Said judge shall thereupon by order fix a time for hearing said petition, which time shall not be less than thirty days from the date of such order, and shall order notice to be given by publication in a newspaper as provided in section 4045 at least three weeks successively, previous to the time appointed. If the court shall find on the hearing that it is for the best interest of the said cemetery association that it sell and convey that portion described in the petition and the rights of none to whom lots have been conveyed will be injured thereby, it shall enter an order, reciting the number of trustees of said association, the number signing the petition and a brief statement of all the other facts and findings of the court, authorizing the said trustees to convey the said described portion. A certified copy of such order shall be filed with the register of deeds and thereupon the trustees may convey such portion by deed.
