LAWS OF WISCONSIN-CH. 291.

for the aid thereof. No person shall practice optometry without a certificate of registration properly filed. This shall not apply to physicians and surgeons nor to the sale of spectacles • • • only at an established place of business without attempting to test the eyes.

153.03 Applicants shall be examined at time and place fixed by the board, must pay * * * *twenty-five* dollars in advance and be at least twenty-one years of age, and have attended an optometry school for at least * * *two* years, of not less than * * * *two* thousand hours actual instruction, or after having attended any such school for one such year shall have served as assistant to a registered optometrist for at least two years, and * * *shall have* registered with the board as an assistant optometrist at least two years before appearing for examination, and such registration shall not have been made before the nineteenth birthday of the applicant.

(153.05) (2) One who has been admitted to practice optometry in another state may be issued a certificate in the discretion of the board, upon the payment of * * * *twenty-five* dollars and production of a certificate showing that he has passed an examination in such other state, and has actually practiced there for two years.

SECTION 3. A new section is added to the statutes to read: 153.04 Every person before beginning to practice optometry in this state, after the taking effect of this section, shall have a high school education or the equivalent thereof as determined by the board and shall pass an examination before said board of examiners, for which a fee of ten dollars shall be paid, except as hereinafter provided. Said examination shall be confined to such knowledge as is essential to the practice of optometry, and shall include anatomy, physiology, pathology of the eye and its appendages, normal and abnormal refractive, accommodative and muscular conditions and coordinations of the eye, and sub jective and objective optometry, including the fitting of glasses. the principles of lens construction and frame adjusting and such other subjects the board deems necessary. The board may make rules and regulations for conducting examinations and for the standard of professional or special qualifications. In case of failure at any examination, the applicant shall have the privilege of taking another examination upon the payment of a fee of ten dollars at any future regular meeting of the board. Assistant optometrists registered by the board prior to the passage of this act and registered optometrists may take the examination as provided by section 153.03 of the statutes of 1923. All persons qualified, who prior to the passage of this act have completed one thousand hours actual instruction in an optometry school and who have made formal application to the board, accompanied by the examination fee of twenty-five dollars, prior to July 1, 1925, may take the examination as provided by section 153.03 of the statutes of 1923. This section shall not apply to duly licensed physicians and surgeons nor to optometrists registered prior to July 1, 1925.

SECTION 4. This act shall take effect upon passage and publication.
