SECTION 2. A new subsection is added to section 27.065 of the statutes to read: (27.065) (13) (a) Whenever in any proceeding under this section, whether for acquisition of land or improvement thereof, any tract of land which at the time of filing of the final assessment of benefits and damages is in one ownership and such tract or any portion thereof shall thereafter be divided or subdivided into two or more lots or parcels, either by recorded plat or by conveyance duly recorded, and the special assessment of benefits against the original tract shall be outstanding, in installments or otherwise, it shall be the duty of the county highway commit-

tee, after notice and hearing as hereinafter provided, on verified written request of the owner of such original tract or the owner of any portion thereof to apportion said assessment of benefits among the several lots or parcels into which the original tract or any portion thereof is divided or subdivided.

(b) Upon receipt of any such verified written request the county highway committee forthwith shall set a time and place for hearing such request for an apportionment of said original assessment. Notice in writing of the time, place and nature of such hearing shall be sent by such committee, by registered mail, to the last known address of each of the owners of any lot or parcel of land affected or to be affected by the requested apportionment, at least ten days prior to the time set for such hearing. Such apportionment shall be made in an equitable manner so as to be consistent in method with the intent and purpose of the original assessment. The highway committee may engage the services of a disinterested and qualified real estate appraiser to assist the committee in making said apportionment and the owner making such written request shall pay a reasonable fee for the services of the appraiser in the amount fixed by the highway committee. The sum of the assessments apportioned to the several lots or parcels created from the original tract or any portion thereof shall not exceed the unpaid amount of the original assessment. The determination of said highway committee shall be final, unless, within twenty days after the filing of a certified copy of such determination with the clerk of the municipality wherein such land is situated, as hereinafter provided, the owner or owners of any lot or parcel of land affected by such determination shall commence an action in the circuit court of the county wherein such land is situated to set aside such determination. In any such action the owner or owners of any land affected by such determination and the county highway committee shall be named as parties defendant and the court shall have power to adjudicate an apportionment of the original assessment of benefits among the several lots or parcels into which said original tract or any portion thereof is divided or subdivided.

(c) Upon the making of any determination apportioning any such assessment, as herein provided, the county highway committee forthwith shall file a certified copy thereof with the county clerk of the county in which the land affected by such determination is situated. A copy of the county highway committee's deter-

mination apportioning any such assessment, duly certified by the chairman of such committee or by the county clerk, may be filed for record in the office of the register of deeds of such county, and, when so filed, shall be entitled to be recorded and be recorded in the same manner as conveyances of land. Within ten days after the making of any such apportionment by the county highway committee, the county clerk shall file a certified copy thereof with the clerk of the municipality wherein such land is situated. Thereafter, the assessment as so apportioned shall be levied against each such lot or parcel created by division of the original parcel or any portion thereof until the full amount of the apportioned assessment and interest thereon has been paid with the same force and effect as though the apportioned assessment had been levied against such lot or parcel when the original assessment was made. Such lot or parcel shall be deemed to be relieved from the lien of the original assessment except as to the amount of such assessment apportioned to said lot or parcel as hereinabove provided.
