CHAPTER 555.

AN ACT to amend subsection 1 of section 496b and subsection 1 of section 496c, and to create subsections 5, 6 and 7 of section 496c, and subsection 2 of section 172—108 of the statutes, relating to a training course for teachers, and making an appropriation therefor.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. Subsection 1 of section 496b and subsection 1 of section 496c, of the statutes, are amended to read: (Section 496b) 1. Any board having charge of a free high school or of a high school having a course of study equivalent to the course prescribed by the state superintendent for such free high schools may establish and maintain in connection with the high school under its management, *in counties where county training schools, or joint county training schools have not been established, a teachers' training course, which shall be especially approved by the state superintendent as to subjects required to be taught, and the qualifications of teachers,* or in connection with said high school and the * * * two upper grades next below the high school, as said board shall decide, a department of manual training, or domestic economy, or agriculture, or any or all of said departments.

(Section 496c) 1. Any school whose course of study or outline of work in *teachers' training, manual training, domestic economy, or agriculture,* has been approved by the state super-

intendent and whose teacher has been qualified may, upon application, be placed upon the approved list of schools maintaining such a department or departments.

SECTION 2. There are added to section 496c of the statutes three new subsections to read: (Section 496c) 5. On the first day of July in each year the board of education of the high school district, maintaining in connection with its high school such a department of teachers' training, as provided in subsection 1 of section 496b, shall report to the state superintendent setting forth the facts relating to the cost of instruction in this department of such schools, the character of the work done, the number and names of teachers employed, the number of pupils enrolled in this department, the number of graduates for that year, and such other matters as may be required. Upon receipt of such report, if it shall appear that the school has been maintained in a satisfactory manner for a period of not less than nine months, during the year closing the 30th day of June preceding, the state superintendent shall make a certificate to that effect and file it with the secretary of state. Upon receiving such certificate the secretary of state shall draw his warrant, payable to the treasurer of such high school district so maintaining such department in such high school, for an amount equal to the sum expended for the wages of the duly approved and qualified teachers employed in this department of such school for at least nine months during said school year.

6. No course for the training of teachers shall be established in a high school employing less than four teachers, including the principal, and unless the teacher employed to give instruction in professional work and practice teaching shall be a graduate of the advanced course from a Wisconsin state normal school or a school offering a course of study equivalent to the course of study offered in the Wisconsin state normal schools, and who shall in addition present evidence satisfactory to the state superintendent of having at least two years of successful experience as a teacher, and who shall devote her full time to the work of this department, and at least ten pupils must have elected to take such training course during the current year, and, provided further, that no school shall be continued on the list of schools offering courses for the training of teachers unless the work done therein shall meet the approval of the state superintendent.

7. Any person who shall complete in a satisfactory manner the course of study prescribed for such department in such high school, and who shall be of good moral character, shall receive a

certificate, signed by the principal of such school and by the members of the board of education, of such high school district. Said certificate shall certify that the person therein named has satisfactorily completed the course of study prescribed for such teachers' training course, and is of good moral character. It shall also contain a list of standings secured by the person on the completion of each of the studies pursued in the school. Such certificate shall have the same force and effect as is prescribed for certificates by section 411—6 of the statutes relating to county training schools.

SECTION 3. There is added to the statutes a new subsection to read: (Section 172—108) 2. There is annually appropriated on July 1, not to exceed twenty-five thousand dollars payable from any moneys in the general fund not otherwise appropriated as state aid for teachers' training courses in high schools and graded schools.

SECTION 4. This act shall take effect upon passage and publication.
