

*five carloads or more of stock were shipped during each of the four preceding years, it shall be the duty of such railroad to maintain or cause to be maintained after November 1, 1921, a suitable platform scale properly housed for the weighing of live stock; provided that, upon application made prior to said date, the railroad commission may by order extend the time for installing any such scale to a date not later than January 1, 1922. The capacity of such scale may be prescribed by the railroad commission upon the application of the railroad or of any person shipping live stock from such point during the preceding year; provided that upon notice of such character as the railroad commission may prescribe to each person who shipped live stock during the preceding year from any such point or points upon its line, any railroad may apply to the railroad commission for an order exempting such point or points from the operation of this section upon sufficient proof to satisfy it that the probable benefit to accrue to shippers in their dealings with the railroad company will not warrant the financial burden that would be imposed upon the railroad by the installation of such scales adequately housed at the point or points named in the application, and in its determination of such benefits or burdens the railroad commission shall not consider any benefit that might accrue to shippers in their dealings with other than the carriers concerned. It shall not be necessary for any railroad company to furnish an attendant of platform scales installed pursuant to the provisions hereof except where its local agent refuses to furnish a key thereof to a shipper of live stock upon reasonable demand therefor.*

### CHAPTER 372.

AN ACT to amend subsections (1), (2) and (3) of section 40.71 of the statutes, relating to smallpox.

*The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:*

SECTION 1. Subsections (1), (2), and (3) of section 40.71 of the statutes are amended to read: (Section 40.71) (1) To prevent the spread of smallpox the local board of health of any city, incorporated village or town, or the state board of health, when the disease is present in any school district or part thereof, which is included in such city, incorporated village or town, shall *forthwith* prohibit the attendance at school in any such district or part thereof for a period of \* \* \* *fourteen* days, after the appearance of smallpox, of any and all pupils and teachers, who have not been successfully vaccinated or who fail to show a certificate of recent vaccination.

(2) Should new cases of smallpox continue to develop in such school district or part thereof, after the expiration of \* \* \* *fourteen* days, the local board of health shall upon the advice and consent of the state board of health, renew such order for another period of \* \* \* *fourteen* days or so many days thereof as the state board of health may deem necessary, in order to control the epidemic.

(3) \* \* \* *When vaccination or exclusion from school is ordered in conformity to subsection (1) of section 40.71 of the statutes the local board of health shall provide for the free vaccination of all children in any school district or part thereof during an outbreak of smallpox, the necessary expense thereof to be paid by the city, incorporated village or town upon the order of the local board of health. The state board of health shall determine the method to be employed in vaccination against smallpox, designate the person or persons to do the work and may determine the*
