

shall be paid out on the order of the chairman of the county board and county clerk, in such manner and at such times as such board shall determine. The county board may designate such of its number as it shall deem proper, to co-operate with the town board in the letting, inspecting and acceptance of the work; or in case the whole of such work is proposed to be paid for by such county appropriation, the county board may direct the letting, inspection, and acceptance of such work in such manner as it may deem proper.

SECTION 2. This act shall take effect and be in force from and after its passage and publication.

Approved February 28, 1879.

CHAPTER 127.

AN ACT to authorize George H. Ray, his associates and assigns, to erect and maintain a dam or dams across, and make other improvements in, Cauley Creek, in Clark county.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. For the purpose of improving Cauley Creek, in Clark county, so as to improve the navigation thereof, and to facilitate the driving and floating of logs and timber in and down said Cauley Creek, George H. Ray, his associates and assigns, are hereby authorized and empowered, and right and authority is to him, his associates or assigns, hereby granted to build erect and maintain a dam or dams in and across Cauley Creek, in such number and of such height as may be necessary. Also to improve said Cauley Creek for driving logs, by closing sloughs, clearing and straightening the channel thereof and building and maintaining side dams and booms, and to keep said dam or dams and other improvements in repair, and operate and use the same at all times for flooding and other purposes for the driving and floating of all logs and timber that may be put into said Cauley Creek or tributaries thereof.

Erection of dam; location.

SECTION 2. Whenever the said George H. Ray, his associates or assigns, shall have expended in improvements in said Cauley Creek, the sum of two thousand dollars, said George H. Ray, his associates or assigns, in consideration of the building, maintaining and operat-

After expenditure of \$2,000, tolls may be charged.

ing said dam or dams and other improvements, and the facilities thereby obtained for floating and driving logs and timber on said Cauley Creek, shall be and are hereby authorized and permitted to charge, and entitled to collect and receive, of any and all persons owning or controlling logs and timber, or either, in said Cauley Creek, ten cents per thousand feet, board measure, as toll, on all logs and timber designated and intended to be driven or floated down said Cauley Creek. The amount of said logs or timber to be determined by and under the direction of the lumber inspector of the district in which said Cauley Creek is situate, or by mutual agreements of parties.

Operation of dam.

SECTION 3. The said George H. Ray, his associates or assigns, shall operate said dam or dams, and other improvements, at all times during the season of driving logs, in an impartial manner, and in a way to afford the greatest facility to all parties driving logs down said Cauley Creek.

Tolls a lien upon logs.

SECTION 4. The said George H. Ray, his associates and assigns, shall have a lien upon all logs put in Cauley Creek, that may be floated or driven down said Cauley Creek, for and at the rate of the charges for toll mentioned and allowed him in section two of this act; and any and all charges for toll that said George H. Ray may have on account of the erection, maintaining and operating said dam or dams, and other improvements, shall be a lien upon such logs or timber, and unless paid on or before ten days after the same are driven or floated out of said Cauley Creek, all of such charges for toll may be enforced by said George H. Ray, his associates or assigns, in the same manner as other liens for services and labor performed on logs are enforced under the laws of this state.

SECTION 5. This act shall take effect and be in force from and after its passage and publication.

Approved February 28, 1879.
