

SS 090-22 Submittal Notice

Department of Military Affairs [Emergency Management] (WEM)

Administrative Code Chapter Affected: Ch. WEM 1 (Revised)

Related to: Establishment of a fee payment structure for owners or operators of facilities with hazardous chemicals present, as directed by s. 323.60 (7), Stats.

Notice of Submittal of Proposed Rule to Legislative Council Rules Clearinghouse

On June 22, 2023, the Department of Military Affairs submitted a proposed rule to the

Wisconsin Legislative Council Clearinghouse pursuant to s. 227.15 (1), Wis. Stats.

Analysis

The proposed rule changes would increase in emergency planning notification and hazardous chemical inventory fees required by s. 323.60(7), Stats., clarifying when fees and required reports are considered submitted to WEM, permitting electronic submissions, removing reference to obsolete statutes and updating language to conform to applicable statutes.

Statement of Scope

The scope statement for this rule, SS 090-22, was approved by the Governor on November 10, 2022, published in Register No. 803A3 on November 21, 2022, and approved by Major General Paul E. Knapp, The Adjutant General, Department of Military Affairs, on December 9, 2022.

Agency Procedure for Promulgation

A public hearing is required and will be held on August 3, 2023.

Agency Organizational Unit Primarily Responsible for Promulgating Rule

Department of Military Affairs [Emergency Management] (WEM).
