 points and attends traffic safety school would receive the 3-point
37 reduction to seven points. If ~~he~~ the driver then received a 4-point assessment for a violation, ~~his~~ the driver's
38 point total will be 11 points and ~~he~~ the driver will not be subject to suspension. If a driver has 2 or fewer demerit
39 points on ~~his~~ the driver's record before attending driver school and accumulates an additional 12 demerit points
40 after course completion, the Department will apply the demerit point reduction only to reduce the 2-point total
41 the driver had before attending the school. [See subs. (1) (intro.) and (5)] Thus, upon using the reduction, this
42 driver's demerit point total would be 12 points and the driver would be subject to a demerit point suspension.

1 **SECTION 18. Trans 102.15 (3) (a) 2., 15. (intro.), (c) (Note), (5) (d), (5m) (b) 1., 3g. h., and (6m) (e) are**

5 jurisdiction or a certificate of birth abroad issued by the U.S. department of state (federal form FS-545 or DS-
6 1350);

7 **15. (intro.)** ~~A Native~~ An American Indian identification card meeting all of the following requirements:

8 **(c) (Note)** See, *State v. Hansford*, 219 Wis. 2d 226, 580 N.W.2d 171 (1998); 35 Wis. Op. Atty. Gen. 178, 179
9 (1946). This process may be used to overcome an error on a supporting document, such as a spelling error or
10 incorrect name, to enable an applicant to receive an identification card in ~~his or her~~ the applicant's legally
11 correct name.

12 **(5) (d)** Any person issued an identification card without charge for purposes of voting without a social security
13 number as provided in par. (a) is required to provide ~~his or her~~ the person's social security number on any
14 subsequent application for an instruction permit or operator's license, unless another exception applies to that
15 application.

17 and the person's proof of name and date of birth under sub. (3) or of proof of U.S. citizenship under sub. (3m)
18 is unavailable, the person may make a written petition to the administrator for an exception to the requirement
19 for which proof is unavailable. The department shall provide appropriate translation for any person who is
20 unable to read or understand the petition process instructions and related communications under this subsection
21 or sub. (6m). The petition shall include the person's statement under oath or affirmation of all of the following:
22 that the person is unable to provide documentation under sub. (3) or proof of U.S. citizenship under sub. (3m);
23 that the documents are unavailable to the person; and of ~~his or her~~ the person's name, date of birth, place of
24 birth, and such other birth record information requested by the department, or the person's alien or U.S.
25 citizenship and immigration service number or U.S. citizenship certificate number.

26 **3g. h.** Other documentation deemed acceptable to the administrator, within ~~his or her~~ the administrator's
27 reasonable discretion.

28 **(6m) (e) Address changes.** Whenever any person, after receiving an identification card receipt under this
29 subsection, moves from the address named in the application or in the receipt issued to ~~him or her~~ the person

31 the person shall, within 30 days, notify the department of ~~his or her~~ the person's change of address. Upon
32 receiving a notice of change of address, the department shall promptly issue a new receipt under par. (a)
33 showing the correct address and having the expiration date of the prior receipt.

7 be consecutively numbered, contain the date of application, name of school, type or types of lessons, lectures,
8 tutoring or instruction to be given, fee to be charged or the word none if no charge, the statement, "This
9 constitutes the entire agreement between the school and the customer and no verbal statement or promises will
