(b) *Equipment*. Annually, beginning July 1, 1931, fifteen thousand dollars for equipment, permanent property and improvements except the purchase of land.

(bm) If in any year the receipts from the operation of the state fair and the state fair park paid into the general fund are less than the total of the expenditures under paragraphs (a) and (b) of this subsection, then the difference shall be taken from such other appropriations to the department of agriculture and markets, as said department deems advisable, but not exceeding fifty thousand dollars in any year.

(l) All moneys collected or received by each and every person for or on account of the operation of the state fair shall be paid immediately into the general fund, except as provided in paragraphs (g) and (j) of this subsection.
