SECTION 1. There is added to the statutes a new section to read: Section 824m. 1. The town board of any town situated on a navigable waterway within or bordering on this state is constituted as the "Dock and Harbor Board" of such town; and as such board shall have within and for such town all the rights, liabilities, authority, powers and privileges of dock and harbor boards of incorporated villages and cities; and, especially, shall have the power and duty for and in behalf of such town conferred and imposed upon dock and harbor boards by the provisions of subsections 1 to 9, inclusive, of section 959—78m of the statutes.

2. The provisions of this section shall not apply until and unless the annual town meeting of any town mentioned in subsection 1, shall have adopted a resolution favoring the creation of such dock and harbor board and shall have voted to raise not to exceed one thousand dollars to enable such board to carry out the provisions of this section.

3. All moneys received by the board shall be paid to the town treasurer and by him kept in a separate fund to be known as the "Dock Fund" or "Harbor Fund." Disbursements from such fund shall be made and audited as other town disbursements are made and audited.
