CHAPTER 237.

AN ACT to create section 925—113a of the statutes, relating to the powers of electors in cities of the fourth class to change the system of school government.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. There is added to the statutes a new section to read: Section 925—113a. 1. Upon the presentation of a resolution to the city clerk of any city of the fourth class now operating its schools under the provisions of the general charter or a special charter, signed by thirty per cent. of the legal voters of such city school district, requesting a return to the ordinary district system of school government, and an annulment of that provision of the charter under which the schools are now administered, it shall become the duty of the city council to submit this question to the electors of the city school district at a special election, duly called, noticed and held pursuant to law.

2. And if a majority of the electors of the city school district shall, at the special election duly held pursuant to the provisions of such special charter governing special elections or of the general charter, vote in favor of said change of school government, then thereafter the schools of such city school district shall be administered, maintained, and operated under the ordinary district form of school government until changed by competent authority.

3. In all cases where the existing system or plan of school organization shall be changed under the provisions of this act, such change shall not go into effect until the close of the current school year.

SECTION 2. This act shall take effect and be in force from and after its passage and publication.
