The common council shall also have power to lay out and construct bridges, culverts, drains and sewers in the city, with all the necessary wells, grates and other things requisite and proper for the use of such culverts, drains and sewers, or for carrying off the surface matter from the streets and highways; but the common council shall not lay out any street, square, public ground, alley, lane, highway or walk, or alter any such as may already be laid out or used, so as to extend or run across or over the site of any dwelling house at the time actually erected, without consent of the owner of such dwelling house, unless it shall have first purchased the same; provided, however, that such dwelling house shall have been erected in good faith upon such site before the commencement of the proceedings to make such improvement.

Shall have power to levy and construct bridges, etc.

SECTION 3. The common council shall cause all streets, highways, alleys, lanes, side and crosswalks, culverts, drains, sewers, public squares and grounds in said city to be surveyed, described and recorded in a book to be kept by the city clerk for that purpose, and to cause maps thereof to be made and filed with the clerk. Such records and maps shall be prima facie evidence of the facts therein described and portrayed in all actions and places between the city and other persons touching their location.

SECTION 4. Whenever the common council shall intend to lay out, alter or widen any street, highway, lane, alley, or public square or ground, or discontinue any public square or ground, it shall cause a notice of such intention to be published for eight days in some daily or weekly newspaper printed and published in said city, stating the day upon which it will act thereupon, which day shall be at least eight days subsequently to the first publication of the notice. This section shall not apply to a change in the grade of any street, alley, lane or highway.

street, highway, lane, alley or public square or ground, or discontinue any public square or ground mentioned in the notice.

Notice to owners of lots to be published, etc.

SECTION 6. Upon petition in writing of all the owners of lots or land on any street or alley in said city, and not otherwise, the common council may discontinue such street or alley, or any part thereof. At least one week before acting on such petition the common council shall cause a notice to be published for three days successively, in a newspaper published in said city, stating when the petition will be acted upon and what street or alley or part thereof is proposed to be discontinued or vacated.

Make out description of real estate.

SECTION 7. In case it shall be necessary to appropriate for any street, highway, lane, alley or public square or ground, any real estate not belonging to the city, or which the city may not be permitted by the owner freely to appropriate, the common council, before it shall determine to make such improvement, shall make an order appointing some discreet person or directing some officer of said city to ascertain and report a description of the real estate required to be appropriated, with the names of the owners; what the whole expense of the improvement would amount to; whether any, and if any, what part thereof ought to be borne by the city; and whether any, and if any, what real estate would be immediately benefited by the improvement requiring the appropriation of such real estate, specifying the same in parcels described with certainty, with the names of the owners if they can be ascertained. It shall cause a notice to be published in some weekly or daily newspaper published in said city for three weeks, specifying the proposed improvement, the estimated expense thereof, and the real estate in said city to be assessed therefor, and shall require all persons interested in the subject matter of such improvement to attend the common council at a time and place in such notice to be specified. At the time and place so stated the common council shall proceed to hear the allegations of the owners and occupants of the houses, lots and parcels of land required and the real estate to be assessed for such improvement so specified as aforesaid, and after hearing the same shall make such further order in prospect to such improvement as it shall deem proper.

Shall enter a resolution.

SECTION 8. If the common council shall, after hearing the parties interested, as aforesaid, determine to make any of the improvements in this chapter spe-

ified, and that the lands of any person will be necessary for the purpose, it shall enter in its minutes a resolution, declaring such determination, and containing a brief description of the lands so deemed necessary, and also of the real estate deemed benefited by such improvement. The common council may purchase the land so deemed necessary, of the owner or owners thereof, upon such terms, and for such compensation as it shall judge reasonable, and thereupon receive a conveyance thereof to the city, and thereupon proceed as provided in this chapter, to cause the price paid for such land, except such portion thereof, if any, as the common council shall have determined ought to be borne by the city, to be assessed upon, and collected out of the real estate benefited thereby, as described in the report of the person appointed by the common council or officer mentioned in section 7 of this chapter, as nearly as may be, in proportion to the amount of benefit which each shall be deemed to receive from said improvement.

SECTION 9. In case no agreement for such purchase can be made, the common council shall by resolution declare their purpose to take the same, and therein describe by metes and bounds the location of the proposed improvement, and the land proposed to be taken therefor, defining separately each parcel, and the amount thereof owned by a distinct owner, mentioning the names of the owners or occupants so far as known, and therein fix a day, hour and place when and where it will apply to the county judge, or a justice of the peace, resident in said city, for a jury to condemn and appraise the same. The common council shall immediately cause such resolution to be published in some daily or weekly newspaper, published in said city.

Shall declare
by resolution.

SECTION 10. The common council shall thereupon cause to be made by the clerk a notice of the adoption of such resolution, embracing a copy thereof and notifying all parties interested, that the city will, at the time and place named apply to the judge or justice named for the appointment of a jury to condemn and appraise such land. A copy of such notice shall be served by the marshal or any constable on the owner of each such parcel of land to be taken, if known and resident within the county; such service to be made in the manner prescribed for serving a summons in an action in the circuit court, and the return of the officer shall be conclusive evidence of the facts stated therein. If the notice cannot be so given as to all the parcels,

notice.

then the same shall be also published once in each week for three successive weeks in a newspaper published in said city, and the affidavit of the printer or foreman of such newspaper shall be conclusive evidence of such publication. Such notice shall be served and the first publication made three weeks before the time fixed therein for such application. If any person so served with notice be a minor or of unsound mind, the judge or justice before proceeding shall, on the day fixed for the hearing of such application, appoint for him a guardian for the purposes of such proceeding, who shall give security to the satisfaction of the magistrate, and act for such ward.

Challenges.

SECTION 11. At the time and place fixed for such hearing, the application, accompanied by a copy of such resolution and such survey, and by proof of service of the notice, as provided in the last section, shall be filed with the judge or justice, who shall thereupon make a list of twenty-four competent jurors, not interested, but residents of the city, shall not be disqualified. He shall hear and decide any challenges for cause or favor, made to any one, and if sustained shall replace his name with an unobjectionable juror, until the list shall be perfected. Thereupon, under direction of such magistrate, each party, the common council by its representatives, on the one side, and the owners of land or their agents present, or if none be present, or they disagree, a disinterested person appointed by the judge or justice, on the other, shall challenge six names, one at a time, alternately, the common council beginning. To the twelve jurors remaining, such judge or justice shall issue a precept, requiring them at an hour on a day named, not more than ten nor less than three days thereafter, to appear before him to be sworn and serve as a jury to view lands and appraise damages, and at the same time shall publicly adjourn the proceedings to the time and place so named; such precept shall be served by the marshal or any constable, at least one day before such appointed time, by reading the same to each such juror, or by leaving a copy at his usual place of abode in the presence of a member of his family.

Jury to be polled.

SECTION 12. The jurors summoned shall appear at the time and place named, and if any be excused by the judge or justice, or fail to attend, he shall direct other disinterested persons to be forthwith summoned in their stead, until twelve be obtained. The magistrate shall then administer to them an oath that they

shall well and truly inquire into and determine the necessity for taking the lands mentioned in the resolution, and if found necessary the damages occasioned thereby, and faithfully discharge their duties as jurors according to law.

SECTION 13. Under the direction of such magistrate, the jury shall view the lands to be taken and shall then sit before him to hear such competent evidence as shall be produced by any party, and for such purpose, such magistrate shall possess the same powers as a court in session with a jury, and if there be necessity, may adjourn the sitting from day to day. The jury shall render a separate, unanimous verdict, in writing, signed by them, in which they shall find whether it be necessary to take such lands or any part thereof for such purposes, describing such as they find necessary to be taken; and, if any be found necessary to be taken, then a verdict of appraisement of damages, specifying therein the damages of each owner, and separately the value of the land taken from each, and the damage otherwise sustained by each by reason of the taking thereof, in estimating which they shall deduct therefrom any special benefit, if any, to be enjoyed by each from such improvement, and a majority of such jury may render such verdict or appraisement of damages, and shall sign the same. Any technical error in such verdict may be immediately corrected with the assent of the jury, and they shall be thereupon discharged, and their verdict filed with the magistrate. In case the jury shall fail to find a verdict another jury shall be selected, summoned, sworn and proceed in the same manner. The said jurors shall be entitled to the sum of one dollar and fifty cents each as their compensation, for each day actually and necessarily spent by them as jurors.

Shall view
lands.

SECTION 14. Within ten days after such verdict any land owner whose land has been found necessary to be taken, may appeal from the award of damages to him in such verdict to the circuit court, and said city may likewise appeal from the award of damages to any owner, by filing with such magistrate a notice of appeal, specifying whether the appeal is from the whole award to him or a part, and, if a part, what part, and therewith an undertaking with two sufficient sureties, to be approved by the magistrate, to pay all costs that may be awarded against such appellant on the appeal, and paying the magistrate for his return thereof. Any party not so appealing shall be forever concluded

by such verdict or appraisalment. Upon an appeal being taken the magistrate shall transmit to the clerk of the circuit court, within ten days, the notice of appeal and undertaking, and thereto annex a copy of all the papers and proceedings before him, with his certificate thereof. He shall after the time for appealing has expired, file with the city clerk all the original papers, including the verdict, with his certificate thereof, stating in such certificate whether or not any appeal has been taken from such verdict.

Appeal considered an action.

SECTION 15. Upon filing such transcript in the circuit court, the appeal shall be considered an action pending in such court, and be so entered, the land owner as plaintiff, the city as defendant, and be subject to a change of place of trial and appeal to the supreme court. The appeal shall be tried by a jury, unless waived, and the costs shall be awarded against the appellant, if a more favorable verdict be not obtained; otherwise, against the respondent. Upon entry of judgment the clerk of the circuit court shall transmit a certified copy thereof to the city clerk. The costs of said proceeding shall be paid by the city, except when it recovers costs in the circuit court.

Common council shall enter order in proceedings.

SECTION 16. Within thirty days after the rendition of such verdict, or after the final determination of any appeal, if any shall be taken as herein provided, the common council shall cause an order to be entered in its proceedings authorizing and directing the appropriation of the said real estate and the making of said improvement. The common council shall thereupon appoint three respectable freeholders of said city, not interested in any of the real estate to be taken or assessed therefor, nor of kin to any person or persons interested therein, who shall proceed to apportion and assess the whole amount of such damage and value so reported by the jury, together with all the costs and expenses of such improvements (except such portion thereof, if any, as the common council shall have determined ought to be borne by the city), upon the real estate benefited thereby, as described in the report of the person appointed by the common council, or officer mentioned in section 7 of this chapter, as nearly as may be in proportion to the amount of benefit which each shall be deemed to receive from the said improvement. The said freeholders shall be sworn by some person competent to administer oaths, faithfully and impartially to discharge their duties according to the best of their ability. The said freeholders shall ex-

amine the said lands deemed necessary to be taken for such improvement, and the lands and real estate deemed to be benefited thereby, and may hear the statements of the parties interested, and shall make their assessment. The said freeholders shall, as speedily as may be, make their report to the common council in the form of an assessment list, in which they shall specify and set down in separate columns an accurate description of each parcel of real estate assessed, the name of the owner or occupant, if known, the amount assessed upon each parcel, the amount of compensation, if any, to which each owner or occupant is entitled by the verdict of the jury, and the amount to be collected of each. The assessment list shall be made to resemble in form, as nearly as practicable, the annual assessment roll of said city, and be provided with a column in which payments can be entered by the treasurer. Two copies thereof shall be made and signed by the mayor or presiding officer of the common council and clerk, one of which shall be filed with the clerk, and the clerk shall deliver the other to the treasurer, together with the warrant of the common council thereto annexed, signed by the mayor and clerk, and with the corporate seal of the city thereto affixed, for the collection of said assessments, which warrant shall be substantially the same as annexed to the annual tax roll of said city for collection thereof.

SECTION 17. The said assessment filed with the clerk, and the one delivered to the treasurer, shall, in all courts and places, be prima facie evidence of the regularity of all prior proceedings and of the assessment therein specified; and all sums of money assessed therein or in any respect to any real estate, shall be liens thereon from the time the assessment list is filed with the clerk.

SECTION 18. Upon receiving the said assessment list, the treasurer shall cause a copy thereof to be published in some daily or weekly newspaper in said city, with a notice similar to the one on receiving the annual tax roll, and the treasurer shall proceed to collect said assessment in the same manner as in this act provided for the collection of annual city taxes, and all the provisions of this act relating to the collection of annual city taxes so far as the same can be applicable, shall govern the collection of assessments for said local improvement.

SECTION 19. In case it shall appear by the report mentioned in section 7 of this chapter, that any portion

of the expense of such improvements ought to be borne by the city, the same shall be a charge upon the city treasury, and shall be paid from the highway, street and bridge fund.

Appropriating
real estate.

SECTION 20. No real estate shall be appropriated by said city under any of the provisions of this chapter for any street, highway, lane, alley or public square or ground, without the leave of the owner, until the recompense reported by the jury to be proper therefor be paid or tendered to such owner or deposited to his or her use or credit in one of the banks in said city, to be designated by the common council of said city for that purpose. Upon such payment, tender or deposit, the same may be appropriated for such purpose. But the foregoing provisions are not intended and shall not be construed as prohibiting said city, by its officers, agents and employees, or the jury aforesaid, from entering upon such real estate and making all necessary examinations and surveys thereof for the purposes aforesaid.

May order
street, etc.,
graded.

SECTION 21. The common council shall have power to cause any street, highway, lane or alley, or any part of any street, highway, lane or alley in said city, to be graded, worked, graveled, macadamized, paved or repaved, planked or replanked and repaired, and to cause any sidewalks, crosswalks, drains, sewers or culverts to be made therein, as it shall deem necessary; and the same shall be repaired or relaid as may be ordered by said common council; provided that no street, highway, lane or alley, or any part thereof, shall be graded, macadamized, paved or repaved, planked or replanked, without a recommendation in writing, signed by a majority of the resident owners of property which is bounded by such street, highway, lane or alley, in which said work is proposed to be done or improvement made, except as hereinafter provided, which recommendation shall be entered at length by the clerk upon the record of the proceedings of the common council.

May determine
the kind of
pavement.

SECTION 22. Whenever the common council shall determine to cause any street, highway, lane or alley, or any part of any street, highway, lane or alley in said city to be paved or repaved, it may determine the kind of pavement that shall be used in such paving or repaving, and in case it shall determine to use any pavement that has been or may hereafter be patented, it shall have the power and is hereby authorized to purchase and procure of the person or persons owning the same, the right to use and lay such pavement upon

such street, highway, lane or alley, or part thereof, and the sum or sums paid therefor shall be added to the expenses of such paving or repaving, and be apportioned therewith and charged upon the property properly chargeable with the expense of such paving or repaving, and be collected in the manner provided in the next section.

SECTION 23. The common council, prior to ordering by resolution, ordinance or otherwise, any street, highway, lane or alley, or any part thereof, to be graded, macadamized, paved or repaved, planked or replanked, shall cause a plain and accurate specification of the proposed work to be prepared and filed in the office of the clerk of said city. If after the filing and examination of such specifications, said council shall be of opinion that such proposed work should be done, it shall order the same to be done, and shall fix the time within which the same shall be completed. The said council shall then cause to be published in some daily or weekly newspaper published in said city, such specifications, with a notice signed by the clerk, giving notice that on a certain day fixed in said notice, at least eight days after the first publication thereof, the common council will proceed to act in relation to the work mentioned in such specifications; and said notice shall specify that sealed proposals for the performance of said work will be received by the city clerk up to the time fixed in said notice for the opening of such proposals, and the time fixed by said council within which said work shall be completed. Upon the day mentioned in the above required notice, all such proposals shall be opened in the presence of the common council, when said common council shall determine which is the most favorable of such proposals, and may by a vote of the majority of its members accept such proposal, and authorize and direct the construction of the proposed work and direct the expense thereof to be assessed in the manner hereinafter specified; provided, however, that the common council are hereby authorized to reject all of such proposals, as in their opinion they shall deem unreasonable. The common council shall require the person or persons whose proposal or proposals may be accepted to execute a bond, with one or more sureties, to be approved by said common council, and in such penalty as said council shall fix, conditioned that the person or persons whose proposal had been accepted shall perform the work mentioned in such proposal within the

time fixed by said council and according to the published plan and specifications, subject to the supervision of the alderman of the ward in which such work is to be done, or of the street commissioner, and to the approval of the common council, with such other conditions as said council may prescribe; and if said work shall not be completed within the time fixed by said council for the completion thereof, said council shall have the power to declare the contract for such work at an end, and said bond forfeited, and to proceed by action, in said name of the city, against the sureties therein for the amount of such penalty.

Shall ascertain
front length
of lots.

First. In case the work shall be the grading, gravelling or leveling any street, highway, lane or alley, or any part thereof, the common council shall appoint some competent person to ascertain the front length of each lot and parcel of land on both sides thereof, throughout its whole extent, with a correct description thereof and the name of the owner if known, and also the aggregate front length of all lots and parcels of land fronting on such street. The said common council shall then determine the expense of the whole work, including the surveying, specifications, advertising ascertaining the value of existing improvements of the same or a similar kind and character, if any, and preparing the assessment lists, and cause the average expense upon each foot front of lots and parcels of lands on both sides of such street, highway, lane or alley throughout its whole extent, excluding cross streets from the computation, to be ascertained; and each lot or parcel of land on both sides of such street, highway, lane or alley, throughout its whole extent shall be assessed with its proportion of the expense, to be ascertained by multiplying its number of feet front by the average expense per foot; provided, that when the owner or owners of any lot or lots, parcel or parcels of land fronting any street, highway, lane or alley upon which said improvement is proposed to be made have already made any improvement on said street, highway, lane or alley, in front of his or her said lot or lots, parcel or parcels of land, of the same or of a similar kind and character as the proposed improvement at the time when the same was made, and shall file with the city clerk written notice thereof before the assessment shall be made, stating when, where, and by what owner the work was done and the value thereof; the common council shall ascertain the value of such improvement

and for that purpose shall have power to subpoena witnesses, administer oaths and take proofs, in such manner as it may direct, and the value of such improvement, when so ascertained shall be added to the expense of the proposed improvement, and assessed therewith upon all the lots fronting upon such highway, lane or alley in the manner hereinafter specified; and when so assessed the value of such improvement so made by such owner or owners as aforesaid, shall be credited on the assessment of his or her said lot or lots, parcel or parcels of lands, but the value of such improvement shall be so assessed as aforesaid but once; and in case the value of such improvement shall exceed the amount assessed upon such lot or lots, parcel or parcels of land, such excess shall be paid to such owner or owners who shall have made such improvements as aforesaid; provided, that any such improvement hereafter so made by such owner or owners, shall not be assessed, credited or paid for as hereinbefore provided, except the same shall have been made pursuant to a petition or leave to do the same, by said owner or owners, signed by at least two thirds of the resident owners upon such street, highway or alley.

Second. In case the work shall be the paving, macadamizing, planking or curbing any street, highway, lane or alley, or any part thereof, the common council shall appoint some competent person to ascertain the aggregate front length of lots and parcels of land on both sides thereof, limited to the proposed improvement and bounded thereon, and the front length of each lot or parcel of land bounded on such improvement, with a correct description thereof, and the name of the owner, if known. The said council shall then determine the expense of the whole work, including the surveying, if any, the specifications, advertising and preparing assessment lists, and cause the average expense upon each foot front of lots and parcels of land on both sides of such street, highway, lane or alley within the limits of such improvement and bounded thereon excluding cross streets from the computation to be ascertained, and each lot or parcel of land shall be assessed with its proportion of the expense, to be ascertained by multiplying its number of feet front by the average expense per foot; provided, that whenever the owner or owners of any lot or lots, parcel or parcels of land fronting any street, highway, lane or alley where such improvement is proposed to be made, and within the limits of said proposed improvements, and

bounded thereon, have already made any improvement on such street, highway, lane or alley in front of his or her lot or lots, parcel or parcels of land within the limits of said proposed improvement, and bounded thereon, of the same or of similar kind, and character as the proposed improvement, said lot or lots, parcel or parcels of land so improved by such owner or owners shall be excluded from the computation and assessment; and all expense of such improvement to be made, shall in such case be assessed upon the other lot or lots, parcel or parcels of land so fronting on the street, highway, lane or alley where such improvement is proposed to be made, and within the limits and bounded on said improvement, as heretofore specified.

How paid for.

Third. In case the work shall be the constructing of any crosswalk or drain across any street, lane or highway, or public ground, or of any culvert or any sewer in any street, alley, lane, highway or public ground, or the keeping in repair of crosswalks, drains, sewers, culverts, streets, highways, lanes or alleys, after the same have been constructed, graded, graveled, leveled, macadamized, planked or paved, as in this chapter provided, or the cleaning and cleansing of the same, the expense thereof shall be paid out of the moneys mentioned in subdivision 7 of chapter 6 of this act, belonging to the ward in which said work shall be done.

All let work by contract.

Fourth. In case the work shall be the construction, repairing, relaying or replanking any sidewalk, each lot or parcel of land fronting thereon shall be assessed with its just proportion of the expense of such work. The work specified in this subdivision may be ordered by the common council, on the written application of the street commissioner or of either of the aldermen of the ward in which the proposed work is situated, at any regular meeting of said council, after filing with the city clerk a specification of the work proposed. After said work shall have been ordered by said common council the aldermen shall give notice to the resident owner or owners of the several lots or parcels of land fronting thereon, requiring such owner or owners to perform the work proposed in front of his or their respective lots or parcels of land, according to said specifications, within twenty days from the service of such notice, and in default thereof, that said work will be done by contract without publication; and in case such owner or owners shall neglect to do said work within said twenty days, said aldermen shall proceed to have such work done by contract.

Fifth. In case the work shall be the paving or repairing any surface drain or gutter in and along the side of any street, alley, lane or highway, the common council may cause the same to be done without the written recommendation of a majority of the resident property owners, and shall proceed therein as provided by the fourth subdivision of this section, relating to sidewalks.

May be done without written recommendation.

SECTION 24. The notice required by section 23 of this chapter shall be first published at least eight days before the time therein specified for opening and acting upon the proposals to be received under it; and in case the common council do not meet on the day mentioned in such notice, the proposals received by the clerk pursuant thereto shall be opened at the next subsequent meeting of the common council. After opening proposals received pursuant to notice published according to said section, and determining whose is the most favorable, the common council may postpone further action upon the construction of the proposed work and acceptance of the proposals, from time to time, not to exceed one month from the day specified in the notice for opening the proposals.

Shall publish notice.

SECTION 25. Whenever the proposals received pursuant to such notice, are deemed by the common council to be unreasonable, they may make a contract for the work to be done, according to the published specifications, by such person or persons as they may think proper, at a specified price, which price shall not exceed the lowest sum proposed; and in case the work be of the class mentioned in the first, second, fourth and fifth subdivisions of section 23 of this chapter, it shall assess the expense thereof, including surveying and advertising, in the manner provided in the said subdivision relating thereto; and in case the work be of the class mentioned in the second subdivision of said section, the expense shall be paid out of the moneys mentioned in subdivision 7 of chapter 6 of this act, belonging to the ward in which said work shall be done.

If proposals are unreasonable.

SECTION 26. Any person taking contracts with the city, and who agrees to be paid from special assessments shall have no claim or lien upon the city in any court, except from the collection of special assessments made for the work contracted for; and no work to be paid for by a special assessment shall be let except to a contractor or contractors who will so agree.

Claims on special assessments.

SECTION 27. No plan of any crosswalk, sidewalk, paving or planking need be published under said section.

No plan of sidewalks, etc., to be published.

tion 23 of this chapter, and when a plan of any work is required, it shall be sufficient publication thereof to file the same with the clerk, and refer thereto intelligibly in the published notice.

May order several works at once.

SECTION 28. When practicable, several separate works may by notice be ordered and assessments made at the same time, and all the expenses of advertising and assessment be considered as one work. When such expenses are paid in common by more than one work, each work shall be assessed with its just proportion thereof.

Shall have power to appoint a committee.

SECTION 29. Whenever it shall appear to the common council, by affidavit or petition duly verified, that any street, highway, lane or alley, or any part thereof, in said city, should be graded, macadamized, paved, repaved, planked or replanked, and that a majority of the resident owners of property bounded by such street, highway, lane or alley refuse to sign the recommendation mentioned in section 23 of this chapter, the common council shall have power to appoint a committee consisting of one alderman from each ward of said city, to make an examination of such street, highway, lane or alley mentioned in such petition, and to report to the common council the condition of such street, highway, lane or alley, and whether in their opinion the same should be graded, macadamized, paved or repaved, planked or replanked; and upon receiving the report of such committee, the said common council shall have the power to order such street, highway, lane or alley to be graded, macadamized, paved or repaved, planked or replanked, in the same manner and with the same effect as though a recommendation signed as required by said section 23 had been presented to said council.

May order repair or cleaning of streets.

SECTION 30. The common council may order the repair, cleaning and cleansing of any street, alley, lane, highway, sidewalk, crosswalk, drain, culvert or sewer, when it shall be necessary; and when in its opinion its repairs cannot be judiciously let upon contract when the same shall be completed, cause the expense thereof to be paid out of the moneys mentioned in sub-divis-7 of chapter 6 of this act, belonging to the ward in which such repairing, cleaning or cleansing shall be done.

Assessment list shall be made.

SECTION 31. Upon the assessment being made as provided in this chapter, an assessment list shall be made, to resemble as near as practicable the annual tax roll in its form, and be provided with a column in which payments can be entered by the treasurer. Two

copies thereof shall be made by the clerk, and signed by the mayor or presiding officer of the common council and the clerk, one of which copies shall be filed with the clerk; to the other the common council shall annex its warrant for the collection of such assessment, and the clerk shall forthwith deliver the same with the warrant so annexed to the treasurer for collection. Said warrant shall be signed by the mayor and clerk, and shall have the seal of the city affixed thereto, and shall be substantially the same as the warrant annexed to the annual tax roll for collection thereof.

SECTION 32. The said assessment filed with the clerk and the one delivered to the treasurer, shall in all courts and places be prima facie evidence of the regularity of all prior proceedings and of the assessments therein specified; and all sums of money assessed, and all costs, charges and interest thereon, shall be liens on such real estate, and have and be considered both in law and equity to have priority over all other liens, except prior liens for taxes on the real estate so assessed.

SECTION 33. Upon receiving the said assessment list, the treasurer shall take the like proceedings, as far as practicable, in the collection thereof, as in the collection of the annual city and ward taxes of said city, as provided in this act.

SECTION 34. All moneys received by the treasurer upon the assessment list made pursuant to the provisions of this chapter, shall be kept by him distinct from all other moneys, and shall be drawn from the treasury only by orders expressly directing their application to the payment of the expenses for which assessment was made.

SECTION 35. In case the common council shall at any time ascertain that the expense of any public improvement cannot be defrayed by the moneys raised upon the assessment list provided therefor, it may cause the deficiency to be assessed upon the real estate described therein, in sums proportioned to the former assessment; and all the provisions of this chapter relative to the assessment lists therein mentioned to the assessments therein, and the collection and payment of the moneys thereon, shall be applicable to the second assessment list in this section provided.

SECTION 36. The common council shall have power to change and re-establish the grade of any and all streets, highways, lanes, alleys and public grounds in said city, whenever it shall by said common council be

And shall also have power to re-grade, re gravel, re-macadamize, re-pave curb and re-curb any street, highway, lane or alley, and to assess the expense of such re-grading, re graveling, re-macadamizing, re-paving or re curbing, as the case may be, upon such property as would be properly chargeable therewith in case it were the expense of the first or original grading, graveling, macadamizing, paving or curbing such street highway, lane or alley, which assessment shall be collected at the time and in like manner as an assessment for grading, graveling, macadamizing, paving, or re-paving, planking or re-planking, or curbing, as the case may be, is directed to be collected by this act; provided, that no street, highway, lane or alley, or any part thereof, shall be re-graded, re-paved or re-macadamized without a recommendation in writing, signed by a majority of the resident owners of the property which is chargeable with the expense of such proposed improvements, except as provided in section twenty-nine of this chapter, which recommendation shall be entered at length by the clerk upon the record of the proceedings of the common council.

Infante.

SECTION 37. When any owner of such real estate shall be known to be an infant under the age of twenty-one years, any officer authorized by law to appoint guardians of infants, may on application of the infant or of the common council, appoint a guardian for such infant, taking from him adequate security for the faithful performance of his duties as such; and all notices required to be served upon the infant shall be served upon such guardian, who shall see to the protection of the rights of such infant.

CHAPTER VIII.

TAXES AND ASSESSMENTS.

Taxes and assessments.

SECTION 1. The common council shall, on or before the first day of May in each year, appoint two assessors, whose duty it shall be to assess the property in said city according to law. One of said assessors shall reside on the east side of the river in said city, and the other on the west side of the river in said city. Such assessors shall, on or before the first Monday in July next ensuing their appointment, make out and deliver to the city clerk of said city a copy of the return required by law to be made by them and returned to the clerk of the board of supervisors. They shall each

receive as compensation for their service two dollars and fifty cents per day, which shall be in full for making such assessment and taking the statistics required by law. The mayor, clerk and assessors of said city shall constitute a board of review for said city, and such board shall have the powers and perform the duties prescribed in chapter 48 of the revised statutes of 1878. The assessor shall, on or before the second Monday in July annually, deliver the assessment roll as completed according to law, and all the sworn statements and valuations of personal property to the city clerk.

SECTION 2. The city clerk at the first meeting of the common council after the receipt of the assessment roll by him, whether the same shall be a regular or special meeting, shall lay the same before the common council for its consideration, and said council are hereby authorized, and it is hereby declared to be their duty to examine said assessment roll; and if it shall be defective in form, or if the certificate of the assessor shall not be in due form, or there shall intervene any irregularity or error, in making or certifying said assessment roll, they shall cause it to be corrected, amended and rectified by the assessors. The common council may also make such rules and give such directions in relation to revising, altering or adding to the rolls as they may deem proper and expedient.

Duty of city clerk.

SECTION 3. After the assessment roll for any one year shall have been examined, amended, and corrected, as provided in the next preceding section, the clerk shall endorse thereon a certificate, signed by him, that the same has been examined and approved by the common council, stating the time of such approval. Thereupon the common council shall levy such sum or sums of money as may be sufficient for the several purposes for which taxes are in this act authorized to be levied, but not exceeding the authorized percentage or sum, particularly specifying the purpose for which the same are levied, and if not for general city purposes, the ward upon which the same are levied; and all taxes, whether for general, city or ward purpose, levied under this act, shall be and remain a lien upon the lands and tenements upon which they may be assessed, in preference to any other lien, except prior taxes and assessments, until the same shall be paid, together with all legal charges thereon, and on all personal property of any person or body politic assessed for the taxes levied thereon, from the day of the date

Clerk shall endorse on roll.

of the warrant for the collection thereof, until such taxes shall be paid, and no sale or transfer of such real or personal estate shall effect such lien.

When roll to be completed.

SECTION 4. On or before the third Monday of August in each year, and as soon as the taxes shall be levied by the common council in any year, the city clerk shall from the assessment roll when completed and corrected, make out a tax roll and shall apportion and enter in said tax roll the taxes so levied, setting opposite to each parcel, lot or tract of land therein mentioned and opposite to the name of each person and body politic therein contained under proper columns each, the just and several proportion of the amount or sum of all taxes levied by the common council in such year. When the city clerk shall have completed the said tax roll, and apportioned the taxes as provided by law, the common council shall make their warrant and annex it to such tax roll. Said warrant shall be directed to the city treasurer, and shall be in such form as shall be a substantial compliance with this act, commanding him to collect from each of the persons and bodies politic named in the annexed tax roll and of the owners of the real estate described therein, each therein their several proportion as therein set down, of the sum total of taxes levied or assessments set down in said roll opposite to their respective names, and to the several lots, pieces and parcels of land therein mentioned, in the time and manner as prescribed in this act. Said warrant shall be signed by the mayor and city clerk, and shall have the seal of the city affixed thereto. Said tax roll with the warrant annexed, shall then forthwith be delivered by the city clerk to the city treasurer for collection. The city clerk shall file the original assessment roll in his office, and shall note thereon the time of delivering the tax roll to the treasurer for collection.

Treasurer to give notice.

SECTION 5. Upon the receipt of said tax roll and warrant by the treasurer, it shall be his duty to cause a notice to be published in some daily or weekly newspaper published in said city, that such tax roll and warrant is in his hands for collection, briefly describing the nature thereof, and requesting all persons forthwith to make payment thereof at his office, or that the same will be collected at the cost and expense of the persons liable to the payment of such taxes or assessment; said notice to be published for the term of twenty days.

Twenty days' notice.

SECTION 6. On the expiration of the twenty days mentioned in the preceeding section, in case any person

or body politic shall have neglected or refused to pay the taxes imposed on him or it, the city treasurer shall levy the same by distress and sale of the goods and chattels of such person or body politic, wherever the same may be found in the city of Janesville, in the manner specified in chapter 49 of the revised statutes of 1878; and if any taxes on personal property shall not be paid or collected in consequence of the neglect or delay of said treasurer, the common council may, by action, recover the amount thereof from the said treasurer and his sureties; and if, from any cause, the taxes and assessments charged in such tax roll to which such tax warrant is annexed, upon any lands or lots described therein, are not collected on or before the first Monday in October, ensuing the date of said warrant, it shall be the duty of said treasurer to prepare and make a report thereof to the circuit court in and for the county of Rock, and file said report with the clerk of said court, and on such report make or cause an application to be made at the next term of said court ensuing the making and filing of said report, for judgment against the lands, lots and parcels of land for the amount of the taxes, assessments, interest, cost and charges respectively due thereon; and he shall give public notice of such intended application at least ten days before the first day of the said term of said court, briefly specifying the nature of the taxes and assessments for the collection of which the application is to be made, and requesting all persons interested therein to attend at such term of said court, which notice shall be published in some daily or weekly newspaper published in said city of Janesville; and the notice so published shall be deemed and taken to be sufficient and legal notice, both of the aforesaid intended application to said court for judgment, and a demand and refusal to pay the said taxes and assessments; provided, that if the taxes on any state, school or university lands in said city held upon contract, or upon any lands in said city mortgaged to the state, are not collected or paid on or before the said first Monday in October, the treasurer of said city shall immediately make and forward to the state treasurer a certified list of such lands, with the amount of tax due and unpaid on each description thereof. The state treasurer shall charge such return taxes against the lands upon which the same were assessed, and if the said taxes shall not be paid before the first day of June next succeeding, he shall add thereto twenty five per cent. penalty; but if such tax

shall be paid before the first day of June he shall add thereto twelve per cent. penalty, which penalty shall be collected with other charges against said lands, and when collected such tax and penalty shall be returned by said state treasurer to the treasurer of said city.

Treasurer shall file affidavit, &c.

SECTION 7. The treasurer shall obtain a copy of the said advertisement, together with affidavit by the printer or publisher of the newspaper in which the same was published, of the due publication thereof, and shall file the same with the said clerk of the said circuit court at said term thereof, which affidavit shall be attached by the clerk to the treasurer's report on file in his office.

Clerk shall record affidavit, etc., in book.

SECTION 8. The clerk of said court upon the filing of such report and affidavit of publication by the treasurer, shall record the same in a book kept for that purpose, in which shall be entered all judgments, orders and other proceedings of said court in relation thereto, and the same shall be preserved as other records of his office; and the said clerk shall place the said report and the affidavit attached, at the head of the issue calendar for said term, in the following form, as nearly as may be, to-wit: "City of Janesville against John Doe and others; suit for taxes." Or if it be an assessment for some specific improvement, shall also enter said report, returned by the treasurer, in similar forms, as nearly as may be, or as follows: "City of Janesville against John Doe and others; suit for assessment on assessment list and warrant for paving — street," or "planking — street," or, "building sidewalk on — street," or, "the opening — street," or such other title as will sufficiently indicate the nature of the improvement for which the charge or assessment is due, entering a separate suit on each assessment roll and warrant upon which such report or reports are made.

Duty of the court.

SECTION 9. It shall be the duty of the court calling the calendar of said term, if any defense be offered by any of the owners of said property, or any person having a claim or interest therein, to hear and determine the same in a summary way, without pleading; and if no defense be made, the said court shall pronounce judgment against the said several lots, lands, pieces or parcels of land, as described in said treasurer's report, and shall thereupon order and direct the said lots, lands, pieces or parcels of land to be sold for the amount of the taxes and assessments, and interest at the rate of twelve per cent. per annum, computed from the date of the warrant, for the collection thereof, and

costs and charges so levied, assessed or charged upon them, as provided in this act, or under any section or provision thereof; provided, that in all cases where a defense is interposed, the trial of an issue or issues therein shall have priority over all other cases in said court, and shall be disposed of with as little delay as possible, consistently with the demands of public justice, at said term; but should justice require that for any cause the proceedings as to one or more should be delayed for more than ten days, judgment shall then be rendered as to the other owners and lands, and process shall issue for the sale thereof, the same as in other cases.

SECTION 10.
