CHAPTER 339.

AN ACT to create subsection (10) of section 96.68 of the statutes, relating to state aid for encouraging the development and improvement of standard bred horses, and making an appropriation.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. A new subsection is added to section 96.68 (as created by chapter 67, laws of 1931) of the statutes to read: (96.68) (10) To each county, and any such organized agricultural society, association or board in the state, for the purpose of encouraging and fostering the breeding, development and improvement of standard bred horses in this state, fifty per cent of each purse of four hundred dollars and fifty per cent of each purse or five hundred dollars paid by it to the owners of the successful contestants in a two-year-old trot, two-year-old pace, three-year-old trot and three-year-old pace. Any such organization may stage any or all of said events but shall not receive state aid for more than one each of said events in any calendar year. No colt shall be eligible to enter or start therein unless owned by one or more duly qualified electors of this state or trained continuously within the state for not less than sixty days prior to the fifteenth day of June of the year in which the event is contested. After the year 1934 no two-year-old colt and after the year 1935 no three-year-old colt shall be eligible to enter or start therein, unless owned, raised

and trained by one or more duly qualified electors of this state, and unless it is the foal of a mare owned at the time of foaling by one or more qualified electors of this state. Required number of entries and starters shall be six to enter and four to start. An owner may enter any number of colts but shall not be allowed to start more than two colts in the same event. Entry fees for each colt shall not exceed two per cent of the purse and shall be payable on or before a closing date to be fixed by the organization. The organization may, at its option, increase any such purse and may also add the entrance money to the purse and divide such added sums among the starters as it sees fit. Money divisions and conditions other than those herein prescribed shall be uniform throughout the state and shall be fixed annually for the next succeeding year by a joint resolution adopted by the boards of directors of the Wisconsin breeders and harness horse association and Wisconsin association of fairs, and certified to the department of agriculture and markets on or before the last day of December in each year. In the event the boards of directors of said associations fail in any year to adopt and certify said resolution as aforesaid, then such money divisions and conditions for the next succeeding year shall be fixed by such department. On or before the last day in December in each year, the county clerk, or the person therefor appointed by the society, association or board claiming state aid, shall file with the department of agriculture and markets, on blanks provided by it, a statement, verified on oath, showing a true and correct summary of the results of each colt event, the name and address of, and the amount paid to, the owner of each colt, and that the event was in all things conducted as herein provided. Thereupon, state aid shall be certified and paid as provided by paragraph (e) of this subsection.

SECTION 2. This act shall take effect upon passage and publication.
