

by it of a recommendation for such extension from the civil service commission. The acceptance or refusal by an eligible of a temporary appointment shall not affect his standing on the eligible register for permanent employment nor shall the period of service of any temporary appointment be counted as a part of the probationary service required after appointment to a permanent position.

(b) This subsection shall apply to a position created on a temporary basis or to a temporary appointment to a position created on a permanent basis. As to either of such methods of filling a position which has existed for more than one year at the effective date of this subsection, the county board shall within 60 days after the effective date of this subsection provide for filling such position on a permanent basis or abolish the same.

(2) All persons serving in positions in the classified service of the county on a temporary appointment on the effective date of this section who attained such position by appointment after certification as provided by law and who occupied such position on February 1, 1938, shall be deemed to have qualified for certification for permanent appointment and shall be certified in order of seniority for appointment to such position when such position is established on a permanent basis by the county board.
