Subchapter I — Employee Welfare Funds

Ins 8.11 County and school district self-insured employee health care benefits: excess or stop-loss insurance requirements. (1) **PURPOSE.** This section interprets ss. 59.52 (11) (c) and 120.13 (2) (c), Stats., for the purpose of prescribing detailed requirements for excess or stop-loss insurance for self-insured employee health care benefit plans provided by counties or school districts.

(2) **SCOPE.** This section applies to any county or school district that alone or together with one or more counties or one or more school districts provides employee health care benefits on a self-insured basis to less than 1,000 covered employees.

(3) **DEFINITIONS.** In this section:

(a) "Aggregate claims" means total actual claim amounts incurred under the employee health care benefit plan during a benefit period.

(b) "Aggregate deductible" means the aggregate amount of liability specified in the excess or stop-loss insurance contract at or below which the county or school district remains liable for payments for eligible claims.

(c) "Benefit period" means a twelve-month accounting or reporting period of the employee health care benefit plan.

(d) "Coinsurance" means a fixed percentage of each claim established in the employee health care benefit plan which the county or school district is obligated to pay for each person covered in the plan.

(e) "Covered employees" means employees participating in an employee health care benefit plan.

(f) "Employees eligible to participate" means employees who are eligible to be covered employees under the terms of the employee health care benefit plan.

(g) "Employee health care benefit plan" means a self-insured plan established by one county or school district or jointly by 2 or more counties or 2 or more school districts to provide health care benefits to employees eligible to participate in the plan.

(h) "Expected claims" means the most accurate actuarial estimate of aggregate claims during a benefit period.

(i) "Incurred" means to have provided or furnished a service or item to an employee or dependent covered under an employee health care benefit plan for which a charge for a covered expense is made.

(j) "Maximums" means the largest total amount of claims per person established by the employee health care benefit plan which the county or school district is obligated to pay.

(k) "Paid basis" means the application of a claim payment to the aggregate deductible for the benefit period in which the payment is actually made, regardless of when the claim is incurred.

(L) "Quota share reinsurance" means insurance purchased for the employee health care benefit plan which pays the plan a predetermined fixed percentage of each claim.

(4) **EXCESS OR STOP-LOSS INSURANCE REQUIREMENTS.** (a) Excess or stop-loss insurance required by s. 120.13 (2) (c), Stats., shall provide coverage for all claims incurred during the term of the policy or contract at a level at which an actuary has certified that the probability that aggregate claims will exceed 125% of expected claims is less than 5%.

(b) Each employee health care benefit plan shall be covered by one excess or stop-loss insurance policy that satisfies par. (a), regardless of the number of counties or school districts participating in the plan.

(c) Notwithstanding par. (a), a county or school district that self-insures employee health benefits under a plan in which an actuary has certified that the probability that aggregate claims will exceed 125% of expected claims is less than one-half percent need not purchase excess or stop-loss insurance.

(5) EXCESS OR STOP-LOSS INSURANCE PROVIDED ON A PAID BASIS. (a) Excess or stop-loss insurance required by s. 120.13 (2) (c), Stats., may provide coverage on a paid basis.

(b) Upon termination for any reason of an excess or stop-loss insurance policy that provides coverage on a paid basis, the policy shall apply all claims incurred but not paid prior to the termination of the policy to the aggregate deductible of the benefit period in which the service or item was provided or furnished to an employee or dependent under the self-insured employee health care benefit plan.

(6) ACTUARIAL CERTIFICATION. (a) Every county or school district with a plan that is subject to s. 120.13 (2) (c), Stats., shall file with the commissioner of insurance within 30 days after the effective date of the self-insured employee health care benefit plan, every 3 years thereafter and whenever a material change occurs to the plan, an actuarial certification that includes information on:

1. The number of employees eligible to participate in the plan and the number of covered employees in the plan.
2. A description of the plan's coverage including but not limited to an outline of benefits provided, deductibles, coinsurance, maximums and quota share reinsurance, if any.
3. A statement that the plan satisfies the excess or stop-loss insurance requirements specified in sub. (4).
4. Except for a county or school district with a plan subject to s. 641.08, Stats., a copy of the excess or stop-loss insurance contract and of the plan for self-insuring.

Note: A county or school district with a plan subject to ch. 641, Stats., must already file this information with the commissioner.

Note: Chapter 641, Stats., was repealed by 2003 Wis. Act 261.

(b) The actuarial certification required in par. (a) may be filed by an actuary employed by the excess or stop-loss insurer or by an actuary independent of the excess or stop-loss insurer.

(c) Two or more counties or 2 or more school districts that jointly establish an employee health care benefit plan shall designate the individual who will file the actuarial certification required in par. (a). Only one actuarial certification shall be filed for the plan.

Note: The commissioner of insurance will utilize the following tables to evaluate actuarial certifications for accuracy and compliance with this section. The following example illustrates the application of the tables. This example only gives a basic description of how to use the following tables. It may be necessary to extrapolate or interpolate from the information given in the tables in order to apply the tables to a particular plan. An actuary or other qualified person should be consulted to be certain that a plan meets the requirements of sub. (4). Also note that no table provides a description of dental or vision plan benefits. Under sub. (4) (c), many dental or vision plans may not need to purchase stop-loss insurance.

Example

Assume a school district has a self-insured employee health care benefit plan that covers 250 employees and family members. The plan offers individual specific stop-loss of \$25,000 and provides benefits with a \$500.00 deductible per person, 80% coinsurance and \$1,000.00 out-of-pocket limit per person.

The plan's stop-loss coverage and benefit package are the same as that used in Table 7. Therefore, use Table 7 for determining whether the plan meets the requirements in sub. (4).

In Table 7, use the 125 percent of mean line. Since sub. (4) (a) deals with "125% of expected claims," refer to the 125% of mean line when using any of the tables.

To determine whether the probability that aggregate claims will exceed 125% of expected claims is less than 5%, subtract the decimal numbers shown in the tables from the number "1". For example, for a plan offering the benefits described in Table 7 and having 25 employees, the probability that aggregate claims will exceed 125% of expected claims is 28% (1 minus .72 = .28). It is 26% for 50 employees (1 minus .74), 23% for 100 employees (1 minus .77), etc.

In this example, the plan covers 250 employees. Table 7 shows that at 250 employees, the probability that aggregate claims will exceed 125% of expected claims is 18% (1 minus .82).

In order to comply with the rule, this probability must be less than 5%. In this example, the probability is 18%. Therefore, the school district or county must purchase aggregate stop-loss insurance at a level sufficient to bring this probability down to less than 5%. Stop-loss insurance is sold at various levels, including a level at which the probability that aggregate claims will exceed 125% of expected claims is less than

5%. At a minimum, the school district or county should purchase stop-loss insurance at this level.

- I, the employee, do not have a risk characteristic or other attribute that would be the sole cause for the small employer insurer to make a decision with respect to premiums or eligibility for a policy that is adverse to the small employer.
- My spouse is covered or will be covered under another plan that is not sponsored by this employer. My spouse is **not** enrolled for coverage under the Health Insurance Risk-Sharing Plan (HIRSP). If currently covered, please attach a copy of your spouse's identification card for that plan.

I was not pressured, forced or unfairly induced by my employer, the agent or the insurer(s) into

waiving or declining the group health insurance. If in the future I apply for coverage, I, my spouse, or any of my dependent child(ren) may be treated as a late enrollee and subject to postponement or an exclusion of coverage for preexisting conditions for a period of up to 18 months. This period may be offset by the time I, my spouse or my dependent child(ren) was covered under a qualified health plan.

I understand that if I am declining enrollment for myself, my spouse, or my dependent child(ren) because of other health insurance coverage, including Medicaid, I may in the future be able to enroll myself, my spouse, or my dependent child(ren) in this plan, provided that I request enrollment within 30 days after my other health coverage ends or 60 days after Medicaid ends. In addition, if I gain a dependent spouse or child(ren) as a result of marriage, birth, adoption, or placement for adoption, I understand that I may be able to enroll myself, my spouse and my dependent child(ren), provided that I request enrollment within 30 days after the marriage, birth, adoption or placement for adoption. Ins 8.50 Underwriting restriction. In determining whether to issue or continue to provide coverage to a small employer, a small employer insurer may not consider the occupation of the employees of the small employer or the type of business in which the small employer is engaged.

History: Cr. Register, October, 1992, No. 442, eff. 11-1-92.

Ins 8.52 Regulation of rates and rate changes.

(1) IDENTIFICATION OF THE SET OF MIDPOINT RATES. (a) Each small employer insurer shall identify a set of rates applicable to all combinations of case characteristics and benefit design characteristics that serves as the set of midpoint rates for policies issued to small employers. These rates shall be represented by any combination of rates and rating factors that satisfy the following:

1. All differences among rates in the set shall be in accordance with the insurer's rate manual or rating procedures and shall be based on the actuarially determined values of the differences in case characteristics and benefit design characteristics.

2. The differences among the rates may not reflect any differences due to such factors as the claim experience, health status and duration of coverage of an individual policy or a collection of policies grouped according to anything other than case characteristics or benefit design.

(b) The set of midpoint rates identified in par. (a) shall apply during a specified period which shall not be less than one calendar month.

(2) RATE VARIANCE RESTRICTION. (a) For a new policy issued on or after March 15, 1992, the following table lists the maximum percent a rate may vary from the midpoint rate applicable to policies with the same case characteristics and benefit design characteristics according to the effective date of any rate applied to that policy:

Effective Date of Rate	Maximum Variance from Midpoint Rate
1. March 15, 1992–August 14, 1994	35%
2. August 15, 1994 and after	30%

(b) For a policy issued before March 15, 1992, an insurer shall comply with the rate variance restriction specified in par. (a) 2 no later than August 15, 1994.

(3) PREMIUM RATE CHANGES; DOCUMENTATION AND RESTRICTIONS. (a) For the purpose of complying with s. 635.02 (2), Stats., and this subsection, "class of business" means a group of policies with the same or similar benefit design whose rates are based wholly or partly on their aggregate loss experience.

(b) For a policy renewed on or after March 15, 1993, an insurer shall maintain sufficient documentation so that each of the following distinct components can be identified:

1. The percentage change in the new business premium rate measured from the rating period in which the small employer was last rated to the current rating period or, in the case of a class of business for which the insurer is not issuing new policies, the corresponding change in the base premium rate.

2. The percentage change due to adjustments in case characteristics, determined in accordance with the insurer's rate manual or rating procedures.

3. The percentage change due to adjustments in benefit design, determined in accordance with the insurer's rate manual or rating procedures.

4. The percentage change due to such rating factors as claim experience, health status and duration of coverage, determined in accordance with the insurer's rate manual or rating procedures.

(c) Each renewal rate, regardless of whether the rate represents an increase, shall be limited to the previous rate adjusted by the combination of the 4 components specified in par. (b) with the following restrictions on the experience component specified in par. (b) 4.:

1. For a policy issued on or after March 15, 1992, the experience component shall be limited to 15% per year, adjusted proportionately for rating periods of less than one year.

2. For a policy issued before March 15, 1992, subd. 1. applies, except if the premium rate exceeds the midpoint rate by more than the percentage specified in sub. (2) (a) for the applicable period for policies with the same case characteristics and benefit design characteristics, the experience component may not exceed 0%.

(d) For a rate change made before the end of the policy term due to the addition of a new entrant, late enrollee, underwritten individual or a new dependent of an insured employee, par. (c) applies, except that:

1. The new business rate change component specified in par. (b) 1. may not be applied at that time.

2. The experience component specified in par. (b) 4. may not exceed 15% per year, adjusted proportionately to the time remaining in the policy term.

3. The experience component specified in par. (b) 4., when combined with the experience component of the last scheduled rate renewal and any other subsequent rate changes during the current policy term, shall not exceed the limit specified in par. (c) 1. or 2., whichever applies.

(4) ANNUAL PUBLICATION OF RATES. (a) On or before December 1, every small employer insurer shall annually file with the commissioner the small employer insurer's lowest available monthly new business premium rates which will be in effect the following January 1. The filing shall be made on a form provided by the commissioner and shall require all of the following information as may apply to the type of plan offered:

1. For an indemnity plan, the rates shall be based on the insurer's plan that is closest to a plan that features a \$500.00 annual deductible and 80%/20% coinsurance.

2. For a defined network plan, the rates shall be based on a plan which is actuarially equivalent to the features described in subd. 1.

3. For all plans, the rates shall be specified for family and single plans, by group size and by the geographical criteria that are used by the insurer.

4. The commissioner may require additional information be provided in the form as appropriate to implement this subsection.

Note: OCI 26-500, the form described in this subsection may be obtained without charge by contacting the Office of the Commissioner of Insurance PO Box 7873, Madison WI. 53707-7873. The form is also available on the OCI website at oci.wi.gov

(b) Small employer insurers who file rates with the commissioner as described in this subsection will be in compliance with the requirements of s. 635.12, Stats.

Ins 8.54 Guaranteed renewability; cancellation and renewal restrictions.

(1) DEFINITION. (a) In this section, "medically underwritten policy" means a policy that is issued after the small employer insurer has, for purposes of risk selection, used information about the group's claim experience or the health history or medical records of one or more persons eligible for coverage.

(b) Notwithstanding par. (a), a small employer insurer may apply medical underwriting standards to an individual who originally declined and later applies for coverage under a nonmedically underwritten policy without converting that policy to a medically underwritten policy.

(2) CLASS OF BUSINESS. (a) In this section, each of the following is a separate class of business, regardless of variations in policy forms, marketing methods or duration of coverage among small employers in the class of business:

1. All small employers with medically underwritten policies.

2. All small employers with policies that are not medically underwritten.

3. All small employers whose policies constitute a block of business assumed by the small employer insurer under a specific assumption treaty with an insurer that is not an affiliate.

(b) No small employer insurer may establish a class of business other than one specified in par. (a).

(3) GUARANTEED RENEWABILITY. Except as provided in s. 635.07, Stats., a policyholder has the right to renew a policy on the same terms subject to the premium rate restrictions specified in s. Ins 8.52 (3). The subsection does not prohibit a small employer insurer from offering a policyholder renewal with altered benefit design characteristics if the offer is available to all policyholders in the same class of business without regard to claim experience.

Note: 1995 Wis. Act 289 repealed s. 635.07, Stats. See s. 632.749, Stats.

(4) NONRENEWAL OR TERMINATION BASED ON PARTICIPATION REQUIREMENTS. (a) A small employer insurer that intends to non-renew a policy or terminate a policy under s. 635.07 (1) (d), Stats., because the number of eligible employees is less than the number required to keep the policy in force shall do all of the following:

Note: 1995 Wis. Act 289 repealed s. 635.07, Stats. See s. 632.749 (2), Stats.

1. Notify the small employer of its intent to nonrenew or terminate and the reason for the nonrenewal or termination. The notice shall be given as required under s. 631.36, Stats., for a non-renewal or at least 20 days before the termination date for a termination.

2. Offer to continue the small employer's coverage for not less than 60 days after the nonrenewal or termination date in order to allow the small employer to increase the number of eligible employees to the required number.

3. Provide the additional coverage, if the small employer accepts the offer under subd. 2. before the nonrenewal or termination date and pays the premium for the additional coverage at the rate in effect at the time the additional coverage is provided.

(b) A small employer insurer may not nonrenew a policy or terminate a policy under s. 635.07 (1) (d), Stats., if the reason the number of eligible employees is less than the required number is due to an employee's sickness or injury, approved leave of absence or temporary layoff. The small employer insurer may establish participation requirements and reasonable verification procedures as part of the policy or employer agreement.

Note: 1995 Wis. Act 289 repealed s. 635.07, Stats. See s. 632.749 (2), Stats.

(c) A small employer insurer may not take into consideration factors related to an individual small employer's claim experience in deciding whether to nonrenew a policy or terminate a policy under s. 635.07 (1) (d), Stats.

Note: 1995 Wis. Act 289 repealed s. 635.07, Stats. See s. 632.749 (3), Stats.

(d) A small employer insurer that intends to terminate a policy under s. 635.07 (1) (a) to (c) or (e), Stats., shall comply with the notice requirements under s. 631.36 (2) (b) and (c), (4), (6) and (7), Stats.

Note: 1995 Wis. Act 289 repealed s. 635.07, Stats. See s. 632.749 (2), Stats.

(5) NONRENEWAL OF CLASS OF BUSINESS. (a) If a small employer insurer ceases to renew policies issued to all small employers in the same class of business under s. 635.07 (2), Stats., the small employer insurer may not establish any new class of business during the 5-year period beginning with the latest expiration date for policies in effect in the class of business that is not renewed.

Note: 1995 Wis. Act 289 repealed s. 635.07, Stats. See s. 632.749 (3), Stats.

(b) At least one year before a small employer insurer ceases to renew policies under s. 635.07 (2), Stats., the small employer insurer shall provide the office with all of the following information:

Note: 1995 Wis. Act 289 repealed s. 635.07, Stats. See s. 632.749 (3), Stats.

1. The reason for the decision not to renew.

2. The number of small employers and the total number of eligible employees affected by the decision not to renew.

3. The number of small employers in other classes of the small employer insurer's business that are not affected by the decision not to renew.

(c) The commissioner may order an examination under s. 601.43, Stats., in order to determine the premium rate history and obtain information on the profitability of the nonrenewed class of business.

(d) At least one year before a small employer insurer ceases to renew policies under s. 635.07 (2), Stats., the small employer insurer shall provide written notice of that intent to all affected small employers and the insurance regulatory agency in each state in which an affected insured individual resides. The notice shall include all of the following:

Note: 1995 Wis. Act 289 repealed s. 635.07, Stats. See s. 632.749 (3), Stats.

1. The reason for the decision to terminate coverage for the class of business.

2. The date on which coverage will terminate.

(e) In addition to the requirement under par. (d), the small employer insurer shall, at least 60 days but not more than 75 days before the date coverage will terminate, provide each affected small employer with written notice, complying with s. 631.36 (6) and (7), Stats., of the intent not to renew the policy. The notice shall also comply with the notice requirements of ss. 632.79 and 632.897, Stats.

(6) CONVERSION OF ASSUMED CLASS OF BUSINESS. A small employer insurer that assumes a class of business from another small employer insurer shall, by the 2nd renewal date for each policy or one year from the date of assumption, whichever is later, convert each policy in the assumed class of business to a policy with the same or similar benefit design characteristics in another class of business specified under sub. (2) (a).

History: Cr. Register, October, 1992, No. 442, eff. 11-1-92; am. (4) (a) to (c), Register, November, 1993, No. 455, eff. 2-1-94.

(e) A description of how midpoint rates are determined.

Ins 8.60 A small employer insurer may accept an employee's or dependent's waiver of coverage during an initial enrollment period only under limited conditions. (1) A small employer insurer may not issue a policy unless during the initial enrollment period all the eligible employees and dependents of eligible employees elect and are provided coverage under the policy, except a small employer insurer may permit an individual to decline coverage in the initial enrollment period if the small employer insurer determines:

- (b) The individual elected coverage under another policy during an enrollment period permitted under s. Ins 8.59 (3);
- (c) The individual does not have a risk characteristic or other attribute that would be the sole cause for the small employer insurer to make a decision with respect to premiums or eligibility for a policy that is adverse to the small employer;

(3) A small employer insurer's policy shall not apply, or permit an employer to apply, a probationary period which must be met before a new entrant is eligible for coverage under a small employer policy, or a similar limitation, that is longer than 6 months.

(4) A small employer insurer may not add coverage restrictions or limitations under a policy because of the risk characteristics of a new entrant.

(5) A small employer insurer may assess a risk load to the premium rate associated with a new entrant, consistent with the requirements of s. 635.05, Stats., and s. Ins 8.52 (3) (d).

The small employer insurer shall make reasonable efforts to obtain from the small employer certification that the notice was promptly distributed to all eligible employees.

(5) A small employer insurer may assess a risk load to the premium rate associated with an underwritten individual, consistent with the requirements of s. 635.05, Stats., and s. Ins 8.52 (3) (d).

(6) The requirement under sub. (1) to offer an enrollment period applies regardless of whether the small employer insurer required to make the offer was the insurer of the employer when the individual was originally excluded or denied coverage.

History: Cr. Register, November, 1993, No. 455, eff. 12-1-93.

Ins 8.63 Small employer insurers shall offer coverage to late enrollees. The small employer insurer shall provide an enrollment period of at least 30 days after the date the late enrollee requests coverage and is notified of the opportunity to enroll.

(2) A small employer insurer may exclude coverage of a late enrollee who elects coverage for no more than 18 months or provide for up to an 18-month preexisting condition exclusion, but if both a period of exclusion from coverage and a preexisting condition exclusion are applied by the small employer insurer under the policy the combined period may not exceed 18 months from the date the individual applies for coverage under the policy. A small employer insurer may require that the late enrollee remain continuously employed by, or remain a dependent of an eligible employee continuously employed by, the small employer for the entire period of exclusion permitted under this subsection. A small employer insurer may not impose a preexisting condition exclusion under s. 635.17 (1), Stats., in addition to an exclusion permitted under this subsection.

History: Cr. Register, November, 1993, No. 455, eff. 2-1-94.

Ins 8.64 Small employer insurers may not participate with a small employer to coerce, or discriminate among, eligible employees or dependents. (1) A small employer insurer may not accept a waiver of coverage, if the insurer, or an insurance intermediary for the insurer, reasonably should know that the small employer pressured or unfairly induced the eligible employee or dependent of an eligible employee to decline coverage due to the individual's risk characteristics.

(2) An insurance intermediary shall notify a small employer insurer in writing, prior to submitting an application for coverage with the insurer on behalf of a small employer, or prior to transmittal of a waiver, of any circumstances that would indicate that the small employer pressured or unfairly induced an eligible employee or dependent of an eligible employee to decline coverage due to the individual's risk characteristics.

History: Cr. Register, November, 1993, No. 455, eff. 2-1-94.

Ins 8.65 A small employer insurer shall require small employers to provide documentation to establish that waivers of coverage are voluntary and permitted.

(1) A small employer insurer shall require each small employer that applies for a policy, as part of the application process, to provide a complete list of eligible employees and dependents of eligible employees of the small employer. The small employer insurer shall require the small employer to provide appropriate supporting documentation, such as the state unemployment or worker's compensation quarterly reporting forms, to verify the information required under this subsection.

(2) A small employer insurer shall secure a waiver signed by the eligible employee on behalf of the employee or the dependent of the employee with respect to each eligible employee, and each dependent of an eligible employee, who declines an offer of coverage under a policy, whether during an initial enrollment period, as a new entrant or as an underwritten individual. The small employer insurer shall include on the waiver and require:

(a) A certification that the individual who declined coverage was informed of the availability of coverage under the policy;

(b) That the reason for declining coverage be stated; and

(c) A written warning of the consequences which may be imposed on late enrollees.

(3) A small employer insurer shall obtain, with respect to each individual who submits a waiver under sub. (2) in connection with an initial enrollment period, information sufficient to establish that the waiver may be accepted under s. Ins 8.60 (1).

(4) A small employer insurer shall maintain waivers required under sub. (2), the information required to be obtained under sub. (3) and notifications under s. Ins 8.64 (2), for a period of 3 years or until the policy terminates, whichever is later.

Note: 1995 Wis. Act 289 repealed s. 635.17, Stats. See s. 632.745 (4), Stats.

2. Provides coverage for hospitalization and physician services that is substantially similar to or exceeds the coverage for those services in the basic health benefit plan.

(c) A small employer insurer shall evaluate a previous or existing policy, certificate or other benefit arrangement taken as a whole and shall not base its determination on the fact that one or more portions of the previous or existing policy, certificate or benefit arrangement provides less coverage than the comparable portion of the basic health benefit plan.

(2) For the purposes of s. 635.17 (1) (b), Stats., an individual has previous qualifying coverage with respect to a particular service if the previous policy, certificate or other benefit arrangement covering the individual was qualifying coverage and provided any benefit with respect to the service.

Note: 1995 Wis. Act 289 repealed s. 635.17, Stats. See s. 632.746 (1) and (3), Stats.

(3) To the extent necessary to comply with this section and s. 635.17, Stats., a small employer insurer shall ascertain the source of previous or existing coverage of each eligible employee and each dependent of an eligible employee at the time the employee or dependent initially enrolls in the health benefit plan provided by the small employer insurer. The small employer insurer shall contact the source of previous or existing coverage to resolve any questions about the benefits or limitations related to the previous or existing coverage.

Note: 1995 Wis. Act 289 repealed s. 635.17, Stats. See s. 632.746, Stats.

(4) No small employer insurer may renew or issue a policy after November 30, 1993, unless the policy includes a provision complying with s. 635.17 (1) (b), Stats., as to qualifying coverage defined in s. 635.02 (5m) (b) and (c), Stats., in addition to qualifying coverage defined in s. 635.02 (5m) (a), Stats. All small employer insurers shall establish and disseminate policies and procedures designed to ensure compliance with this subsection by not later than December 1, 1993.

Note: 1995 Wis. Act 289 repealed ss. 635.02 (5m) and 635.17, Stats. See ss. 632.745 (4) and 632.746 (1), Stats.

Ins 8.67 Restrictive riders prohibited. A restrictive rider, endorsement or other provision that would violate s. 635.17 (3) (b), Stats., and that was in force on May 12, 1992, may not remain in force beyond the first renewal date of the policy and a small employer insurer shall delete the rider, endorsement or other provision after the law's effective date.

Ins 8.68 Fair marketing standards. (1) (a) Unless otherwise permitted under par. (b), (c) or (d), a small employer insurer shall actively market its health benefit plans to all small employers and without regard to the size of the small employer group by:

1. Actively marketing in each segment of the small employer market the basic health benefit plan and at least one form of a policy which provides benefits which materially exceed benefits provided under the basic health benefit plan.

2. Actively marketing in each area of the state the basic health benefit plan and at least one form of a policy which provides benefits which materially exceed benefits provided under the basic health benefit plan, except a small employer insurer which is, and is likely to remain, in compliance with s. Ins 8.69 may:

a. Limit marketing to the provider service areas for the health maintenance organization or preferred provider plans if it limits the policies it offers to the basic health benefit plan and policies which are health maintenance organization plans or preferred provider plans; or

b. Limit its marketing of policies to selected areas which the small employer insurer can demonstrate by clear and convincing evidence are selected for justifiable business reasons other than desirable demographic characteristics related to risk selection.

(b) A small employer insurer may limit marketing and issuance of the basic health benefit plan under s. 635.26 (2m) or (4), Stats., or may limit marketing and issuance of other forms of policies, or both, to a particular segment of the market, only if the segment is not based on the size of the small employer group and the small employer insurer:

Note: 1997 Wis. Act 27 repealed s. 635.26, Stats. See s. 635.19 (2), Stats.

1. Files with the commissioner on or after February 1, 1994, in the form prescribed by the commissioner, a request for approval to limit its marketing of policies;

2. Obtains prior written approval from the commissioner, after the commissioner finds approval is consistent with the purpose of ch. 635, Stats., and the approval is not rescinded;

3. Complies with this chapter and ch. 635, Stats., with respect to the entire market segment;

4. Complies with s. Ins 8.69 computed based on the entire market, not only the market segment targeted by the small employer insurer; and

5. Does not use targeting of a particular market segment as a subterfuge for applying underwriting criteria, including, but not limited to, selling only through a trust or association which limits membership based on health or based on factors which are designed to limit the enrollment of individuals with health conditions.

(c) Until February 1, 1995, a small employer insurer may limit marketing of health benefit plans to small employers based on the size of the small employer group but:

1. Only according to the small employer insurer's marketing practices in effect on July 1, 1993; and

2. Only if the small employer insurer issues the basic health benefit plan to small employer groups of any size and is in compliance with s. Ins 8.69.

(d) A small employer insurer may actively market only the basic health benefit plan but only if it does not sell or market any other form of a policy in this state.

(2) A small employer insurer shall market the basic health benefit plan using at least the same sources and methods of distribution that it uses to market policies other than the basic health benefit plan. A small employer insurer shall authorize all insurance intermediaries who are authorized to market its health benefit plans to also sell its basic health benefit plan.

(3) A small employer insurer shall offer the basic health benefit plan to a small employer that applies for health insurance coverage from the small employer insurer. The small employer insurer may provide the offer directly to the small employer or may deliver it through an insurance intermediary. The offer shall be in writing and shall include at least all the following information:

(a) A general description of the benefits contained in the basic health benefit plan.

1. Will not be eligible for continuation of coverage or a conversion policy;

2. Will be eligible only as a late enrollee under the health benefit plan then held by the small employer; and

3. May, as a late enrollee, be subject to the exclusion permitted under s. Ins 8.63 (2).

(d) Information describing how the small employer may enroll in the plan.

(4) A small employer insurer shall provide written notice of the information described under sub. (3) (a) to each small employer who applies for a basic health benefit plan within 10 working days of the date the small employer insurer receives the small employer's application. The small employer insurer shall provide the notice directly or through an authorized insurance intermediary. The small employer insurer shall provide the employer with sufficient copies of the notice to distribute to each eligible employee and shall ask the employer to promptly distribute a copy to each eligible employee. The small employer insurer shall make reasonable efforts to obtain, within 20 business days after the small employer insurer issues a basic health benefit plan to a small employer, certification that the small employer promptly distributed the notice to all eligible employees.

(5) (a) A small employer insurer shall provide a price quote for the basic health benefit plan to a small employer directly or through an authorized insurance intermediary within 15 working days of receiving a request for a quote and the information necessary to provide the quote. A small employer insurer shall notify a small employer directly or through an authorized insurance intermediary within 7 working days of receiving a request for a price quote of any additional information needed by the small employer insurer to provide the quote.

(b) A small employer insurer may not apply more stringent or detailed requirements related to the application process for the basic health benefit plan than are applied for other health benefit plans offered by the insurer to groups of equivalent size.

(6) (a) If a small employer insurer denies coverage under a health benefit plan to a small employer on the basis of a risk characteristic, the denial shall be in writing and shall state with specificity the reasons for the denial, subject to any restrictions related to confidentiality of medical information. The written denial shall be accompanied by a written explanation of the availability of the basic health benefit plan from the small employer insurer. The explanation shall include at least the following:

1. A general description of the benefits contained in each plan;

2. A price quote for each plan; and

3. Information describing how the small employer may enroll in the plan.

(b) A small employer insurer shall provide the written information described in par. (a) within the time periods provided under sub. (5) (a) directly to the small employer or delivered through an authorized insurance intermediary.

(c) The price quote required under par. (a) 2. shall be for the managed care option which will result in the lowest-priced basic health benefit plan for which the small employer is eligible, if the small employer insurer has such an option available in the area where the small employer is located.

(7) A small employer insurer shall establish and maintain a toll-free telephone service to provide information to small employers regarding the availability of small employer health benefit plans in this state. The toll-free telephone service is not required to be dedicated to this purpose. The service shall provide information to callers on how to apply for coverage from the insurer. The information may include the names and phone numbers of insurance intermediaries actively marketing in the geo-

graphic area proximate to the caller or other information that is reasonably designed to assist the caller to locate an authorized insurance intermediary or to otherwise apply for coverage.

(8) A small employer insurer may not require a small employer to join or contribute to any association or group as a condition of being accepted for coverage by the small employer insurer, except that, if an association or group requires membership in the association or other group as a condition for accepting a small employer into a particular health benefit plan, the small employer insurer may apply the requirement if:

(a) The requirement is reasonable;

(b) The requirement is not intended to and does not discourage or prevent acceptance of small employers applying for the basic health benefit plan;

(c) The requirement is not related to the health status or claim experience of the small employer or employees or dependents of employees of small employers;

(d) The requirement is applied consistently to all small employers applying for coverage; and

(e) The small employer insurer permits all small employers who join the association or group to apply for a health benefit plan.

(9) A small employer insurer may not require, as a condition to the offer or sale of a health benefit plan to a small employer, that the small employer purchase or qualify for any other insurance product or service or purchase or qualify for a health benefit plan which includes coverage other than health coverage.

(10) (a) An insurer offering individual or group health benefit plans or coverage under a trust or association health benefit plan in this state shall investigate and determine whether the plans are subject to this subchapter and ch. 635, Stats. An insurer shall obtain the following information from applicants for individual and group health benefit plans at the time of application:

1. Whether or not any portion of the premium will be paid by or on behalf of a small employer, either directly or through wage adjustments or other means of reimbursement;

2. Whether or not any portion of the premium will be collected by or with the cooperation of a small employer; and

3. Whether or not the prospective policyholder, certificate holder or any prospective insured individual intends to treat the health benefit plan as part of a plan or program under Section 162, Section 125 or Section 106 of the United States internal revenue code.

(b) If a small employer insurer fails to comply with par. (a), the small employer insurer is deemed to be on notice of any information that could reasonably have been obtained if the small employer insurer had complied with par. (a).

(c) An insurer is not relieved from complying with ch. 635, Stats., and there is no presumption that ch. 635, Stats., does not apply merely because the insurer has complied with the minimum obligation to investigate the status of applicants imposed under this subsection.

(11) No small employer insurer may permit an insurance intermediary to advise, and no insurance intermediary may advise, a small employer whether the insurer may accept the small employer's application for coverage under a health benefit plan based on claims experience or health conditions of the group except after submittal of an application and review by the insurer.

(12) A small employer insurer shall annually file information with the commissioner related to health benefit plans issued by the small employer insurer to small employers in this state in the form prescribed by the commissioner.

(1) No small employer insurer may have a basic market share ratio which is significantly less than the basic market share ratio for all small employer insurers unless the insurer establishes by clear and convincing evidence that the reason the basic market share ratio is significantly less is because:

(a) Of a specific practice or condition that is beyond the control of the insurer; or
