CHAPTER 538

AN ACT to amend sections 31.19 and 31.20 of the statutes, relating to the inspection of dams and inspection fees.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. Section 31.19 of the statutes is amended to read: Section 31.19. *The railroad commission shall examine at least once in each year each dam having a theoretical horse power capacity of seven hundred fifty horse power or more and which is maintained or operated in or across navigable waters, and in addition thereto and upon complaint in writing from the mayor of any city, supervisor of any town, or the president or trustee of any village, that any dam maintained or operated in or across any waters * * * whether navigable or nonnavigable, or any reservoir is in an unsafe condition, or from any person that his property or any property under his control is endangered by * * * a dam or reservoir, the commission shall investigate or cause an investigation to be made of such complaint, or the commission may, upon its own motion, examine any dam or reservoir, and, in any case, if it shall find that any dam or reservoir is not sufficiently strong, or is unsafe, and dangerous to life or property, it shall determine what alterations, additions or repairs are*

necessary to be made and shall order the owner, or person having control of such dam or reservoir to cause such alterations or repairs to be made within a time to be limited by the order; and the commission may cause to be drawn off, in whole or in part, the water in said reservoir or impounded by said dam, when it shall determine that such action is necessary to prevent impending danger to persons or property.

SECTION 2. Section 31.20 of the statutes is amended to read: 31.20 INSPECTION FEE. Every owner, excepting municipalities, of a dam heretofore or hereafter constructed in or across navigable waters shall pay to the commission annually, on or before the first day of February, for the purpose of defraying the actual expenses of the commission incurred in inspecting and supervising the construction or maintenance, or both, of such dam and equipment, an inspection fee of not to exceed ten cents per theoretical horse power capacity of such dam at an ordinary stage of water, *said fee however, not to be less than twenty-five dollars in any case, if such actual expenses of the commission shall equal that amount.* The amount of such fee shall be determined annually by the commission, and notice of the amount due shall be forwarded by mail to each such owner, or the agent thereof, not later than December first of each year. Inspection fees received by the commission shall be paid into the state treasury.

SECTION 3. This act shall take effect upon passage and publication.
