AN ACT to create sections 1801p to 1801r, inclusive, of the statutes, providing for the establishment and maintenance of certain outbuildings in connection with railroad depots.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. There are added to the statutes three new sections to read: Section 1801p. Entirely separate compartments for men and women shall be provided. The water-closet, earth-closet or privy for males shall have urinals arranged with conduits of galvanized iron or other impervious material, draining into a sewer, vault or other suitable place which will prevent the creation of a nuisance.

Section 1801q. The local health officer or health commissioner of the township, incorporated village or city in which the depot is located, shall have authority to inspect such water-closets, earth-closets or privies from time to time, and if they are found to be in an unsanitary condition, he shall at once notify the proper officials of the railroad company, stating in what respects such water-closets, earth-closets or privies are unsanitary. It shall then be the duty of the railroad company, within a reasonable time, to make such alterations or repairs as will remove the unsanitary condition complained of.

Section 1801r. Any failure to comply with the provisions of this act shall, upon conviction, be punishable by a fine of not less than twenty dollars or more than one hundred dollars, or by imprisonment in the county jail not to exceed sixty days, or by both such fine and imprisonment.
