

because of the severity of his physical disabilities, is not expected to be able to compete with the able-bodied persons in normal employment.

(12) (a) The board shall provide such services as vocational training or instruction in crafts as may be practicable for severely physically handicapped persons 16 years of age or over, who cannot be inducted into the regular types of remunerative employment, and who elect to take advantage of the benefits of the state services herein described. When deemed advisable and feasible, physically handicapped persons may be transported to a central place where classes or schools shall be provided for giving vocational training and instruction in the various crafts as will propitiate the rehabilitation of the individual.

(b) No vocational training or craft instruction shall be rendered to a homebound physically handicapped person whose disability may be of a progressive nature without a certificate from the regular physician certifying that such physically handicapped person can carry on such work without injurious results.

(c) The board shall utilize the facilities of such agencies, both public and private, as may be practical in providing ways and means of utilizing the products made by such physically handicapped homebound persons.

(d) All money expended under the provisions of this subsection shall be upon condition that for each dollar of state money expended, there shall be expended in the county under the supervision of the state board of vocational and adult education at least an equal amount for the same purpose.
