SECTION 3. At the time fixed in said notice for the appointment of such jurors, the judge named in said notice, upon proof of the service of the same on the owner or owners of the premises described in such notice, which proof shall be in the same manner as is now required to make proof of the service of a summons in civil actions in courts of records in this state, shall appoint six competent persons, having the qualification of jurors in and for the county of Jackson and not residents of the ward in which such premises are situated, not interested in such application, but residents of the city shall not be disqualified. The said judge shall thereupon issue his precept, directed to such jurors, requiring them and each of them to appear before him, on the day named in the notice for such jurors to meet for the discharge of their duties under such appointment. Such verdict, with all the papers, proceedings and testimony had before him and said jury, shall then be forthwith filed by said judge with the clerk of the circuit court for Jackson county, together with a certificate by said judge that the same are the originals and the whole thereof. The clerk shall on application furnish a certified copy of the same, or any part thereof, which shall have the same force and effect as the originals. Five days' notice of the time and place when such application will be presented to such judge, accompanied with copy of such application, shall then be served on each owner in the cases when required, and in the manner provided in section 1, of this chapter. SECTION 8. If there should be any building standing in whole or in part upon the lands to be taken, the commissioners, before proceeding to make their assessments, shall first estimate and determine the whole value of such building to the owner, aside from the value of the land, and the injury to him in having such building taken from him; and, secondly, the value of such building removed.

In case of any building on the land, and proceedings shall have been taken, as provided in sections 8, 9 and 10, the said commissioners shall not include the value of such building, as estimated by them, less the proceeds of the sale thereof, or if taken by the owner at the value to remove, in such case they shall only include the difference between such value and the whole estimated value of such building. A majority of the commissioners, all being present, shall be competent to determine all matters before them. The commissioners shall, within twenty days after viewing any of the lands so taken, make and file in the office of the clerk of the circuit court of such county, a report of their proceedings concerning such lands, setting forth the award made for each tract or parcel thereof, or separate estate therein, to the owner or owners thereof.
