CHAPTER 239

AN ACT to amend section 1416—15 of the statutes, relating to quarantine for dangerous communicable diseases, and providing a penalty.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. Section 1416—15 of the statutes is amended to read: Section 1416—15. Whenever a health officer shall know,

suspect, or be informed of the existence of any communicable disease, dangerous to the public health, it shall be the duty of such health officer, or deputy, to at once examine such case, or cases of alleged communicable disease, dangerous to the public health. The health officer having jurisdiction, upon being notified or having knowledge of the existence of any disease which has been designated by the state board of health in its rules and regulations to be quarantinable, shall immediately in person or by deputy quarantine the infected house, rooms or premises so as effectually to quarantine the case or cases and the family, if necessary, in such manner and for such time as the state board of health in its rules shall determine necessary to prevent transmission of the disease. Whenever a house, tenement room or other building is placed in quarantine, a placard shall be posted in a conspicuous position on such building, giving the name of the disease for which quarantine is established, or the word "quarantine" in letters not less than two inches long. Such placard shall contain the following quarantine notice: "All persons are forbidden to enter or leave these premises without a special written permit from the health officer having jurisdiction and all persons are forbidden to remove, obscure or mutilate this card or to interfere in any way with this quarantine without written orders from said health officer, under penalty of a fine or imprisonment as provided in section 4608 of the statutes." *Every violation of such quarantine and notice and every disobedience or disregard of such notice or its terms shall be punished in the manner provided in said section 4608.* The local board of health shall employ as many persons as are necessary to execute its orders; properly guard any house or place containing any person or persons affected with a quarantinable disease, or who have been exposed thereto, if quarantine is violated or intent to violate quarantine is manifested. Such persons shall be sworn in as quarantine guards, shall have police powers, and may use all necessary means to enforce the state laws for the prevention and control of contagious or infectious diseases or the orders, rules and regulations of any board of health made in pursuance thereof.

SECTION 2. This act shall take effect upon passage and publication.
