The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. There is added to the statutes a new section to read: Section 910. 1. Whenever the village board shall have ordered the grading, paving, macadamizing or other improvement of any street or part of any street, it may cause water and sewer mains, or either of them, to be laid in any portion of such street so to be improved, after an estimate of the cost thereof, made by an engineer employed by the village, shall be on file with the clerk. Upon the completion of such work the clerk shall file in his office a correct and certified statement of the total cost of such work and thereupon the board may levy a tax for the whole or any part of such cost, exclusive of the cost of street and alley crossings, upon the property adjoining such portion of such street, proportioned to the frontage.

The village clerk shall thereupon give notice to the owner of the property adjoining such portion of such street, by publication thereof in some newspaper published in said village for one week or if there be no newspaper published in said village then a copy of such notice shall be

Upon the completion of said work the clerk shall file in his office a correct and certified statement of the cost of such work done opposite each piece of property fronting on said portion of said street and thereupon the board may levy a tax for the whole or any part of such cost upon the respective pieces of property adjoining said portion of said street.

3. Every such tax levied pursuant to this section shall be a lien upon said respective pieces of land from the date of ordering such work and shall be entered by the clerk in the tax roll as a special tax against said respective pieces of property and collected in all respects like other village taxes upon real estate; provided, however, that the provisions of section 914b shall extend to all work provided for in this section.
