

No. 13, S.]

[Published March 11, 1949.

CHAPTER 13.

AN ACT to amend 94.40 (7) of the statutes, relating to certified varieties of alfalfa seed permitted to be sold.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

94.40 (7) of the statutes is amended to read:

94.40 (7) Any alfalfa seed represented to be of a grimm, cossack, * * * ladak or ranger variety and any field seed corn representing to be hybrid field seed corn, unless such seed is certified as to variety by a seed certifying agency which is approved by the department as satisfactory for the performance of seed certification and the official tag of such agency is properly attached to each seed container.

Approved March 9, 1949.
