The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. Section 1, of chapter 207, of the laws of 1878, entitled "an act to amend chapter 452, of the private and local laws of Wisconsin for 1869, entitled an act to incorporate The Namakagon and Totogatic Dam Company, and the several acts amendatory thereof," is hereby amended by striking out the word "three," where it occurs in the thirteenth line of said section, and inserting in lieu thereof the word "two"; also by striking out the words "and another at such point as may be deemed necessary in town forty-one, range ten," where they occur in the seventeenth, eighteenth and nineteenth lines of said section; and also by adding at the end of said section the following: "Provided, that from and after the completion of the drive of all saw logs put into said Namakagon river and its tributaries during the logging season of 1884 and 1885, intended for the St. Croix booms down and into said booms, not later, however, than November 1, 1885, said company shall have no right to maintain any dams across said Namakagon river; but nothing herein shall affect the right to operate said dams above the range line between ranges nine and ten, to make said drive, nor affect the right of said dam

company to collect the tolls now provided by law upon all logs driven by the aid of said dams into the St. Croix booms, which are banked upon said Namakagon river, or any of its tributaries, above said range line and intended to be driven into said boom; provided, however, after the first day of May, 1885, the natural flow of the waters of said river above the Hayward dam shall not be diminished by the operation of said dams by said company.

SECTION 2. Chapter 452, of the laws of 1869, ^{Repealed.} and the acts amendatory thereof, so far as the same grants any right to maintain dams across the Namakagon river or across any of the tributaries of said river flowing into the same (except the Totogatic), or any rights granted by said chapter or the amendments thereto, upon said Namakagon river, or any of its tributaries (except the Totogatic), are hereby repealed, and the said company is hereby relieved from all obligations thereof; provided, however, that this act shall not take effect so as to prevent said company from operating said dams upon said Namakagon river above the range line, between ranges nine and ten, for the purpose of driving all logs put into said Namakagon river and its tributaries, above said range line during the present logging season intended for the St. Croix boom, down and into said booms, nor so as to interfere in any way with the collection of tolls on such logs, as now provided by law.

SECTION 3. Nothing herein contained shall be construed to, in any manner, affect the right of said company to maintain any dams mentioned in said chapter 452, or any of its amendments, except the dams upon the Namakagon river and its tributaries, other than the Totogatic, nor its right to collect the tolls now provided by law for maintaining and operating dams upon streams other than said Namakagon river and its said tributaries. ^{No rights affected.}

SECTION 4. Except as aforesaid, this act shall take effect and be in force from and after its passage and publication.
