Note: Local health departments that are agents for the department have authority under s. 463.16 (4), Stats., to establish and collect fees for licenses issued by the local health department. An establishment license is not transferable. If an operator sells or otherwise transfers ownership or operation of an establishment to another person, a new initial license is required, and the establishment may not be opened to the public until the department has issued a new initial license.

(b) *Practitioner.* No person may tattoo or body pierce another person, use or assume the title of tattooist or body piercer, or designate or represent himself or herself as a body piercer unless the person has obtained a license from the department by application made upon a form furnished by the department under sub. (2) **LICENSE DURATION AND RENEWAL.** (a) Each establishment and practitioner’s license issued under this chapter shall expire on June 30, except that a license initially issued during the period beginning on April 1 and ending on June 30 expires on June 30 of the following year.

(b) Each license shall be renewed annually as provided in sub. (3) (b).

(3) **LICENSE APPLICATION.** (a) *Initial license.* Application for an initial or new practitioner or establishment license shall be made on an application form furnished by the department or its agent and accompanied by all of the following:

(b) *Renewal license.* 1. To renew the license of an establishment, the operator shall pay the department, the applicable establishment license fee specified under s. SPS 221.05 (2) (c) shall be paid in addition to the license fee.

2. To renew a practitioner’s license, the practitioner shall pay the department the fee specified under s. SPS 221.05 before the license expires.

If your establishment was licensed by a local health department, contact the local health department for its license fee schedule.

(4) **DEPARTMENT AND AGENT ACTION ON LICENSE APPLICATION.** (a) The department or its agent shall issue or deny a license within 30 days after receiving a complete application, all applicable fees, and the other information required under sub. (3).

(b) Except as provided in ss. 440.13 and 463.14, Stats., the initial issuance, renewal or continued validity of a license issued under this subsection may be conditioned upon the requirement that the licensee correct a violation of this chapter, s. 463.10 or 463.12, Stats., or ordinances adopted under s. 463.16, Stats., within the period of time specified. If the condition is not met within the specified time or after an extension of time as approved by the department, the license is void. No person may operate an establishment or practice as a tattooist or body piercer after the person’s license has been voided under this paragraph, and any person who does may be subject to the penalties under s. 463.18, Stats. A person whose license is voided under this paragraph may appeal the decision under s. SPS 221.08.

(c) The department or its agent may refuse to issue or renew a license to operate an establishment under any of the following circumstances:

1. The department or its agent has not conducted a preinspection of an establishment for which an initial or new license is required under sub. (1).

(5) **VOIDED LICENSE FOR FAILURE TO PAY FEES.** If a license applicant, operator, or practitioner fails to pay all applicable fees and processing charges under s. SPS 221.05 within 15 days after the license applicant, operator, or practitioner receives notice of an insufficiency under s. SPS 221.05, or within 45 days after the expiration of the license, whichever occurs first, the license is void. An operator or practitioner whose license is voided under this subsection may appeal the decision under s. SPS 221.08. In

an appeal concerning a voided license under this subsection, the burden is on the license applicant, operator, or practitioner to show that the entire applicable fees and processing charges have been paid. During any appeal process concerning a payment dispute, operation of an establishment, or practice as a tattooist or body piercer, is deemed to be operation or practice without a license and is subject to the fees under s. SPS 221.05 (2) (e) in addition to the fees otherwise due, unless the license applicant, operator, or practitioner meets its burden of proof under this subsection.

(7) DISPLAY OF LICENSE. The operator of an establishment shall display in the establishment, in a place visible to the public, the licenses issued by the department or its agent for the establishment and for all practitioners working in the establishment. A license may not be altered or defaced.
