(29.22) (3) No person shall engage, or be employed, for any compensation or reward, to guide, direct, or assist any other person in hunting, trapping, or fishing unless a license therefor, subject to the provisions of section 29.09, has been duly issued to him by the state conservation commission. The fee for each such license is one dollar *and all such licenses shall be effective only from the first day of May until the next succeeding thirtieth day of April.* The applicant shall deliver to the state conservation commission an oath of office that he shall well and faithfully perform the duties of his office as a guide licensed by the state conservation commission to guide, direct and assist other persons in hunting, trapping and fishing, and observe and comply with all the requirements of chapter 29 of the statutes, and of his said guide license. But this subsection does not apply to the employment of labor by, or services rendered to, the licensee of any net fishing license.
